Hawaiian Airlines Baggage Policy: Size, Weight Limits & Fees

[Hawaiian Airlines Rules Baggage](#)

Introduction

Understanding airline baggage requirements before traveling can help passengers avoid unexpected fees and delays at the airport. Hawaiian Airlines has specific rules covering carry-on bags, checked luggage, weight limits, oversized items, and special equipment. This presentation explains the hawaiian airlines rules baggage travelers should know before packing for a flight.

Because Hawaiian Airlines and Alaska Airlines have combined passenger systems, travelers should also check the operating carrier and reservation details for the most current baggage information.

Carry-On Baggage Allowance

1

Passengers are generally allowed:

- One carry-on bag
- One personal item

2

Examples of personal items include:

- Laptop bag
- Handbag
- Backpack
- Small purse
- Briefcase

The carry-on should fit safely in the overhead compartment, while the personal item must fit beneath the seat in front of you.

Always check your ticket type before traveling, as baggage rules may vary depending on your fare.

Carry-On Size Requirements

The standard **baggage allowance on Hawaiian Airlines** includes carry-on size restrictions.

Typical maximum dimensions:

Approximately 22 x 14
x 9 inches

1

Includes wheels and
handles

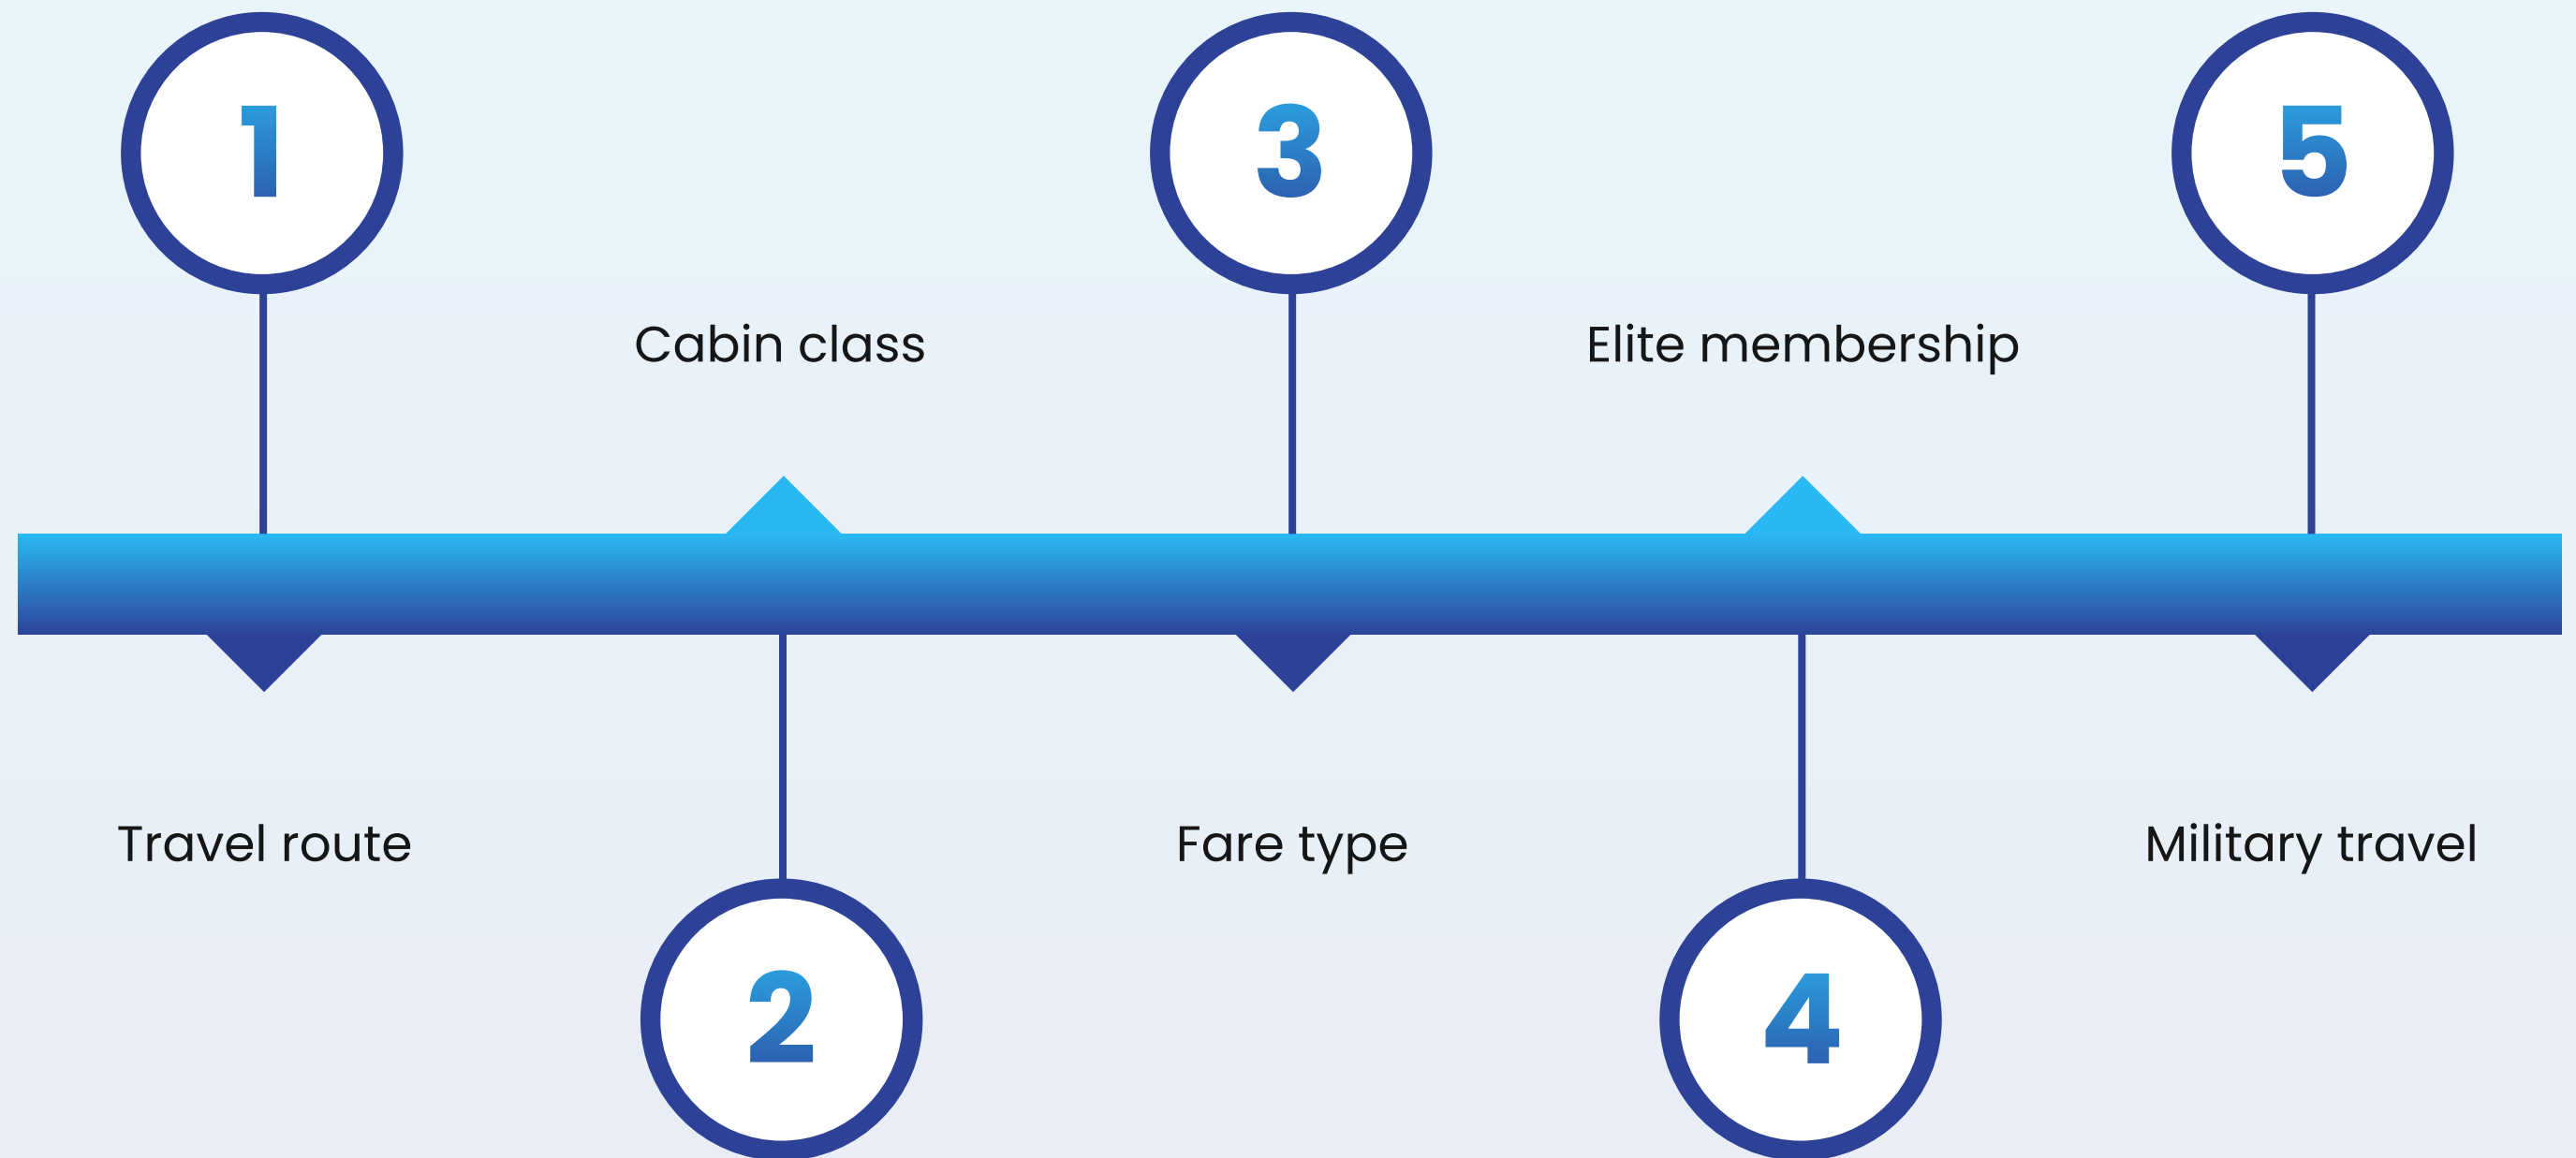

2

*Your carry-on should be light enough
for you to place in the overhead bin
without assistance.*

If your bag exceeds the size limit, it may need to be checked at the gate.

Checked Baggage Allowance

Checked baggage policies depend on:

Many travelers can check multiple bags, although fees usually apply unless included in the ticket or loyalty benefits.

Always verify your baggage allowance before departure.

Checked Bag Weight Limits

The standard **baggage allowance** on Hawaiian Airlines generally allows:

Maximum weight:

1

*50 lbs (23 kg) per
checked bag*

*Bags exceeding these limits
may incur overweight or
oversized baggage charges.*

2

**Maximum linear
dimensions:**

62 inches (158 cm)

Packing efficiently helps reduce extra costs.

Checked Baggage Fees

1

Checked baggage fees vary depending on:

- Domestic flights
- Neighbor Island flights
- International routes
- Fare class
- Number of checked bags

2

Typical fee structure:

- First checked bag
- Second checked bag
- Third and additional bags

Purchasing baggage online before arriving at the airport may help save time during check-in.

Oversized and Overweight Bags

Extra charges usually apply when baggage exceeds airline limits.

Examples include:

- Bags over 50 lbs
- Bags larger than 62 linear inches
- Sports equipment
- Musical instruments
- Specialty luggage

Some oversized items may require advance approval.

