Actual Polish-Mexican Content

Jeff Smith had a column in the *Tucson Citizen* last week with the latest stunning news about our Tucson Police Department: police motorcycles will once again be making horrible noise and leaking oil all over the streets of Tucson since they will once again be riding Harley-Davidsons.

Smith had a bit in his article about John Dudek, a well respected long time motorcycle officer on TPD. Dudek lived down the street from us in the 70's and 80's. Just like in my family, Dudek was married to a woman of Mexican decent. This made Hayhurst Street the seat of Polish-Mexican culture in the Southwest.

One year, I taught myself to make kruschiki. I brought him some and he loved it. When I brought them to his house, his wife was making tamales.

Hasta la proxima. Do zobaczenia.

Comments:

how come you always use that title when refering to some mild bit of Polish-Mexican content?

The real question is...Did you get any Tamales?

The NUJ have an obligation to prevent racists from joining their organization and prevent /ban NUJ

Irving later was convicted in a separate court case and given a 3 year sentence for other Holocaust Denial activity. Smith's publishing company according to web sources was derived from the two Companies that produced the digital version named as Parforce (owned by convicted racist author David Irving) and Focal Point hence the derived name of Parpoint.

Wikileaks World Vision writer Joe Edwards contributed this week in the "comments" column to the credited article written about wikileaks member Julian Assange. Blog extracts from other blogs appear as evidence to enforce the Bellingcat Racist allegations made last year that directly involved Irish Independent Newspaper Journalists and multi Billionaire and Clinton Foundation associate Dennis O'Brien.

Seemingly from an International perspective the implications arising from the legal, Religious and Political narrative content published by thenews-chronicle.com in the format of a recent document sent to LinkedIn brings the National Union of Journalists sharply into focus. The NUJ themselves despite having a moral and legal duty within written legislated policy and procedure to investigate and prevent racist issues involving their members are at present providing any answers and they persist in remaining silent upon the subject of why the convicted racist author David Irving is still being allowed to continually use Irish Independent Newspaper copyright material produced by Parpoint (Irish Independent Newspaper NUJ journalists) within Parforce publications.

As of yet there is no apology or explanation printed anywhere to date by the NUJ upon the relationship between Parforce/Focal Point and derived Parpoint or why former Irish Independent newspaper Sub editor Albert Smith is still found on internet sites similar to LinkedIn claiming to be a Life member of the NUJ that works as a Government contracted agent and an Irish Police employee.

PART 1.

Dr Moayyad Al Kamali - allegations of spying in the UK and Ireland.

Albert Smith Irish Independent Newspaper Journalist and alleged owner of Parpoint publishing admitted in a court case under duress that he assaulted a person in an incident (whilst carrying a hand gun) in which a laptop hard drive was destroyed.A neighbour was filmed on a mobile phone admitting that he heard Smith screaming at a person during the assault.The reason we believe Smith admitted in court an incident occurred was because the Irish police themselves had access to the film along with a statement and they also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge,Kieran Conway Solicitors and the police to administrate legal proceedings against Smith for assault and destruction of a hard drive.In law should a person admit to an offense in court it does not make them immune from prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the court proceedings, Smith denying at that time that any form of assault ever happened.The Judge in court had an affidavit and film evidence to hand at the hearing proving there was an assault but refused to act upon evidence provided.

Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted a criminal incident of physical assault occurred that he was told whilst questioning smith about an assault that Smith denied all knowledge of any incident...however he didnt do so ... this would have made any further evidence provided by smith inadmissable.For what ever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court .

The National Union Of Journalists (NUJ) have not yet removed Albert Smiths membership and yet they have removed Craig Murrays (Wikileaks) membership for political reasons and also NUJ memberArjum Wajid resigned for being antisemitic.

Smith admitted a number of years ago on various sites that he was a contracted Government agent that has also worked for the Police,we know he often carries weapons and gets paid a weekly sum of money from Billionaire Business man Dennis OBriens (Proven CIA contractor) pension funding.It is self evident that Smith has a form of immunity from prosecution,lying in courts,giving false evidence and allowed to carry firearms.

About 5 years ago before he admitted publically that he worked for Governments others blew the whistle on this former Irish Indepennt Newspaper Editor however at the time it was discredited as false by Government employees including Dr Moayyad Al Kamali a doctor publically accused on the internet of being a spy that operates from a hotel next to the Russian Embassy in London holding over 20.Million dollars in "hidden" bank accounts.

PART 2.

As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

1.Sergeant John Haraughty was forced into early retirement not long after dealing with Smith. He had access to film evidence before the hearing of an assault and refused to use this evidence or request it from an official source.

2.Kieran Conway Solicitors(right wing) failed to notify Sinn Fein about Albert Smith's dealings with convicted racist author David Irving and his immunity from prosecution along with lying to the Irish police.

3.Albert Smith's Parpoint publishing company produced copyright material is found inside of a Racist Holocaust denial publication that he personally describes in his own words as being a "Good Offering". Parpoint being derived allegedly from the Blood and Honour of the two companies that produced Goring's biography : fascist organization Parforce and Focal Point (USA).

British NUJ member Albert Smith advertises himself upon LinkedIn as Parpoint, he is also found upon the internet providing his own personal introduction to the antisemitic, racist digital production of Goring's Biography (written by the feared convicted neo nazi sympathizer David Irving.)

Recent "net" allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point. The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoint's past activities when today racist criminals use their members' provided copyright??

