KIEARAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE
PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled" .His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being dipolmatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences infornt of a judge without being charged with his own barristar freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote" fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being "a good offering" hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responceible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

In the application of "mens rea" any claim that the name of Parpoint has not been derived from the Blood and Hon of the two publishing companies printed and published in Gorings Biography known as Parforce and Focal Point is a question that now seemingly must have to be answered within International law itself.

KIEV CT PUBLISHING

February 26, 2022 at 7:10 pm

PARPOINT publishing is found on linkenden and is a (net based) organization managed by an alleged British member of the National Union of Journalists that had allegations made against it of being antisemitic removed by Joe Elliot from a Bellingcat post on the grounds that the information source came from anonymous Russian "Yandex" based hackers.

Despite this set back further investigations and continued ongoing server monitoring of certain known extreme right wing Internet sites that promote fascism finally provided the hackers using Russian servers with the break through required to gain evidence and names that identify and proved beyond any scientific doubt whatsoever that this named "Google" listed enterprise is being used by convicted neo fascists to help raise finance and promote far right wing propaganda.

Parpoint can be clearly seen and witnessed on far right wing internet sites allowing other discredited racist publishing outlets the continued misuse of their own privately created copyrighted material.

Today with apparent approval, personalized work produced by Irish Independent Newspaper formed PARPOINT appears discriminatively printed inside of the introductory chapter of the Internationally condemned and digitally (revised) production of this neo fascist publication Gorings Biography, which was published later on after a high profile court case surrounding the paper edition.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present in its failure in substantiating and identifying for itself the criminality set out before it within this document

April 5, 2022 at 4:58 PM

anonymous said...

The NUJ may also wish to consider very carefully any further consequences that could arise from allowing a further Irish/American Government cover up of a holocaust denial digital publication that contains Irish Independent newspaper endorsement and copyright.

Many Individuals,organizations,writers and even Political parties across International borders can now perceive this highly organized form of (de criminalized?) antisemitism and racism as more than just a mere internal NUJ affair and without doubt perceive this privately maintained ongoing enigma as not just an attack on human rights issues but a complete hindrance to their own political and ideological writing beliefs and freedoms.

In demonstrating an irresponsible able attitude in helping to create fear and uncertainty within the general public and risking the safety of persons that are personally persecuted and suffer from

these types of orchestrated and antisemitic publishing crimes Parforce still relies upon the activity of "consent" from Parpoint that helped produced the overall copyright of Gorings Biography digital version under the barbaric form of "sacred trust" .

Yandex based Investigative journalism has already publically provided through "blog sites" more than enough insight to show that Parforce publishing represents the financial and political interests of the holocaust denier author that was fined more than 2 million dollars for writing Gorings Biography in the first instance and in the process successfully identified the author as the main culprit and key member behind the discovery of a highly organized ongoing operation that has yet to be stopped in its tracks – that purposely incorporates the act of supplying modified criminality

It is no longer Parpoint claiming this sick neo fascist book is quote "a good offering" however it is seen that Parforce is proclaiming justification by association.

Parpoint media services produced material is unquestionably being misused by parforce and is undermining the very ethics of accepted journalism, and whilst left legally un challenged is a historical reference itself.

For the record It was derived that journalist Albert Smith formely of the Irish Independent newspaper who now advertises himself as a Government contracted agent ,during the investigative production of the Bellingcat allegations made against him was infact proven to have worked for both the police in the role of a member of the NUJ and a copyright provider for a convicted racist criminal at the same time.

Many other disgraceful allegations are found scattered upon the Internet exposing this former Sub Editor as being amongst other a British person involved in intelligence gathering work, Notably though he is a person whom despite newspaper and media connections has never anywhere online to date publically denied involvement with the production of todays digital version of Gorings Biography or since the court hearings surrounding the books production personally in any way at all condemned its publication or the author or reissue of the digital publication with his own enclosed copyright material contained within it. Until publically stated otherwise by a legal authority this form of writ shall here be

provided as pending evidence. It is perceived that naming the Author of Gorings Biography in this article would only serve to promote ideological far right beliefs the writer is a disgrace to the human race..Both Parpoint and Parforce are condemned here in within this document as publishing companies.

In the application of "mens rea" any claim that the name of Parpoint has not been derived from the Blood and Hon of the two publishing companies printed and published in Gorings Biography known as Parforce and Focal Point is a question that now seemingly must have to be answered within International law itself.

Another article found on Albert Smith Irish Independent Newspaper.

Interesting finding out that Cringley was working in Ireland this story below will help with Intel!

