Frequently Asked Questions

What is the best back cover for Moto Edge 60 Pro?

The ideal option would be a glass case with flexible TPU sides in order to get an elegant design and protection from scratches.

Is Moto Edge 60 Pro compatible with MagSafe cases?

There are some MagSafe accessories for Moto Edge 60 Pro that have magnetic rings. Having magnets on the case doesn’t mean automatic compatibility with wireless charging.

Does the back cover of Moto Edge 60 Pro protect the camera?

Yes, using the back cover with a protective camera ring may help to avoid contacts of the camera part with other surfaces.

Are transparent back covers of Moto Edge 60 Pro anti-yellowing?

There are anti-yellowing materials used to produce some transparent covers in order to reduce their discoloration. The results vary depending on the quality of the materials and their usage conditions.

Where to buy Moto Edge 60 Pro back cover online in India?

You can choose beautiful Moto Edge 60 Pro back glass cases with floral, anime, aesthetic, racing and other themes at Phone Villa.