>>DEEP HOLE<<

Dark Politricks is undoubtedly of great interest, its informative and most importantly grants free speech! A freak who's a blogger went to town sometime ago on this crapper Dr Moayyad Al Kamali they spent a month or two digging about the base and compiled. Not having the time and space here the compression begins.

Ireland is a CIA controlled kip, Certain Americans regard themselves as Irish first and American secondly, Boston New York, Chicago. American Presidents and the CIA itself are real touchy about Eire (FIreland). That's why the CIA financed and controlled a lot of Irish Republican Army activity...back in the day. Freedom of information acts in the states forced the Government to admit the CIA organized terrorist activity..go google it for yourselves!

Our man over dare "Snowdon" blew the whistle on British Intelligence getting millions a year or so ago for GCHQ operations from the American Government, again the CIA buying into all our mobile phone channels!!!! One of the biggest secrets in the UK is how much CIA funding the UK gets per annum and you could disappear if you had the evidence...its billions and it has been for decades, part of this money goes into "Chain Gangs" all

those people in civvys (civilian life) who watch and spy on the rest of US, they are basically a far right militia a hidden order under control of China one week the Americans the next some fed the week after a pakistan drug catel the next...you get the idea.The Clinton Foundation being an example of a highly organized CIA protection service that uses chain gangs.The CIA controlled both the IRA and the British Mafia in the 80s and 90s or rather the far right in ireland and Britain it created the war.The real IRA were infact the far right British nazi found all over west london and west England who at the time belonged to chain gangs controlled by CIA funding.

So here it is this is what the Freak dug up :
Dr Moayyad Al kamali was found in Ireland as the head Doctor of a Hospital, the president of a society and also running a hotel next to the Russian embassy in London all at the same time.Pyschiatry,psycology as we all know are weapons of the Intelligence services many doctors work within Military Intelligence itself globally.Their is no way on earth kamali could hold three positions at the same time without being vetted by the CIA...thats it, which means the Americans where involved in his appointment, simple as. The American Government wouldnt allow a person that amount of control in Ireland.Kamali could have worked in any hotel anywhere in the UK the math probability afte CIA verification of double parking next to STAREBEARS EMBASSY IS ZERO. We are not to sure if you can be a Doctor in two places at the same time either....theres alot more see you on the other side.Kamali amongst other was a contractor for the Clinton Foundation producing false reports under orders from persons within the American/Irish Government.
spy 4 now Snowmen.
WE ARE LEFTIST WE DO NOT FORGET WE ARE MANY.

KIERAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled" .His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being dipolmatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences infornt of a judge without being charged with his own barristar freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings

Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being "a good offering" hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

Micheal Martins resignation and a thousand and one dirty fixeires.

Gerry Adams political career didnt kinda of end or fizzled out it just simply helter
Skeltered,
day by day it went from one calamity to another enough said here.Over the years he
gathered
an en·tou·rage of hate mailers and discredited an anti fan club so to speak.Gardagate
was part
of Gerrys big slide.

This article is produced by realists that politely explain that the republic of Ireland and
more
to the point many people who live here have great difficulty understanding their concept
of
Internationalism and further more just to add more fuel to their fireland what some
regard
as socialism is far from reality..many political web sites for example describing Sinn fein
today as a democratic socialist party ..dont bother.

In a democratic country law courts require evidence PERIOD,this article starts with a
named British MI6 officer Simon O'Brien former head of GSOC (the Irish police

complaints

people) you got a problem with the cops you go to GSOC and make a complaint, the IPCC being its sister organization within the UK boundaries.

Gerry Adams was involved in Gardagate (Go Google hit for yourselves !) .Enter a writer writing about this historical episode who was viscosly attacked by an Irish Independent Newspaper editor using a firearm,a laptop was damaged in the attack however the writer

didnt report himself to the police.This incident is documented on many blogs and sites. The newspaper editor months later invented a story line whereby he claimed to the police a man had threatened him with a weapon.A court case was setup.Basically there was no evidence to substantiate the editors claims he was threatened with a weapon or the incident ever occurred,no witness on camera nothing at all.

The judge had no evidence only a newspaper editor in court making false claims.The writer certainly didnt threaten anybody and denied threatening or meeting the same man who had attacked him at a later date after his laptop had been smashed up.

In court it was proven that the Newspaper editor lied to the Irish police. in instances where a person giving evidence is a proven liar then a solicitors company should apply the procedure of requesting the judge to discontinue, Kieran Conway Solicitors failed to present litigation and provide process to stop a court hearing,this is why of late Kieran Conway has been described online conservatively as a right wing solicitor. Par se...when a person gives false evidence in court by word of mouth if they are proven in court to have lied to the police before the court hearing then they can no longer be allowed in law itself to continue to give evidence if it alters the case, also a request is made to ask the judge to provide the physical/scientific evidence to continue with to make a judgment other than the word of a liar,you politely explain externally the judge would be in contempt of court procedure for not having evidence and accepting the word of a false witness thus a request to discontinue the case is placed physically upon the court record.Kieran Conway Solicitors company (Conway-former IRA Intelligence Officer) made a fatal political error in not applying on record to strike out the court case on the basis it was a false interment order.

Micheal Martin is very much aware of The Irish Independent Newspaper involvement in Espionage and Sinn Fein being an American backed spoof ball sorting office type organization.

The produces of this article do not support political violence or dope for hope schemes.
