## How do you allow anonymous comments on my posts on blogger?

some one may ask: How do you allow anonymous comments on my posts on blogger?

its really simple to allow anonymous to comment in your blogger blog. if you want to enable anonymous comments in posts you should login into your blogger account., then into settings-Comments, and select Anyone - includes Anonymous Users in: Who Can Comment?, as it appears below:

then : save setting .

now when the user want to comment in posts of your blogger, he should select Anonymous as profile.

Goat cheese, or chèvre (from the French for goat), is cheese made out of the milk of goats.

Properties

Although cow's milk and goat's milk have similar overall fat contents, the higher proportion of medium-chain fatty acids such as caproic, caprylic and capric acid in goat's milk contributes to the characteristic tart flavor of goat's milk cheese. (These fatty acids take their name from the Latin for goat, capra.)

When chèvre is served hot, it is known as chèvre chaud.

Goat milk is often consumed by young children, the elderly, those who are ill, or have a low tolerance to cow's milk. Goat milk is more similar to human milk than that of the cow, although there is large variation among breeds in both animals. Although the West has popularized the cow, goat milk and goat cheese are preferred dairy products in much of the rest of the world. Because goat cheese is often made in areas where refrigeration is limited, aged goat cheeses are often heavily treated with salt to prevent decay. As a result, salt has become associated with the flavor of goat cheese, especially in the case of the heavily brined feta.

Goat cheese has been made for thousands of years, and was probably one of the earliest made dairy products. In the most simple form, goat cheese is made by allowing raw milk to naturally curdle, and then draining and pressing the curds. Other techniques use an acid (such as vinegar or lemon juice) or rennet to coagulate the milk. Soft goat cheeses are made in kitchens all over the world, with cooks hanging bundles of cheesecloth filled with curds in the warm kitchen for several days to drain and cure. If the cheese is to be aged, it is often brined so it will form a rind, and then stored in a cool cheese cave for several months to cure.

Goat cheese softens when exposed to heat, although it does not melt in the same way many cow cheeses do. Firmer goat cheeses with rinds are sometimes baked in an oven

Italy

Caprino is an Italian goat's milk cheese.

China

I have a question that's bothered me for years since I've discovered blogging.

Why do some blogs allow more freedom such as yours in allowing Anonymous comments and others have their settings to maximum \*in which I've notice not a lot of people post\* which stifles a discussion?

Isn't the whole point of blogging to allow freedom of expression?

I know it can be stressful to deal with spam bots but there are new ways out to deal with them that don't annoy the people that are real.

We Anonymous people don't want our information displayed because that allows our emails to be hacked which can easily lead to backdoor Trojans and I am not about to put my faith on some blog owner to keep my PC protected.

The Anonymous people that are stupid are usually paid government trolls designed to disturb blogs like yours hoping to lock down the internet thru disinformation tactics so people will vote for more government control. Don't believe me? There are plenty of sources to find as I am not about to get into it here as it takes too long.

Search for Microsoft PRISM back door spying and you'll be amazed at how far down the rabbit hole things really go. All big companies are part of it so you can't really (boycott) any of them.

My comment is long enough as it is.

As of now if anybody wants to hack me they'll have to work harder to find out how since I am Anonymous which they will likely go to easier pickings.

ALBERT SMITH IRISH INDEPENDENT NEWSPAPER

Reddit/r/u\_wikifreaks888 , 2022-08-01,

British NUJ member Albert Smith advertiss himself upon Linkedin as Parpoint,he is also found upon the internet providing his own personal introduction to the antisemitic,racist digital production of Gorings Biography (written by the feared convicted neo nazi sympathizer David Irving.)

Recent "net" allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point.The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because the police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

Albert Makashov, Communist Deputy in the Duma since 1995, had this to say about the Jews:

"I will round up all the Yids and send them to the next world!"

