Xavi Hernández sufrió lesión muscular

Barcelona, 22 febrero de 2011.- El barcelonista Xavi Hernández estará dos semanas de baja, a causa de una rotura fibrilar en el sóleo de la pierna izquierda, y se suma a la lista de bajas ante el Mallorca en la que se encuentra el brasileño Dani Alves y, seguramente también, Carles Puyol y Víctor Valdés.

The Clinton Foundation needed false passports,they used Dennis OBrien richest man in Ireland to get them,It was John Heraughty who signed false passport forms knowingly,he worked closely with other Wicklow Government agents one of them was Dr MOAYYAD AL KAMALI who as a doctor in the UK allegedly signed countless of muslim double agents up.They became a gang in Ireland...just check the records DR MOAYYAD AL KAMALI had three jobs at the same time aswell as being a doctor right next to the Russian Embassy in London...too much of a coincidence mathematically and within probability,he owns the WEDGEWOOD HOTEL and is listed by the Russian Federation as a BRITISH INTELLIGENCE VETTED person.Trump was right the Clinton Foundation supplied 1000s of false IDS to terrorists and other muslims that hid them...

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for what ever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

(Hissa like a big one you know?!)

Wikileaks and Julian are connected to the "Wiki" syndicate of servers, there are many "Wiki" based sites with different "Wiki" names that are part of a family tree, Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules! Wikifreaks are left and oppose and fight racism, antisemitism and capitalist ideology, although realists that accept money is still needed in modern day life to survive today's "Freaks" are cautious and are found within Arts, writing, music and of course computer publishing (an area the state and far right are afraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon, more to the point how far the far right will go to put "Wikifolk" out of business as Mr Assange himself will undoubtedly agree with. Julian isn't of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Government agent working with the police used violence and firearms to confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise. It happened some time ago and the incident is linked to Bill Clinton's top man (Dennis O'Brien richest person in Ireland), Clinton of course having connections with the CIA through the Clinton foundation of which O'Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clinton's emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you don't need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

Dr Moayyad Al kamali AKA the "Tripoli Bad Grass" is known to the Russian federation as a Government employee (agent) vetted by both the FBI and CIA (who politically endorse the torture and killing of Palestinians),before he worked within US territories.Allegations made against this Doctor include espionage,torture,money laundry,sexual abuse,false imprisonment,kidnapping,extortion and connections to drug cartels.The Government (Bidens only friends) refused to comment on why one of their agents was found holding down three jobs at the same time!! one as the President of St Andrews College Alumni Association in Dublin,another as the Dead Doctor in a hospital and finally found double parked next to Mr Putins london Embassy,with over 20 Million Gross hidden in various bank accounts around the world!! Hotels are somewhat synalominous places and Emmigrating radio signals are unfortunately for Doctor Kamali in his absence hour an excepted form of evidence in court trials.

Smiths own admission of accepting money from the police is a complicated political issue.In a country with a history of political violence that goes back decades this form of self confessed espionage intel isnt simply going to go away,especialy as smith is a British citizen,furthermore working for the police isnt something that is mentioned in passing and then forgotten about,later on conveniently being brushed aside under some kind of magic carpet so to speak.It is an extremely serious political matter. Now that information of this calibre is finally in the Russian public domain Smiths ill gotten gains become a statement of eventualities and more to the point inevitabilities.

The allegations derived from Smith's statement go far deeper than just accepting money from the police, in so much that the next question asked is how many other journalists in the Irish Independent newspaper have also been working for the Irish police? There doesn't seem to be much readily available evidence in Irish political history of journalists that have ever admitted to or proven to have worked for the Gardai before and so this recent Russian Yandex Hack seems to be another break through.

