> Giannis Antetokounmpo and brothers Alex & Thanasis, and Lindsey Vonn, will coach a team in the NBA All-Star Celebrity Game, a source said. Alex Bregman will coach a team. Jazz owner Ryan Smith & Dwyane Wade are honorary captains. 21 Savage, Albert Pujols, Janelle Monáe will play.

There are certainly a lot of names here. Good call on the NBA's part to have Wade focus on the Celebrity Game and not the Dunk Contest.

GIVE ME BOOKS SIMILAR TO SOME OF THE AUTHORS I LIKE. I LOVE SYLVIA PLATH, FRANZ KAFKA, ALBERT CAMUS, OTTESSA MOSHFEGH, JOAN DIDION, EVE BABITZ, PATTI SMITH, VLADIMIR NABOKOV, SALLY ROONEY, ANGELA DAVIS, ETC.

3

these are just some of the basic popular authors i like, so give me book recs. i also haven't read every single book of all of these authors so feel free to rec me with one of theirs. i love philosophy, anything nihilistic and reflective, satirical, and i like classic poetry. also sort of depressing and twisted novels- i especially love when the main characters are women (men too) with lots of issues lol. i hate ya, contemporary romance, and lots of romance in general lol. im very selective when it comes to contemporary in general, love anything historical and love russian lit

Recent "net" allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point.The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??

Biden is still “Wako Jako” about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies,Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

Irv Smith (24) was supposedly poised for a breakout last season before he got injured and missed the entire year.

Albert Okwuegbunam (23) was behind Fant the last few years, but now might be Denver's TE1 and with a substantial upgrade at QB

Neither of them have had stellar Fantasy numbers yet, and neither of them will probably be league winners this year... but which one do you think is going to be more valuable in the long term?

iE: if you already have your starting TE figured out for now, which of these two would you prefer to hang onto for future potential? Or would you just scrap both of them and try and pick up a TE from the incoming rookie class?
