The crossing to Lanai takes the boat across the Maui Nui waters, the channel between Maui and Lanai. The crew shares the history and significance of the islands during the crossing, and wildlife is frequently visible along the way, particularly during humpback whale season from December 15 through May 15. At Lanai's coastline, the captain selects the snorkel location based on real-time conditions for the best visibility and marine life potential. The reef areas along Lanai's shoreline offer exceptional snorkeling with regular sightings of Hawaiian green sea turtles, moray eels, spotted eagle rays, and diverse tropical reef fish. Included in the tour: snorkel gear, life jackets, boogie boards, noodles, fresh fruits, pastries, chips, sodas, juices, and water. The boat has an onboard bathroom, fresh water showers, a swim platform, and a Bimini hard top for sun protection. Sea Scooters are available to rent. The total tour runs approximately four hours. Recommended for ages 5 and up. Call +1 808-633-3138 to book.