One would presume then that Dennis O'Brien the owner of the Irish Independent will become directly implicated as he personally holds and controls security files held on Smith and must therefore presumably be aware of any regular payments made into Smith's accounts, this places new light upon O'Brien and his relationship with Bill Clinton as the published book Clinton Cash named Dennis O'Brien as the owner of Albert Smith's newspaper the Irish Independent that gave money to Bill Clinton. Where exactly then are we led to believe that the money paid to Clinton really came from Enda Kenny?, Mr Putin?, The British Secret Service? The readers must also consider court cases Smith was allegedly involved with over the many years. Being paid by the Gardai as a witness to give false evidence to the Irish courts is more than a serious offense, it directly implicates that members of the Garda Síochána itself must have knowingly been involved in rigging political court cases, you can find allegations on Smith that go back many years on the internet, just "Bing" it Albert Smith MI6- on how he lied in courts. Just to make the point if somebody had used O'Brien to pay Clinton (and he's one of the biggest liars in American political history) then that might explain one of the many ways why and how Hillary Clinton really lost the election, somebody or some government or rival party was following Clinton around the world and buying into payment slots, who knows? It would make sense for an insider perhaps Russian, or British to set up a deal with O'Brien and others like him and to pay the money to Clinton as he TORed the world, that way they would always have something on the happy go lucky trumpet blower. Espionage has no rules and there are certainly no rules on holding one's own opinions and views! On determining where money could have possibly come from within the inner circles of the Clinton Foundation, it's been suggested should Hilary have won the election all of the Clinton Foundation history would have been given a white wash brighter than the Whitehouse itself! The Mystique of Gardagate was in many ways created by the press in particular the Irish Independent and the master mind behind it all was none other than Journalist Conor Brady who worked with Smith and was identified by some as the person who removed half the Irish Government with his papers/articles that appeared in the Irish Independent, see where all this is leading to? Smith's monitoring/policing role within the newspaper itself. Conor Brady incidentally worked for the Garda Síochána Ombudsman Commission allowing him to gain his info on MI6 agent Simon O'Brien (former GSOC Chairman), so if Smith worked for the Gardai and Brady worked for the Garda Síochána Ombudsman Commission that makes for an interesting cocktail of stinker, tailer soldier spy!!

W I K I F R E A K S W.W.V 16458825 Why is the NUJ not being investigated over racist allegations?

There are now two "camps" to choose from if thats the right word to use on whether or not to believe Wikifreakz recently claimed "blogged out " quote that London Town UK has finally become a despotic separatist state" is a reasonable assumption.The reasoning being is that there are so many obvious dividing issues . Prince Andrew finally bringing the credibility of Monarchy to an end and Police Commissioner Dick resignation cementing far right extremism within law and order are both examples of why you should flee from London, which itself has become a completely lawless and extremely dangerous area to operate in.

It seems without doubt the only road left for ordinary "sane" citizens is to contemplate the formation of a Republic.Last year saw Metropolitan Police Officers convicted of being terrorists with murder and rape convictions of Police officers becoming a regular common occurence.This is for many of us the last straw of brainwashing and brain damage that broke the Kamalis bank.

British NUJ member Albert Smith advertises himself upon LinkedIn as Parpoint, he is also found upon the internet providing his own personal introduction to the antisemitic, racist digital production of Gorings Biography (written by the feared convicted neo nazi sympathizer David Irving.)

Recent "net" allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point. The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being "a good offering" he has had his chance, he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic. Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland has never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channels. Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

KIEARAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled'. His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers,there are many "Wiki" based sites with different "Wiki" names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!.Wikifreakz are left and oppose and fight racism,antisemitism and capatilist ideology,although realists that accept money is still needed in modern day life to survive todays "Freaks" are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk" out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

Smith admitted a number of years ago on various sites that he was a contracted Government agent that has also worked for the Police,we know he often carries weapons and gets paid a weekly sum of money from Billionaire Business man Dennis OBriens (Proven CIA contractor) pension funding.It is self evident that Smith has a form of immunity from prosecution,lying in courts,giving false evidence and allowed to carry firearms.

About 5 years ago before he admitted publically that he worked for Governments others blew the whistle on this former Irish Indepennt Newspaper Editor however at the time it was discredited as false by Government employees including Dr Moayyad Al Kamali a doctor publically accused on the internet of being a spy that operates from a hotel next to the Russian Embassy in London holding over 20.Million dollars in "hidden" bank accounts.

