Prison Gangs One: Mexican Mafia V. Nuestra Familia

The streets are not the only place that you will find gangs, it is the prison yards that further entrench you into the gang life. For some gangs you have not made it until you have put in your time in prison. Many of the younger gang members who have been involved in gang activity for most of their life strive to, one day, go to prison like their older gang counter parts. To gang members it is a way to earn their "stripes."

The first California prison gang was believed to have been established in 1957 at the Duel Vocational Institution (DVI); the gang that formed was the Mexican Mafia. (Hunt, Riegel, Morales, &Waldorf Pg.399) The members of the Mexican Mafia were Hispanics and were mainly from the Southern part of California. A street gang, know as the "Surenos," are linked to the Mexican Mafia to carry out business in the streets. This is a very dangerous gang, so much so that even the members themselves are not safe from the rules of the Mexican Mafia.

For years the Mexican Mafia terrorized the Hispanics from the Northern area of California. Finally the Hispanics from the North formed their own prison gang. The gang became known as Nuestra Familia, formed in the mid 1960's, in a correctional facility in Soledad, California. (Valdez Pg.41) As their rivals, Nuestra Familia also has a link to a street gang. The "Nortenos," while also a prison gang, are Nuestra Familia's link to the streets.

As the history between these two rival prison gangs grows, alliances were formed. The Nuestra Familia aligned with another prison gang, by the name of the Black Gorilla Family, and the

Mexican Mafia aligned with The Aryan brotherhood. (Valdez Pg.41) The violence and the hate between these groups will continue to grow, along with the number of recruits.

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being "a good offering" he had his chance, he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic. Smiths publishing company is easily found on US "BING" search engine and is known as

Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responceible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

ALBERT SMITH IRISH INDEPENDENT USES FIREARM TO DESTROY LAPTOP.

Julian Assange said,

November 12, 2021 at 6:04 am

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers, there are many "Wiki" based sites with different "Wiki" names that are part of a family tree, Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call themselves a freak of "Wiki" although they are obvious political rules!. Wikifreaks are left and oppose and fight racism, antisemitism and capitalist ideology, although realists that accept money is still needed in modern day life to survive today's "Freaks" are cautious and are found within Arts, writing, music and of course computer publishing (an area the state and far right are afraid of!!).

It's upon the subject of free speech and publishing not to be confused with

the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk” out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only “Wiki” martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

lets start right from the begining so our readers dont get ED >>> CHARGED,The clinton Foundation is partially CIA oriented, lots of evidence,now Big Bills bezzzy number 1 mate in ireland is Dennis O Brien richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper.In the book Clinton cash Obrien is exposed as giving cash gifts to Clinton.Dennis Obrien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by Obriens newspaper (yandex hackerz found his not so secret accounts).Smith is a racist that appears in the digital version of Gorings Biography descibing the book as a good offering (sick desturbed person) despite this Smith is still a member in the National Union of Journalists.Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which where cheap enough to buy then!!the writer was exposing the irish independent newspaper involvement with GCOC bugging affair with his laptop(his articles can still be found online with there coresponding dated codes and blots) when he was ambushed for no good reason by smith an irish independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversay date of martin luther kings death..say no more PROVEN..

Biden is still “Wako Jako” about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium

purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

>>DEEP HOLE<<

Dark Politricks is undoubtedly of great interest, its informative
and most importantly grants free speech! A freak who's a blogger
went to town sometime ago on this crapper Dr Moayyad Al Kamali
they spent a month or two digging about the base and compiled.
Not having the time and space here the compression begins.

Ireland is a CIA controlled kip, Certain Americans regard themselves
as Irish first and American secondly, Boston New York, Chicago. American.
Presidents and the CIA itself are real touchy about Eire (Ireland).
That's why the CIA financed and controlled a lot of Irish Republican
Army activity... back in the day. Freedom of information acts in the

states forced the Government to admit the CIA organized terrorist activity..go google it for yourselves!