WAGNER SECURITY FOUND HERE :

Wagner Group: The Kremlin's proxy army:

1.As a private military company, an opaque amalgamation of shadowy firms and contractors, Wagner has no official links to the Kremlin. But its ties to Yevgeniy Prigozhin, a close associate of Vladimir Putin and former restaurateur.

2.Wagner independently concludes contracts for its activities. But before concluding a contract, it coordinates within the structures of the Russian . Government most likely the defence ministry."

 Dmitry Utkin is the founder of the infamous Wagner mercenary group,Utkin is the veteran of both Chechen wars and has participated in the Russian operations in Ukraine in 2014. He served in the GRU until 2013, after which he commanded a Spetsnaz unit, earning the rank of a lieutenant colonel. In 2013 he joined the Moran Security Group and in 2014 he established the Wagner Group, named after his nom de guerre his old callsign "Wagner."A photo recently surfaced of Utkin with Nazi tattoos, giving additional proof of his ideological leanings.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers,there are many "Wiki" based sites with different "Wiki" names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks \*\* Bing and Google \*\* entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!.Wikifreakz are left and oppose and fight racism,antisemitism and capatlist ideology,although realists that accept money is still needed in modern day life to survive todays "Freaks" are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk" out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

Very interesting articles,Biden regards Julian Assange as a Tek Terrorist, for the record no terrorist has yet had charges removed on medical grounds,without getting 2 deep state here this implies the first magistrate judge "protected" a terrorist which completely makes a sham of the British Government rulings on placing terrorists into British prisons on remand status,there may well be a case for mistreatment,however releasing terrorists on medical grounds has never been done before...this is a really complicated issue!

Soliters notes memoirs taken from "yandex sources" DEDOKTOBER related to previous bellingcat allegations.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because the police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for what ever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

lets start right from the begining so our readers dont get ED >>> CHARGED, The Clinton Foundation is partially CIA oriented, lots of evidence, now Big Bills bezzy number 1 mate in Ireland is Dennis O'Brien richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper. In the book Clinton cash O'Brien is exposed as giving cash gifts to Clinton. Dennis O'Brien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by O'Brien's newspaper (yandex hackerz found his not so secret accounts). Smith is a racist that appears in the digital version of Goring's Biography describing the book as a good offering (sick disturbed person) despite this Smith is still a member in the National Union of Journalists. Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which were cheap enough to buy then!! the writer was exposing the Irish independent newspaper involvement with GCOC bugging affair with his laptop (his articles can still be found online with there corresponding dated codes and blots) when he was ambushed for no good reason by Smith an Irish independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversary date of Martin Luther King's death.. say no more PROVEN..

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled' .His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote" fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being "a good offering" hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

NUJ heads will certainly roll over racist cover up involving Fascist David Irving.  
This article will lay down the legal litigation compiled in part with Joe Elliotts blog, amongst others.

Les freaks de wiki,Anarco/socialite par se isnt running to Owens blog with this or even running for the next election.

News bloggers privately believe that the "reported failed Operation" to plant fibre Optic cables under the Ocean into a Cuban port complicitly implies that Irish Billionaire Dennis O Brien the owner of The Irish Independent Newspaper must be regarded by the Cuban Government as working for the CIA, because rumour has it his Cable media company was barred for amongst other for having close connections with the Clinton Foundation.Other Governments and countries in comparison already dealing in similar services to Cuba arent in any way at all prohibited or dealt with as security risks.

Dennis O Brien most certainly is part of an NUI cover up involving Fascist author David Irving and the evidence contained here is conclusive.O Brien lives in Malta he has to apparently under a special Government protection order...you cant Spray on a wall there without somebody Knowing whos done it, its claimed by bloggers the protection supplied to O Brien is by private trained army based security.

When the Bellingcat racist allegations surrounding The Irish Independent Newspaper where first published a name of a National Union of Journalists sub editor that still receives personal weekly payments from this Alleged CIA Operative was named for the publics interest and safety.