Albert Smith (Irish Independent newspaper) is a racist journalist and was involved in this incident

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

<https://www.blogger.com/comment.g?blogID=2336394467865715231&postID=6121829002800385399&page=1&token=1633195361172&bpli=1>

(Hissa like a big one you know?!)

Wikileaks and Julian are connected to the "Wiki" syndicate of servers,there are many "Wiki" based sites with different "Wiki" names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!.Wikifreakz are left and oppose and fight racism,antisemitism and capatilist ideology,although realists that accept money is still needed in modern day life to survive todays "Freaks" are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk" out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed.A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault.The reason we belive Smith admitted in court an incident occured was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for

assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraghty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraghty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraghty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago, like what the hell is that all about?? Let's explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies. Julian Assange and WikiLeaks used Craig Murray to obtain Hillary Clinton's emails that finally brought the Clintons empire to an end, if you know your history you'll know what was said to Murray like we do by the "Muels" who handed over Clinton's documents. The entire story behind it is double Dutch "Andy", Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications?? and what were the feds doing on the day it all happened looking out for suspicious Aircraft?!?

That's why at a glance presumably the CIA claimed it was the Russians who were behind hit and hall. In Wikileaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order, who themselves as agents are in fact working for Putin, there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clinton's emails, unless they had insurance and diplomatic protection, not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member, it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution. Dennis Obrien is a CIA handler/Operative that's explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaim before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected. Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media as having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

The Clinton Foundation needed false passports, they used Dennis OBrien richest man in Ireland to get them, It was John Heraughty who signed false passport forms knowingly, he worked closely with other Wicklow Government agents one of them was Dr MOAYYAD AL KAMALI who as a doctor in the UK allegedly signed countless of muslim double agents up. They became a gang in Ireland... just check the records DR MOAYYAD AL KAMALI had three jobs at the same time as well as being a doctor right next to the Russian Embassy in London... too much of a coincidence mathematically and within probability, he owns the WEDGEWOOD HOTEL and is listed by the Russian Federation as a BRITISH INTELLIGENCE VETTED person. Trump was right the Clinton Foundation supplied 1000s of false IDS to terrorists and other muslims that hid them...

NUJ heads will certainly roll over racist cover up involving Fascist David Irving.

This article will lay down the legal litigation compiled in part with Joe Elliots blog, amongst others.

Les freaks de wiki,Anarco/socialite par se isnt running to Owens blog with this or even running for the next election.

News bloggers privately believe that the "reported failed Operation" to plant fibre Optic cables under the Ocean into a Cuban port complicitly implies that Irish Billionaire Dennis O Brien the owner of The Irish Independent Newspaper must be regarded by the Cuban Government as working for the CIA, because rumour has it his Cable media company was barred for amongst other for having close connections with the Clinton Foundation.Other Governments and countries in comparison already dealing in similar services to Cuba arent in any way at all prohibited or dealt with as security risks.

Dennis O Brien most certainly is part of an NUJ cover up involving Fascist author David Irving and the evidence contained here is conclusive.O Brien lives in Malta he has to apparently under a special Government protection order...you cant Spray on a wall there without somebody Knowing whos done it, its claimed by bloggers the protection supplied to O Brien is by private trained army based security.

When the Bellingcat racist allegations surrounding The Irish Independent Newspaper where first published a name of a National Union of Journalists sub editor that still receives personal weekly payments from this Alleged CIA Operative was named for the publics interest and safety. Far Right wing Fascist David Irving was fined over 2 million Dollars for being the Author of a book known as Gorings Biography in the British Courts where the paperback book itself was used as evidence to gain conviction.There are countless web sites about this court hearing where the judge sentencing branded Irving a racist antisemitic holocaust denier for writing this fascistic publication.

However despite this court hearing Dennis O Briens former personal NUJ Sub editor is found today providing antisemitic political statements that are printed under copyright law inside of the revised new digital edition of Gorings Biography, in full knowledge of the courts verdicts, which is both criminally and politically concerning to us at Freaks,an NUJ Sub editor that provides antisemitc material to a digital version of the book that he knows branded David Irving a nazi sympathizer and cost over 2 million in court fines for the production of and here is NUJ member Albert Smiths own words printed in the "added introduction "of the exact same book Gorings Biography describing it as a "Good Offering",The SUB editor Albert Smith named within the Bellingcat allegations also owns a company known as Parpoint publishers which we believe itself is of prosecutable interest as a specifically named piece of far right political evidence based on the following,

According to unofficial Russian sources,wait for this ,Parpoint publishing was derived from the blood and honour of two other separate publishing companys connected to the publishing of Gorings Biography (i) that of Irvings Parforce (ii) Focal point

This is an NUJ Life member where talking about here and we want to know why the NUJ havent removed him from their organization for his completely unacceptable representation and deceitful conduct,and antisemitic presentations.