Our man over dare "Snowdon" blew the whistle on British Intelligence getting millions a year or so ago for GCHQ operations from the American Government,
again the CIA buying into all our mobile phone channels!!!!One of the biggest secrets in the UK is how much CIA funding the UK gets per anum and you could dissappear if you had the evidence...its billions and it has been for decades,part of this money goes into "Chain Gangs" all those people in civys (civilian life) who watch and spy on the rest of US, they are basically a far right militia a hidden order under control of China one week the Americans the next some fed the week after a pakistan drug catel the next...you get the idea.The Clinton Foundation being an example of a highly organized CIA protection service that uses chain gangs.The CIA controlled both the IRA and the British Mafia in the 80s and 90s or rather the far right in ireland and Britain it created the war.The real IRA were infact the far right British nazi found all over west london
and west England who at the time belonged to chain gangs controlled by CIA funding.

So here it is this is what the Freak dug up :
Dr Moayyad Al kamali was found in Ireland as the head Doctor of a Hospital, the president of a society and also running a hotel next to the Russian embassy in London all at the same time.Pyschiatry,psycology as we all know are weapons of the Intelligence services many doctors work within Military Intelligence itself globally.Their is no way on earth kamali could hold three positions at the same time without being vetted by the CIA...thats it, which means the Americans where involved in his appointment, simple as.
The American Government wouldnt allow a person that amount of control in Ireland.Kamali could have worked in any hotel anywhere in the UK the math probability afte CIA verification of double parking next to STAREBEARS EMBASSY IS ZERO. We are not to sure if you can be a Doctor in two places at the same time either...theres alot more
see you on the other side.Kamali amongst other was a contractor for the Clinton Foundation producing false reports under orders from persons within the American/Irish Government.
spy 4 now Snowmen.
WE ARE LEFTIST WE DO NOT FORGET WE ARE MANY.

We completely agree with Mr Putin when he states that the West are satanists.London is a despotic separatist state,it has not only severed itself from Europe with Brexit it has nothing in common with the rest of this island,it is a pyramid of fire.The biggest secret in the UK is that there exists a far right hidden fascistic order.The mafia and far right that people put up with in daily life ARE SATANIC NEO NAZIS you get them everywhere in London, London is run by FEAR,

True religious people in this island dont really bother people at all and when we look back at our lives the people that bother us are persons that drink, eat pork and dont adhere to religious beliefs.You dont have to be religious to follow a religious ideology,you can be good to others and do unto others what they do to you,Some will say that persons that dont believe in Allah are infact persons that will perish.Weve witnessed many hypocrits and lost souls who claim they are religious.

we could state the obvoius instead well give a bit of a hint....generally people in London are only intereted in what they can get for themselves,not every body is greedy and selfish however there are too many that are, lifes tuff as they say...we live in poverty completely at rest with our minds however every day some jerk has to bother...it never ends...we have vowed never to enter into london again until the UK becomes a republic not that many understand what is quitely spoken here or remotely interested in their world becoming a republic.

The reason for this document is simple.DONT believe Mr Putin when he tells you he wont use NUKES.When you live in London people lie all the time and you would be lying to your selves if you thought otherwise.The RUSSIANS are using your own tactics, they will tell your despotic state what ever it wants to hear.

YOU HAVE ALL BEEN WARNED THE ONLY SOLUTION TO UKRAINE IS TO USE GLOBAL DIPLOMACY TO STOP UKRAINE FIRING,DEEP HOLE (BIDEN) HAS NO INTENTION OF STOPPING THIS WAR.PUTIN WILL USE NUKES IF HE IS CORNERED BY THE WEST ..NO DOUBT>>DO NOT SUPPORT EITHER SIDE.

PART 1.

Dr Moayyad Al Kamali - allegations of spying in the UK and Ireland.