Far Right wing Fascist David Irving was fined over 2 million Dollars for being the Author of a book known as Gorings Biography in the British Courts where the paperback book itself was used as evidence to gain conviction.There are countless web sites about this court hearing where the judge sentencing branded Irving a racist antisemitic holocaust denier for writing this fascistic publication.

However despite this court hearing Dennis O Briens former personal NUI Sub editor is found today providing antisemitic political statements that are printed under copyright law inside of the revised new digital edition of Gorings Biography, in full knowledge of the courts verdicts, which is both criminally and politically concerning to us at Freaks,an NUI Sub editor that provides antisemitic material to a digital version of the book that he knows branded David Irving a nazi sympathizer and cost over 2 million in court fines for the production of and here is NUI member

Albert Smiths own words printed in the "added introduction "of the exact same book Gorings Biography describing it as a "Good Offering",The SUB editor Albert Smith named within the Bellingcat allegations also owns a company known as Parpoint publishers which we believe itself is of prosecutable interest as a specifically named piece of far right political evidence based on the following,

According to unofficial Russian sources,wait for this ,Parpoint publishing was derived from the blood and honour of two other separate publishing companys connected to the publishing of Gorings Biography (i) that of Irvings Parforce (ii) Focal point

This is an NUI Life member where talking about here and we want to know why the NUI havent removed him from their organization for his completely unacceptable representation and deceitful conduct,and antisemitic presentations.

PARPOINT publishing is found on linkenden and is a (net based) organization managed by an alleged British member of the National Union of Journalists that had allegations made against it of being antisemitic removed by Joe Elliot from a Bellingcat post on the grounds that the information source came from anonymous Russian "Yandex" based hackers.

Despite this set back further investigations and continued ongoing server monitoring of certain known extreme right wing Internet sites that promote fascism finally provided the hackers using Russian servers with the break through required to gain evidence and names that identify and proved beyond any scientific doubt whatsoever that this named "Google" listed enterprise is being used by convicted neo fascists to help raise finance and promote far right wing propaganda.

Parpoint can be clearly seen and witnessed on far right wing internet sites allowing other discredited racist publishing outlets the continued misuse of their own privately created copyrighted material.

Today with apparent approval, personalized work produced by Irish Independent Newspaper formed PARPOINT appears discriminatively printed inside of the introductory chapter of the Internationally condemned and digitally (revised ) production of this neo fascist publication Gorings Biography, which was published later on after a high profile court case surrounding the paper edition.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present in its failure in substantiating and identifying for itself the criminality set out before it within this document

Reply

**Anonymous** September 2, 2022 at 3:58 PM

The NUJ may also wish to consider very carefully any further consequences that could arise from allowing a further Irish/American Government cover up of a holocaust denial digital publication that contains Irish Independent newspaper endorsement and

copyright.

Many Individuals, organizations, writers and even Political parties across International borders can now perceive this highly organized form of (de criminalized?) antisemitism and racism as more than just a mere internal NUJ affair and without doubt perceive this privately maintained ongoing enigma as not just an attack on human rights issues but a complete hindrance to their own political and ideological writing beliefs and freedoms.

In demonstrating an irresponsible able attitude in helping to create fear and uncertainty within the general public and risking the safety of persons that are personally persecuted and suffer from these types of orchestrated and antisemitic publishing crimes Parforce still relies upon the activity of "consent" from Parpoint that helped produced the overall copyright of Gorings Biography digital version under the barbaric form of "sacred trust" .

Yandex based Investigative journalism has already publically provided through "blog sites" more than enough insight to show that Parforce publishing represents the financial and political interests of the holocaust denier author that was fined more than 2 million dollars for writing Gorings Biography in the first instance and in the process successfully identified the author as the main culprit and key member behind the discovery of a highly organized ongoing operation that has yet to be stopped in its tracks – that purposely incorporates the act of supplying modified criminality

It is no longer Parpoint claiming this sick neo fascist book is quote "a good offering" however it is seen that Parforce is proclaiming justification by association.

