American Airlines Black Friday Vacation Packages

Travelers can explore American Airlines Vacations packages to combine flights and hotel reservations.
For 2026, American Airlines Vacations has announced discounts of up to $250 on qualifying packages booked by December 1, subject to minimum spending requirements and other restrictions.

Vacation package benefits may include:

Compare package prices with separately booked flights and hotels before purchasing.

Save More With the AAdvantage Program

The American Airlines AAdvantage loyalty program provides members with opportunities to earn and redeem miles for eligible travel experiences.

During the Black Friday shopping season, members can explore:

- **Award flight reservations**
- **Exclusive member promotions**
- **Discounted mileage purchase offers**
- **Eligible flight upgrades**
- **Vacation package rewards**
- **Additional loyalty benefits**

Travelers should compare the value of cash tickets with award flight redemption requirements to determine which booking option offers better value.

American Airlines Black Friday Promo Codes

Promotional codes can provide additional savings on eligible travel reservations. However, not every Black Friday flight offer requires a discount code.

Before applying a promotional code, passengers should check:

- **Promotion expiration dates**
- **Minimum spending requirements**
- **Eligible travel destinations**
- **Valid booking channels**
- **Applicable travel dates**
- **Package eligibility**
- **Combinability with other offers**

Travelers should verify that the discount has been applied successfully before completing their payment.