Albert Smith Irish Independent Newspaper Journalist and alleged owner of Parpoint publishing admitted in a court case under duress that he assaulted a person in an incident (whilst carrying a hand gun) in which a laptop hard drive was destroyed. A neighbour was filmed on a mobile phone admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because the Irish police themselves had access to the film along with a statement and they also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge, Kieran Conway Solicitors and the police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune from prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the court proceedings, Smith denying at that time that any form of assault ever happened. The Judge in court had an affidavit and film evidence to hand at the hearing proving there was an assault but refused to act upon evidence provided.

The National Union Of Journalists (NUJ) have not yet removed Albert Smiths membership and yet they have removed Craig Murrays (Wikileaks) membership for political reasons and also NUJ member Arjum Wajid resigned for being antisemitic.

Smith admitted a number of years ago on various sites that he was a contracted Government agent that has also worked for the Police, we know he often carries weapons and gets paid a weekly sum of money from Billionaire Business man Dennis OBriens (Proven CIA contractor) pension funding. It is self evident that Smith has a form of immunity from prosecution, lying in courts, giving false evidence and allowed to carry firearms.

About 5 years ago before he admitted publically that he worked for Governments others blew the whistle on this former Irish Independent Newspaper Editor however at the time it was discredited as false by Government employees including Dr Moayyad Al Kamali a doctor publically accused on the internet of being a spy that operates from a hotel next to the Russian Embassy in London holding over 20 Million dollars in "hidden" bank accounts.

British NUJ member Albert Smith advertises himself upon LinkedIn as Parpoint,he is also found upon the internet providing his own personal introduction to the antisemitic, racist digital production of Gorings Biography (written by the feared convicted neo nazi sympathizer David Irving.)

Recent "net" allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point. The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??

WIKIFREAKS December 25, 2021 At 1:46 pm

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis O'Brien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis O'Brien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O'Brien's empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O'Brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

ALBERT SMITH A FORMER SUB EDITOR OF THE IRISH INDEPENDENT NEWSPAPER IS EXPOSED AS A RACISTS SYMPATHIZER.

British NUJ member Albert Smith advertises himself upon LinkedIn as Parpoint, he is found inside the Holocaust denial digital production of Goring Biography.

This publication was written by a feared convicted Fascist and founder of the far right neo nazi organization known as Parforce. For those perhaps not familiar or indeed aware of this organization readers may remember when UK MP Michael Gove was exposed by Guardian newspaper journalists as owning Parforce material.

Goring Biography itself was used in a well documented court case as evidence to convict Parforce members of being racist, antisemitic neo nazi sympathizers, and here is Smith years later found inside of the reproduced digital publication

describing it in his own sick destubed wording as a "good offering",Smith also went on to state that the book wasnt likely to raise any hackles...the judge after reading the evidence of a Cambridge Proffessors report compiled about this publication ordered Parforce to be fined over 2.5 million dollars.The same Parforce members that published Goring Biography also received a three year sentence for other Holocaust denial activity.

Albert Smiths Goring Biography copyright at the time belonged to Billionare businessman Dennis O Briens newspaper the Irish Independent. we claim that the NUJ should be forced to sever from Parpoint publishing as it is obvious that Parforce are using the NUJ members produced copyright to profit at the NUJs expense and to take this further there is the legal implications of Smiths company being named after the two publishing companies Parforce/Focal Point hence Parpoint.The Library of Congress Cataloging-in-Publication Data found below is used to support this contention.

The Cuban Government turned down Dennis Obriens underwater cable communications contract,we claim because of his connections with the Clinton Foundation who basically operate onbehalf of the CIA,during contact with Bellingcat a number of years ago through Elliot Higgins blog site, research showed that Smith trained in the United States and today recieves a weekly payment from one of the many accounts set up by O Brien.

Both the public and NUJ journalists should be protected from the far right that are at present manipulating and using NUJ members material within their publications upon legal grounds as the money received from Parforce publications is used amongst other to pay for the 2.5 million dollar court fine.The NUJ ought to be investigated. Irish politicians remain silent upon this subjectas and so does right wing Dublin solicitor Kieran Conway who is aware from his own court cases having dealt with Smith that he is a proven liar with immunity from prosecution.