Parpoint media services produced material is unquestionably being misused by parforce and is undermining the very ethics of accepted journalism, and whilst left legally un challenged is a historical reference itself.

For the record It was derived that journalist Albert Smith formerly of the Irish Independent newspaper who now advertises himself as a Government contracted agent ,during the investigative production of the Bellingcat allegations made against him was infact proven to have worked for both the police in the role of a member of the NUJ and a copyright provider for a convicted racist criminal at the same time.

Many other disgraceful allegations are found scattered upon the Internet exposing this former Sub Editor as being amongst other a British person involved in intelligence gathering work, Notably though he is a person whom despite newspaper and media connections has never anywhere online to date publically denied involvement with the production of todays digital version of Gorings Biography or since the court hearings surrounding the books production personally in any way at all condemned its publication or the author or reissue of the digital publication with his own enclosed copyright material contained within it. Until publically stated otherwise by a legal authority this form of writ shall here be provided as pending evidence. It is perceived that naming the Author of Gorings Biography in this article would only serve to promote ideological far right beliefs the writer is a disgrace to the human race.. Both Parpoint and Parforce are condemned here in within this document as publishing companies.

In the application of "mens rea" any claim that the name of Parpoint has not been derived from the Blood and Hon of the two publishing companies printed and published in Gorings Biography known as Parforce and Focal Point is a question that now seemingly must have to be answered within International law itself.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present in its failure in substantiating and identifying for itself the criminality set out before it within this document

The Irish Political party Sinn Fein are splattered across the world wide web as advocating Democratic Socialism,sooner or later somebody is going to ask the burning question.  
 For too long Sinn Fein have remained silent about the legal system in Ireland not

requiring evidence in courts,the prison service falsely holding prisoners,using Doctors for political reasons.

Remaining silent is a form of guilt.

Last year allegations appeared upon the Bellingcat blog for a short while.The allegations outlined that Dennis OBriens Billionaire businessman was aware that his newspaper copyright was and still is being used by Convicted neo Fascist members of Parforce.

Both The Russian Embassy and Sinn fein politicians have been given evidence and Russian servers don't make mistakes as they produce and gain evidence.

The base line is that Sinn Fein wont be allowed to be falsely listed as a party with Socialist intent anymore.

Wikifreaks World Vision writer Joe Edwards contributed this week in the "comments" column to the credited article written about wikileaks member Julian Assange.Blog extracts from various sites appear as evidence to enforce the Bellingcat Racist

allegations made last year that directly involved Irish Independent Newspaper Journalists and multi Billionaire and Clinton Foundation associate Dennis O Brien.

Seemingly from an International perspective the implications arising from the legal, Religious and Political narrative content published by thenews-chronicle.com in the format of a recent document sent to LinkedIn brings the National Union of Journalists sharply into focus. The NUJ themselves despite having a moral and legal duty within written legislated policy and procedure to investigate and prevent racist issues involving their members aren't at present providing any answers and they persist in remaining silent upon the subject of why the convicted racist author David Irving is still being allowed to continually use Irish Independent Newspaper copyright material produced by Parpoint (Irish Independent Newspaper NUJ journalists) within Parforce publications.

As of yet there is no apology or explanation printed anywhere to date by the NUJ upon the relationship between Parforce/Focal Point and derived Parpoint or why former Irish Independent newspaper Sub editor Albert Smith is still found on internet sites similar to LinkedIn claiming to be a Life member of the NUJ that works as a Government contracted agent and an Irish Police employee.

Police Officer Andrew Dedman visited different forces whilst he was a working mi5 agent. One of his traints was removing "alleged" stolen goods and money etc etc, he had a special badge which allowed him to carry out these types of operations.

Its an area sanctioned by MI5 as they oversee the legal illegals so to speak...

Dedman came a cropper and fell into a sting operation however got out by whatever means it exposed him as a protected police officer sanctioned to carry out certain duties. The sting was when he was rumbled not charging persons for being in the possession of stolen goods and that is what gets them hall in the end.

