Booking a flight is exciting, but sometimes mistakes happen. Whether it's a simple typo or a legal name update, many travelers wonder if a [delta flight name change](#) is possible after purchasing a ticket. The good news is that Delta Air Lines allows certain name corrections under specific circumstances.

This guide explains the delta airlines name change policy, the types of corrections allowed, and what you need to know before requesting a change.

## Understanding Delta Airlines Name Change Policy

The delta airlines name change policy is designed to help passengers correct minor errors on their tickets while maintaining security requirements. The name on your ticket must match the name on your government-issued identification or passport.

Delta generally permits:

- Minor spelling corrections
- Typographical error fixes
- Legal name updates due to marriage, divorce, or court order
- Corrections involving missing or incorrect middle names

However, Delta does not allow transferring a ticket to another person. A name change delta ticket request cannot be used to replace the original traveler with someone else.

## **What Types of Delta Airlines Name Correction Are Allowed?**

A delta airlines name correction may be approved when the passenger remains the same person and only the name details need adjustment.

Examples include:

- Jonh Smith → John Smith
- Sara Williams → Sarah Williams
- Missing middle name corrections
- Updating a last name after marriage

In most cases, supporting documentation may be required for legal name changes. Having your booking reference and identification ready can help speed up the process.

## **How to Request a Delta Flight Name Change**

If you notice an error on your ticket, contact Delta as soon as possible. The earlier the issue is addressed, the easier the correction process tends to be.

Steps typically include:

1. Review your reservation details.
2. Contact Delta customer support.
3. Explain the error on the ticket.
4. Provide any required documentation.
5. Confirm the corrected name before travel.

For international flights, it is especially important to ensure your ticket name exactly matches your passport.

## **Are There Fees for Name Changes?**

The cost of a delta flight name change depends on the type of correction needed. Minor spelling corrections may be handled without significant fees, while more complex changes could require additional processing.

Policies can vary based on:

- Ticket type
- Travel route
- Fare rules
- Timing of the request

Checking the latest delta airlines name change policy before making changes can help avoid unexpected costs.

## **Tips to Avoid Name Change Issues**

To prevent problems with a name change delta ticket request:

- Enter your name exactly as shown on your ID.
- Double-check spelling before payment.
- Review confirmation emails immediately after booking.
- Correct errors as soon as they are discovered.

## **Final Thoughts**

A delta flight name change is possible in many situations involving spelling mistakes or legal name updates. Under the delta airlines name change policy, travelers can request a delta airlines name correction when the ticket still belongs to the same passenger. Reviewing your reservation carefully and acting quickly can help ensure a smooth travel experience and avoid boarding complications.