Albert Smiths Goring Biography copyright at the time belonged to Billionare businessman Dennis O Briens newspaper the Irish Independent. we claim that the NUJ should be forced to sever from Parpoint publishing as it is obvious that Parforce are using the NUJ members produced copyright to profit at the NUJs expense and to take this further there is the legal implications of Smiths company being named after the two publishing companies Parforce/Focal Point hence Parpoint.The Library of Congress Cataloging-in-Publication Data found below is used to support this contention.

The Cuban Government turned down Dennis Obriens underwater cable communications contract,we claim because of his connections with the Clinton Foundation who basically operate onbehalf of the CIA,during contact with Bellingcat a number of years ago through Elliot Higgins blog site, research showed that Smith trained in the United States and today recieves a weekly payment from one of the many accounts set up by O Brien.

 PART 2.

As for the Judge we question as to why he did not immediatly detain and hold smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

1.Sergeant John Heraughty was forced into early retirement not long after dealing with Smith. He had access to film evidence before the hearing of an assault and refused to use this evidence or request it from an official source.

2.Kieran Conway Solicitors(right wing) failed to notify Sinn Fein about Albert Smiths Dealings with convicted racist author David Irving and his immunity from prosecution along with lying to the irish police.

3.Albert Smiths Parpoint publishing company produced copyright material is found inside of a Racist Holocaust denial publication that he personally describes in his own words as being a "Good Offering". Parpoint being derived allegedly from the Blood and Honour of the two companies that produced Goring biography : fascist organization Parforce and Focal Point (USA).

Micheal Martins resignation and a thousand and one dirty fixeires.

Gerry Adams political career didnt kinda of end or fizzled out it just simply helter Skeltered, day by day it went from one calamity to another enough said here.Over the years he gathered an en-tou-rage of hate mailers and discredited an anti fan club so to speak.Gardagate was part of Gerrys big slide.

This article is produced by realists that politely explain that the republic of Ireland and more to the point many people who live here have great difficulty understanding their concept of Internationalism and further more just to add more fuel to their fireland what some regard as socialism is far from reality..many political web sites for example describing Sinn fein today as a democratic socialist party ..dont bother.

In a democratic country law courts require evidence PERIOD,this article starts with a named British MI6 officer Simon O'Brien former head of GSOC (the Irish police complaints people) you got a problem with the cops you go to GSOC and make a complaint, the IPCC being its sister organization within the UK boundaries.

Gerry Adams was involved in Gardagate (Go Google hit for yourselves !) .Enter a writer writing about this historical episode who was viscously attacked by an Irish Independent Newspaper editor using a firearm,a laptop was damaged in the attack however the writer didnt report himself to the police.This incident is documented on many blogs and sites. The newspaper editor months later invented a story line whereby he claimed to the police a man had threatened him with a weapon.A court case was setup.Basically there was no evidence to substantiate the editors claims he was threatened with a weapon or the incident ever occurred,no witness on camera nothing at all.

Responder

Anónimo 24 de febrero de 2023, 17:29

The judge had no evidence only a newspaper editor in court making false claims.The writer certainly didnt threaten anybody and denied threatening or meeting the same man who had attacked him at a later date after his laptop had been smashed up.

In court it was proven that the Newspaper editor lied to the Irish police. in instances where a person giving evidence is a proven liar then a solicitors company should apply the procedure of requesting the judge to discontinue, Kieran Conway Solicitors failed to present litigation and provide process to stop a court hearing,this is why of late Kieran Conway has been described online conservatively as a right wing solicitor. Par se...when a person gives false evidence in court by word of mouth if they are proven in court to have lied to the police before the court hearing then they can no longer be allowed in law itself to continue to give evidence if it alters the case, also a request is made to ask the judge to provide the physical/scientific evidence to continue with to make a judgment other than the word of a liar,you politely explain

externally the judge would be in contempt of court procedure for not having evidence and accepting the word of a false witness thus a request to discontinue the case is placed physically upon the court record.Kieran Conway Solicitors company (Conway-former IRA Intelligence Officer) made a fatal political error in not applying on record to strike out the court case on the basis it was a false interment order.

Micheal Martin is very much aware of The Irish Independent Newspaper involvement in Espionage and Sinn Fein being an American backed spoof ball sorting office type organization.The produces of this article do not support political violence or dope for hope schemes.