Dedmans last call of duty within the police was the economic crime unit which is part of MI5 that prosecute persons in Northern Ireland that is the likes of Kieran Conway (IRA).

Dedman did alot of swap shop business and worked with the British and American Krank handles in ireland (Albert Smith Irish Independent).

This form of clandestine work is carried out all of the world by the CIA and the Clinton Foundation are real kinky at it, they tried to get an optic fibre ocean cable system set up in Cuba using Billionaire Dennis O'Brien, however the Cubans kinaa rumbled that one two.

In the UK Mi5 and the police steal from criminals and basically confiscate "booty"

without charging Dedman being a former British Army operative was prime time, he is a fascist though that purposely experimented on criminals and causing torture and breaking human rights laws. He also carried out police swaps, sending files to mafia cops in other countries including Dublin!!!!

He specialized in programming prisoners and working with drug cartels its acceptable in the UK in highly organized crime to have the police rob you of your winnings without being charged infact Mi5 and the crown are probably the biggest munch bunch of criminals ever in British history.

Dedman removed antique silverware from another force he couldnt have done that surely?? without knowing where they came from !! in the first place ,which proves because there where no arrests that he was a debt collector and a bent cop working for MI5, this is just the tip of the iceberg its like we rob you or your A Dedman.

Billions every year are confiscated by the queens of england andy her firm....

WIKIFREAKS | THE DUBLIN MOUNDHILL

A BRITISH NUJ JOURNALIST HAS NAMED HIS OWN COMPANY AFTER THE RACIST ORGANIZATION PARFORCE.

The Dublin Moundhill is no longer an active online blog it appeared like many others then finally disappeared leaving behind traints ,however certain folk kept copies of the bloggers comments that appeared over time as evidence and so there remains today historical notification, however saying all this the political object of this article is solely to preserve prosecutable litigation only.

British subject Albert Smith a former sub editor of the Irish Independent Newspaper can be found upon various internet search engines, The Dublin Moundhill directly accused Smith publically of knowingly working alongside and hiding behind convicted racists whilst being a National Union of Journalist member (an extremely serious accusation), and as they say to the 'man with the hammer' its 911, ONE thing or another you either believe the accusation or you dont theres no GREY areas here.

We ask readers to carefully considered then that the UK NUJ are regarded as a centralized body to all other branches of the NUJ itself and must now be treated with similar concern for knowingly allowing smith to associate itself with PARFORCE. The issue here has now become double jeopardy about British instruments in this instance the (NUJ) that protect the guilty and if youve got a problem with this accusation you go and get a warrant pronto.

It is alleged that Whilst on a regular walking trip Smith admitted to other hikers his publishing company was named after the racist organization PARFORCE. When questioned further about this he replied that he had been chosen to appear in the introduction of the digital version of Gorings Biography produced by parforce and distributed through Focalpoint {DERIVED PARPOINT}.

For many readers not aware Gorings Biography was part of a very famous court case, the book was used as evidence that helped convict racist PARFORCE members resulting in court fines of many millions of dollars and finding the author of Gorings biography guilty of being an antisemitic holocaust denier.

SO WHAT GIVES WITH THE NUJ??

Nobody at present seems to know officially whats going down with the NUJ or even if the British section of the NUJ are concerned with the implications, web research clearly shows that Albert Smith is still at present advertising himself on the net and has done

for some time as an NUJ member that has worked for both Government agencies and the Police and so we find it somewhat difficult to understand legally why his company is still allowed to trade whilst claiming ongoing NUJ connections and contributing to racist books.

We can only ask the NUJ to consider removing his membership within the NUJ under these circumstances within law itself very quickly or deal with the backlash.

Considering the legal aspects and UK law and you begin to understand why we believe the NUJ should no longer be allowed to remain silent upon this subject and should at some moment be requested to give evidence themselves.

