

For groups who want a [Kaanapali reef snorkeling](#) personalized ocean experience without sharing a boat with strangers, Kaanapali Ocean Adventures offers private charters on both the Sanity and the X-Treme vessel. Private charters provide flexibility, exclusivity, and the ability to tailor the day to the specific interests and needs of your group. The Sanity is a 46-foot excursion boat designed for comfort and versatility. As a private charter, it accommodates groups for snorkeling at Lanai's famous dive spots including the shipwreck, Five Sisters, Shark Fins, and Sweet Heart Rock, along with the excellent reef snorkeling for which Lanai is known. The Sanity is also available for sunset cruises, whale watching during season, and custom itineraries. The X-Treme is a 31-foot vessel designed for guests who want a faster, more exhilarating experience on the water. Reviews consistently describe the jet boat experience aboard the X-Treme as thrilling, with the vessel capable of impressive speeds and maneuvers. Guests expect to get wet aboard the X-Treme. It is not for the faint of heart but consistently delivers memorable experiences.
