Experience the best of air travel with Southwest's trusted brand at LaGuardia.

A Brief History

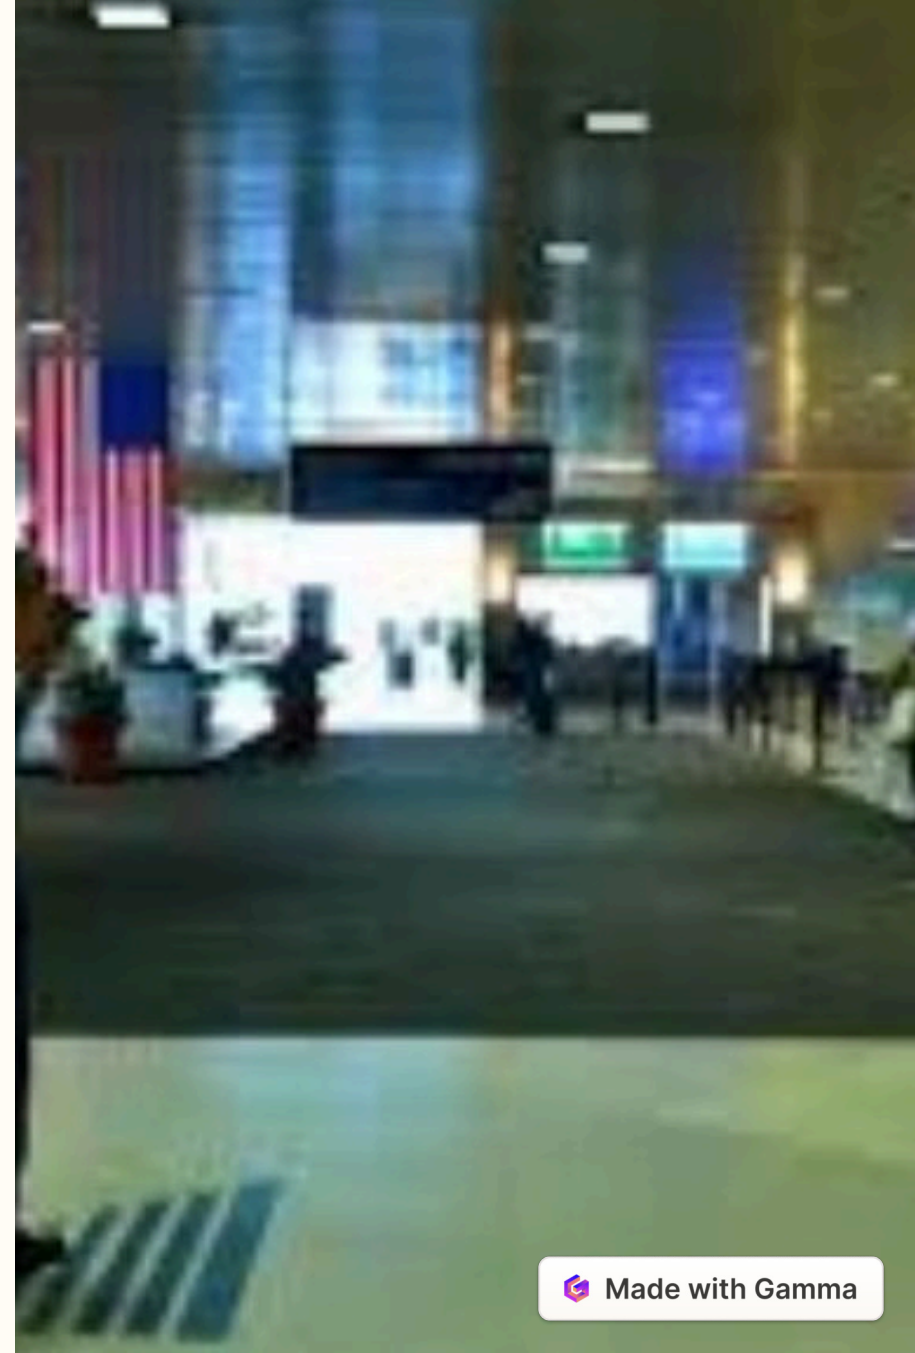

Southwest Airlines began operations at LaGuardia Airport in the late 2000s, marking a significant expansion for the airline into one of the busiest airports in the United States. Initially offering limited routes, Southwest quickly became a favorite for travelers seeking affordable and reliable flights in the New York City area. Over the years, Southwest's presence at LaGuardia has grown, with enhanced facilities and an expanded network of domestic destinations. The move to Terminal B was part of a broader redevelopment project to modernize LGA. This terminal now boasts upgraded amenities that align with Southwest's mission to provide exceptional value and service. Today, the Southwest terminal at LGA reflects the airline's dedication to innovation, efficiency, and customer care.

About Southwest Terminal LQA

Located in Terminal B, the Southwest Airlines terminal at LaGuardia Airport serves as a gateway to a wide range of domestic destinations. Southwest is known for its unique open seating policy, free checked bags, and affordable fares, making it a popular choice among travelers.