It would be interesting to see what would happen if someone like MP Gove presumably a former NUJ member was to be questioned about the legal aspects of this case as a Conservative politician who has in the past been caught "red" handed owning Titles published by parforce.

Hilary Clinton and the Queens gambit

The I Cringley blog 911 to the man with a hammer exclusively outlines Mark Stephens concerns at being used as a pawn by the IRA and reflects the personal devastating traumatic effects that Al Qaeda and Bin Laden left upon the citizens and Government of America on that unexplained day. Years later Both the IRA and Bin Laden alike are proven to have worked in CIA operations after leaked documents exposed through the Freedom of Information act where published in the interest of the public to outline these facts as admissible evidence.

The Book Terror Inc tracing the Dollars behind Terrorism contains a chapter on 911 itself which explains how Bill Clinton was personally informed of a pending incident years before the September attacks on the world trade center building using aircraft, this information at the time was treated with skepticism, the publication also outlines Bin Ladens connections with the CIA and how the IRA collected finance in the US amongst other.

Dublin Solicitor Kieran Conway, the former head of the IRA owns a business which is listed as having earned him more than 1 million dollars net. In his own autobiography he explains in detail events that happened during the Clinton years which Mark Stephens himself is personally aware of through his own investigative Irish Journalism. Conway refers to the wording of Fascists in the book, yet when he was involved in a court case in Ireland with The Irish Independent Newspaper/Parpoint media services he made the fatal mistake of purposely not informing Sinn Fein and their press outlet during the hearings or later on about the Independents dealings with convicted fascist members of the organization

known as Parforce.

Parforce are alleged to have connections with Global Paramilitary terrorists that are known to the CIA itself and as publishers are responsible for the production of fascist publications for individuals and Political Party. CNN ABC and countless thousands of newspapers, radio stations and media outlets ran coverage on Parforce members being fined in court more than 2 million dollars for far right activity and later convicted to 3 years Jail Sentence for Holocaust denial speeches.

Clinton cash is a book solely about the alleged money laundering activity of the Clinton Foundation. Dennis O'Brien owner of the Irish Independent known to Mark Stephens through his work appears in the book paying Clinton in cash backhanders, O'Brien today allows his own company's copyright to be hijacked by Neo Fascist racists and at the same time pays weekly undisclosed sums to antisemitic Parpoint to appear inside of fascist publications issuing political statements that are used by far right extremists groups as propaganda and help generate revenue through sales of other publications sold by Parforce.

It is important for I Cringley bloggers to comprehend the connections outlined above. Certain members of The CIA have for many decades controlled the far right in both America, Ireland and UK and Arabs in the middle East playing both sides off with each other, it is a common pastime of divide and rule. The book Terror inc explains in full CIA involvement with Terrorists. There has been more American Government money Laundry and Terrorist related activity connected to the Democrat years than under the Republicans. In 2021 British Police Officers were convicted and sentenced for belonging to far right wing Neo Nazi terrorist cells that support Parforce. This article is written by leftist contributors who are politically opposed to fascist and racist ideology and any attempt by publishers to offer unusual "blends" of twisted fascist holocaust revisionism to the general public.

KIEARAN CONWAY SOLICITORS IRELAND \*JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled'. His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Féin after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irving's digital Book Goerings Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irving's Book Goerings

Biography that of the book being "a good offering" hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

COURT RECORDS BOB >>>>> ONE!

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn was fined 250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of 200 for breaching the peace and being drunk in public.

-----  
Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because the police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

if you want your hammer back you would need about 5 million, hey you know we all got bills to pay and there's ONE on every flight.

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!!?

Thats why at a glance presumably the CIA claimed it was the Russians who where

behind hit and hall. In wikileaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order, who themselves as agents are in fact working for Putin, there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails, unless they had insurance and diplomatic protection, not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis O'Brien as a clandestine member, it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution. Dennis O'Brien is a CIA handler/Operative that's explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaim before now.