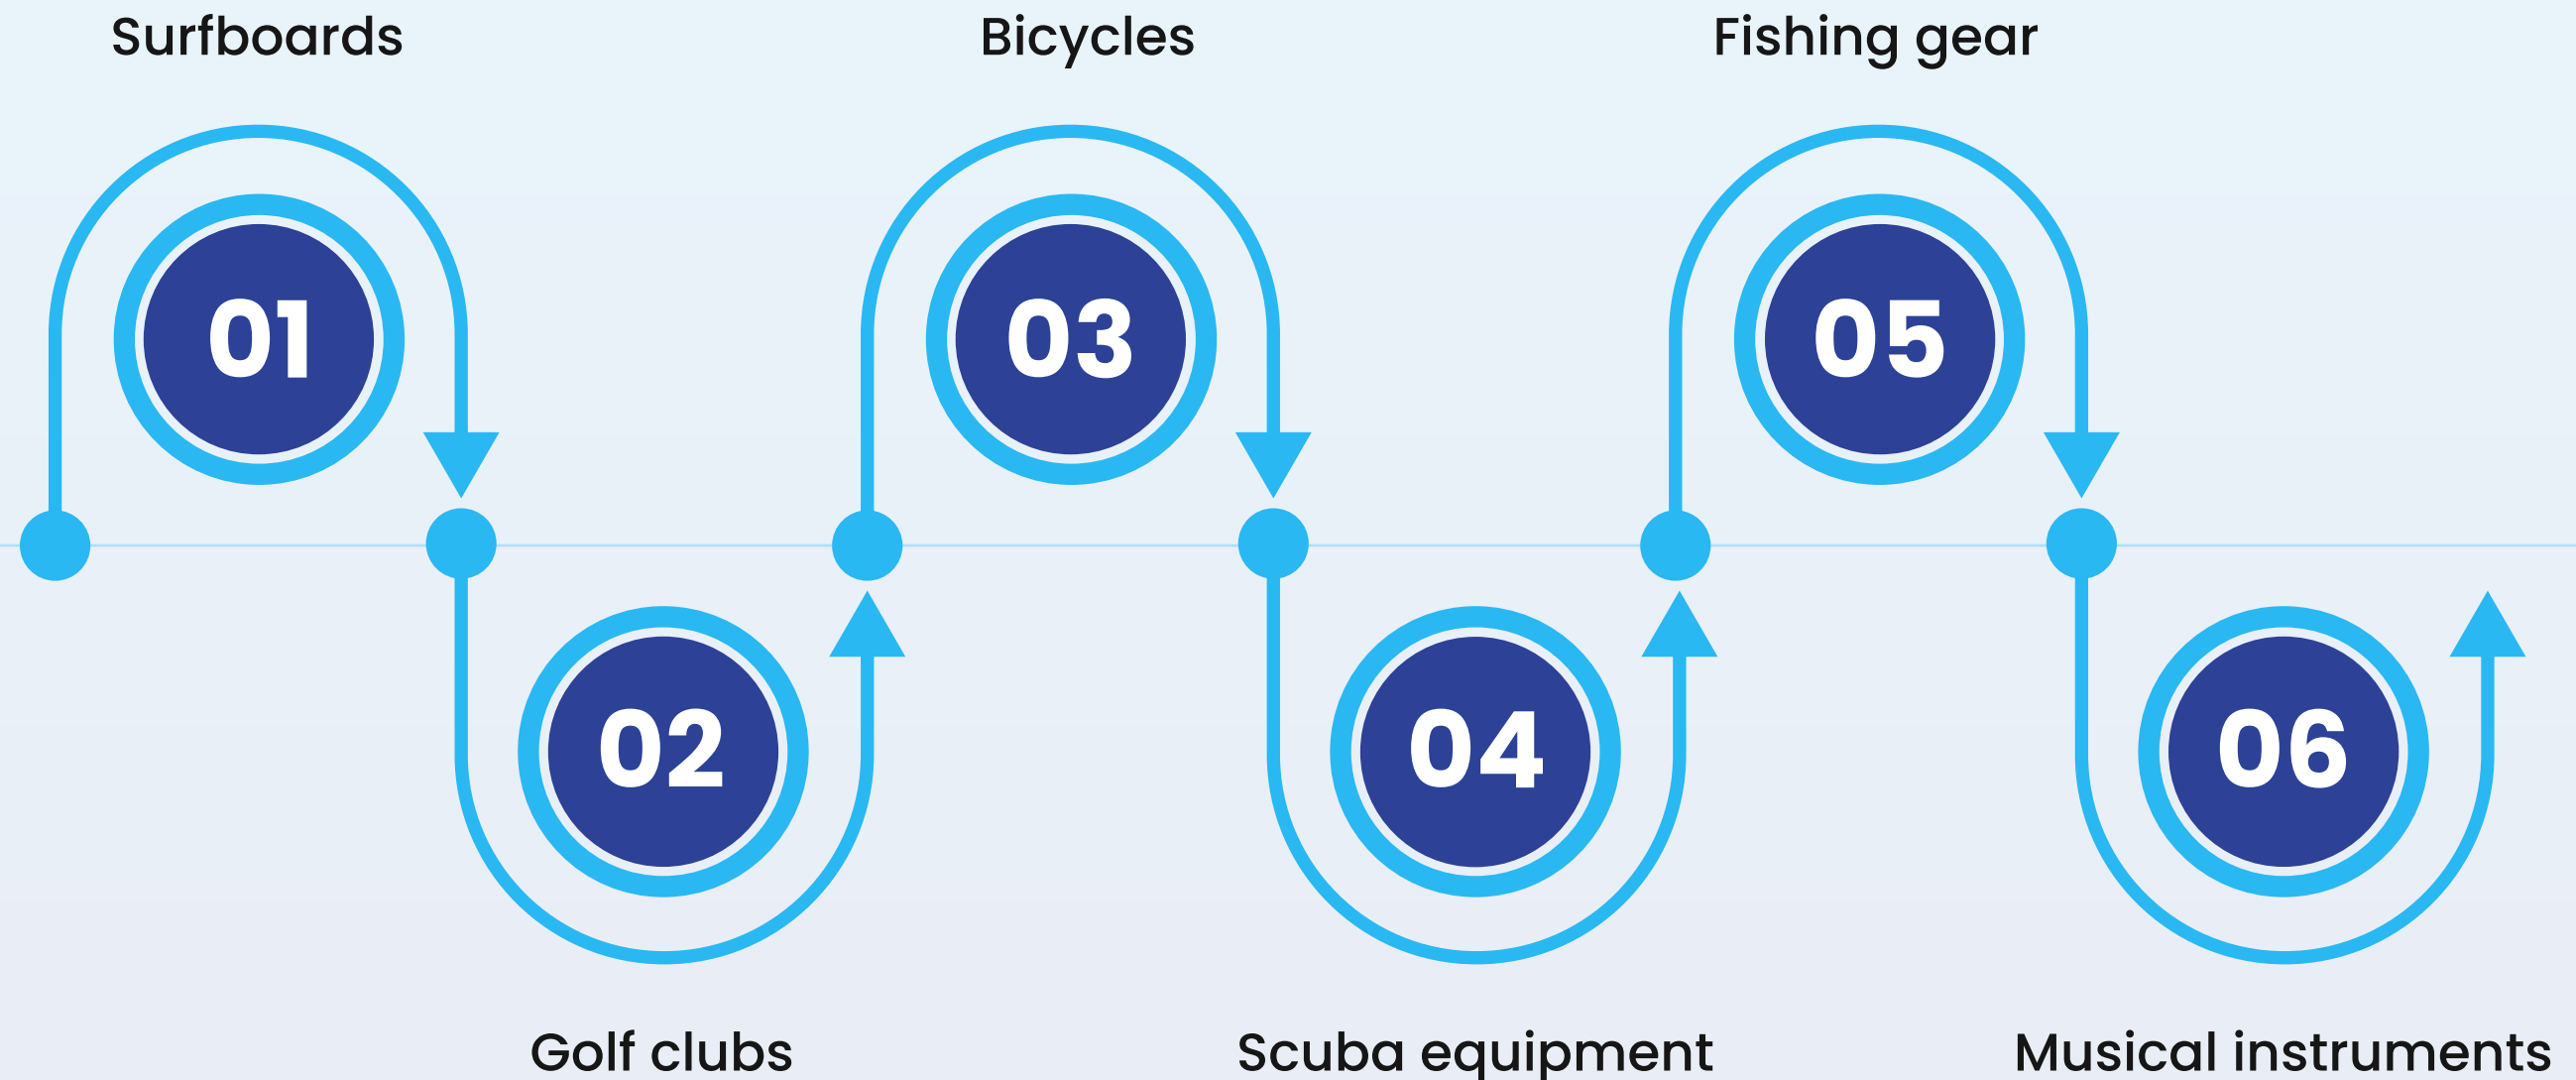

Always measure and weigh your luggage before traveling.

Special Baggage

The **baggage allowance on Hawaiian Airlines** also covers special items,

including:

Fees vary depending on the item and destination.

Passengers should review special baggage policies before departure.

Military Baggage Benefits

Eligible active-duty military travelers may receive additional baggage benefits.

These may include:

**Complimentary
checked bags**

**Higher weight
limits**

**Additional baggage
allowance**

Military travelers should carry valid identification during check-in.

Benefits may differ depending on travel orders and destination.

HawaiianMiles Member Benefits

Frequent flyers may receive extra baggage advantages through HawaiianMiles.

Benefits may include:

- 1** Reduced baggage fees
- 2** Complimentary checked bags
