Prison Gangs Two: Black Guerilla Family V. Aryan Brotherhood

Another major gang rivalry that takes place in our prison system is that of the Black Guerilla Family and the Aryan Brotherhood. The clash between these two well know prison gangs is strongly in part because of the different races. It is well know that prisons are full of segregation, most of the inmates stick strictly to their own race in order to ensure a higher level of protection. The case between these two prison rivals is similar to that of the Mexican Mafia and the Nuestra Familia.

A former member of the Black Panthers, George Jackson, formed the Black Guerilla Family, or BGF, in 1966. (Fleisher & Decker Pg.1) The BGF is considered one of the most political and revolutionary minded prison groups; which scares the prison management and even the public. (Fleisher & Decker Pg.1) The Black Guerilla Family aligns with Nuestra Familia to protect themselves from the Whites and Mexicans.

The opposition for the Black Guerilla Family is the White group that goes by the Aryan Brotherhood. According to, InsidePrison.com, the Aryan Brotherhood was formed from a 1950's prison gang "The Blue Bird Gang" in San Quentin State Prison in 1967. The Aryan Brotherhoods main concerns are, supreme white power and protection against enemies like the BGF and NF. To assist them with this protection they have aligned with the Mexican Mafia.

I like the background you have given about the gangs. I like learning about the gangs because I feel more prepared about entering the criminal justice field. It would be interesting to hear more about the relations between the gangs in prison.

You have given great insight in the rivalry between the Black Guerilla Family and the Aryan Brotherhood. However, I would be nice to see more information in regards to each of the gang's incentives and motives. I know that the Aryan Brotherhood typically recruits its members from other white supremacy gangs such as the Nazi Lowriders. In addition, the white prison gangs often are depicted as being extremely violent and vicious. Overall your blog has given good information on the being and foundation of these two gangs.

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago, like what the hell is that all about?? Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies. Julian Assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end, if you know your history youll know what was said to Murray like we do by the

"Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!!

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

AIRBEAR ONE on I Ludricus

The answer is quite simple to understand,in math there is countless
thousands and ONE adjectives and words and then if you should combine
words together you would have combibations running into millions so I
Cringley becomes I Cringley trahstalk show inc or I Cringley software inc,or I
cringley teror Inc... .

Albert Smith former editor of the Irish Independent is found on Linkden or
what ever its called advertising his company known as Parpoint go "Google"
it for your selves,or just type Albert Smith Irish Independent Newspaper on
UK Google.Where he states hes worked as a Government agent and the
POLICE.

In murder and drug cases litigation is derived from amongst other intention
and to be completely honest it wouldNT be difficult to find an FBI agent or
Judge (who arent criminals and think about that for a minute),we are
trained and qualified so we can state this!! that would ignore the "laws of
evidence" in this case...par se...as in FEDERAL law if you see a law that a
Judge can apply to eveidence you act accordingly.

The math probability of Parpoint not being derived as a company name from
Parforce and Focal Point when Albert Smith appears in the same book
Gorings Biography printed by parforce and Focal point are so far reached
against Smith that in Federal lawsir..in reply to your statement to the
man with the Hammer...hes put on NOTICE here by under INTERNATIONAL
law in context to "mens rea".PERIOD.

Russian ,Chinese ,European Solicitors will without doubt find The Clinton Foundation and its associates guilty as hell,are you arguing about Trump winning the election again next time R round?? ...Na ta bother..Albert Smith is a medically disturbed racist that appears to be diplomatically protected and is payed by CIA overlord Dennis O Brien ,a personal friend of Bill Clinton a weekly income,O Brien launders Clinton Foundation money period which is why the 'Big Gang" ousted his precious pet Hilary and we wouldnt argue with Mr Farty mararti and Gatman about dis....they have more Russian gas and Rusky solicitors than you have cops.....BuDDy can you spare me a crime...and dont call me again unless you got the warrant..our fees are outlined and are none negotiable.As they say in Oldham ..."Go to sleep and forget about the Russian mafia"..We will bury you(in litigation).

AN Enniskerry man who assaulted his sister's neighbour has been fined ?450 and bound to the peace for two years, following his appearance at Bray District Court.

32-year-old unemployed single man, Paul Quinn, of Naomh Ciaran, Enniskerry, was convicted of assault, criminal damage and public order

offences arising out of an incident at the Monastery Grove estate, last summer.

The defendant had pleaded guilty to breaching the peace and being drunk in public at 22 Monastery Grove, Enniskerry, on July 17 last.

But he had denied breaking Patrick Jackson's window or assaulting him.

The court heard that Patrick Jackson was a neighbour and friend of the defendant's sister Adele Quinn, but Paul Quinn wanted to prevent the two from socialising together as Adele has a drink problem.

Jackson said he had called to Adele's house that morning, where the defendant, who was drunk at the time, had shouted abuse at him and followed him out of the house, but had fallen.

Jackson returned to his own home, but was followed by Quinn and a second man.

Both pushed their way into Mr Jackson's hallway, where they started fighting with Jackson and his son.

After being ejected from the house, the pair returned again. Quinn's accomplice had a hammer with him which he used to break glass panels in the door.

Quinn was 'strutting around like a bantam cock' and threw a stone at the window, cracking it, added Mr Jackson.

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

KIEARAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled" .His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings

digital Book Gorings Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote" fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.