Dennis O'Brien's empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected. Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O'Brien himself has been exposed by Western media as having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

Journalism and Politics share an essential common thread,once something is publically stated there is no turning back.David Irvings book Gorings Biography was subject to a court case in which this book itself was used as evidence,in summary Judge Gray renounced Irving as an antisemitic,racist holocaust denier for production,others including British politicians have gone further correctly naming Irving as a fascist.Albert Smith Irish Independent sub editor appears today inside the Digital Version of Gorings Biography describing this book in his own words as quote "a good offering" and a book that is "unlikely to raise hackles".Internet allegations include Smith as having a form of diplomatic immunity that protects him from being prosucted in courts and removal from the National Union of Journalists,apparently he can be found as a named antisemitic journalist inside of Owen Jones "Wikiwand" site.

It took Judge Charles Gray 300 strongly-worded pages to set out why he had found David Irving to be a Holocaust denier, an anti-Semite and a racist.

AN Enniskerry man who assaulted his sister's neighbour has been fined ?450 and bound to the peace for two years, following his appearance at Bray District Court.

32-year-old unemployed single man, Paul Quinn, of Naomh Ciaran, Enniskerry, was convicted of assault, criminal damage and public order offences arising out of an incident at the Monastery Grove estate, last summer.

The defendant had pleaded guilty to breaching the peace and being drunk in public at

22 Monastery Grove, Enniskerry, on July 17 last.

But he had denied breaking Patrick Jackson's window or assaulting him.

The court heard that Patrick Jackson was a neighbour and friend of the defendant's sister Adele Quinn, but Paul Quinn wanted to prevent the two from socialising together as Adele has a drink problem.

Jackson said he had called to Adele's house that morning, where the defendant, who was drunk at the time, had shouted abuse at him and followed him out of the house, but had fallen.

Jackson returned to his own home, but was followed by Quinn and a second man.

Both pushed their way into Mr Jackson's hallway, where they started fighting with Jackson and his son.

After being ejected from the house, the pair returned again. Quinn's accomplice had a hammer with him which he used to break glass panels in the door.

Quinn was 'strutting around like a bantam cock' and threw a stone at the window, cracking it, added Mr Jackson.

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn admitted that he was very drunk at the time and said he only 'vaguely' remembered the events.

Denying the charge of assault, he said he was 'too drunk to fight, let alone stand.' He admitted giving Jackson 'a lot of abuse' but didn't remember threatening him.

'The fact of the matter is, Mr Quinn advanced on Mr Jackson's house with someone with a hammer who then tried to batter down the front door of the house,' said Judge Connellan, convicting Quinn of assault in spite of solicitor Joe Maguire's request for a direction in light of the fact that Jackson had given no evidence that he was physically assaulted by Quinn.

Quinn was fined ?250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of ?200 for breaching the peace and being drunk in public.

'A number of these routes are absolutely fantastic walks, but like many old routes across the country, they are in danger of disappearing due to a lack of use and the desire of landowners to stop walkers using them', said co-author Kevin Warner, 'we cannot allow the ancient routes our parents and grandparents walked to die off. If we do, where will our children and grandchildren be able to walk?'

'Ten Walks of Enniskerry' was launched last week by local TD Liz McManus in the Powerscourt Arms Hotel, Enniskerry Village and is available in local shops for ? 5. Further information contact valleylodge4@eircom.net

Editorial: Glenree Right of Way case is lost

This issue has an informative article on the Glenree case written by Albert Smith, (see lead article) who has long been at the frontline . We hardly need say that we commiserate with him and all the members of Enniskerry Walking Association who have worked so hard for so long on this case only to see it lost.

If nothing else, the Glenree case is instructive in one important respect. The Minister in charge of tackling the question of access, Mr O'Cuiv, is on record as saying that there are lots of rights of way over private land in Ireland, though they do not need to be marked on the maps, signposted or even recorded by the local authority concerned. Now even he, and more importantly the many walkers who thought that these nebulous 'rights of way' actually exist, can see plainly for themselves what this means.