Hilary Clinton and the Queens gambit

The I Cringley blog 911 to the man with a hammer exclusively outlines Mark Stephens concerns at being used as a pawn by the IRA and reflects the personal devastating traumatic effects that Al Qaeda and Bin Laden left upon the citizens and Government of America on that unexplained day. Years later Both the IRA and Bin Laden alike are proven to have worked in CIA operations after leaked documents exposed through the Freedom of Information act where published in the interest of the public to outline these facts as admissible evidence.

The Book Terror Inc tracing the Dollars behind Terrorism contains a chapter on 911 itself which explains how Bill Clinton was personally informed of a pending incident years before the September attacks on the world trade center building using aircraft, this information at the time was treated with skepticism, the publication also outlines Bin Ladens connections with the CIA and how the IRA collected finance in the US amongst other.

Dublin Solicitor Kieran Conway, the former head of the IRA owns a business which is listed as having earned him more than 1 million dollars net. In his own autobiography he explains in detail events that happened during the Clinton years which Mark Stephens himself is personally aware of through his own investigative Irish Journalism. Conway refers to the wording of Fascists in the book, yet when he was involved in a court case in Ireland with The Irish Independent Newspaper/Parpoint media services he made the fatal mistake of purposely not informing Sinn Fein and their press outlet during the hearings or later on about the Independents dealings with convicted fascist members of the organization known as Parforce.

Parforce are alleged to have connections with Global Paramilitary terrorists that are known to the CIA itself and as publishers are responsible for the production of fascistic publications for individuals and Political Party. CNN ABC and countless thousands of newspapers, radio stations and media outlets ran coverage on Parforce members being fined in court more than 2 million dollars for far right activity and later convicted to 3 years Jail Sentence for Holocaust denial speeches. Clinton cash is a book solely about the alleged money laundering activity of the Clinton Foundation.

Dennis O'Brien owner of the Irish Independent known to Mark Stephens through his work appears in the book paying Clinton in cash backhanders, O'Brien today allows his own company's copyright to be hijacked by Neo Fascist racists and at the same time pays weekly undisclosed sums to antisemitic Parpoint to appear inside of fascistic publications issuing political statements that are used by far right extremists groups as propaganda and help generate revenue through sales of other publications sold by Parforce.

It is important for I Cringley bloggers to comprehend the connections outlined above. Certain members of The CIA have for many decades controlled the far right in both America, Ireland and UK and Arabs in the

middle East playing both sides off with each other, it is a common pastime of divide and rule. The book *Terror Inc* explains in full CIA involvement with Terrorists. There has been more American Government money Laundry and Terrorist related activity connected to the Democrat years than under the Republicans. In 2021 British Police Officers were convicted and sentenced for belonging to far right wing Neo Nazi terrorist cells that support Parforce. This article is written by leftist contributors who are politically opposed to fascist and racist ideology and any attempt by publishers to offer unusual "blends" of twisted fascistic holocaust revisionism to the general public.

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn was fined 250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of 200 for breaching the peace and being drunk in public.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because the police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

if you want your hammer back you would need about 5 million, hey you know we all got bills to pay and there's ONE on every flight.

Albert Smith Irish Independent : NUJ COVER UP

<https://azvsas.blogspot.com/2021/01/part-2-review-of-owen-jones-this-land.html>

Journalism and Politics share an essential common thread,once something is publically stated there is no turning back.David Irvings book Gorings Biography was subject to a court case in which this book itself was used as evidence,in summary Judge Gray renounced Irving as an antisemitic,racist holocaust denier for production,others including British politicians have gone further correctly naming Irving as a fascist.Albert Smith Irish Independent sub editor appears today inside the Digital Version of Gorings Biography describing this book in his own words as quote "a good offering" and a book that is "unlikely to raise hackles".Internet allegations include Smith as having a form of diplomatic immunity that protects him from being prosucted in courts and removal from the National Union of Journalists,apparently he can be be found as a named antisemitic journalist inside of Owen Jones "Wikiwand" site.

BBC News | UK | Judge: Why Irving had to lose

[Search domain news.bbc.co.uk] news.bbc.co.uk uk_news

It took Judge Charles Gray 300 strongly-worded pages to set out why he had found David Irving to be a Holocaust denier, an anti-Semite and a racist.

Hammer and stone used during Enniskerry fight

January 26 2006 12:11 AM

AN Enniskerry man who assaulted his sister's neighbour has been fined ?450 and bound to the peace for two years, following his appearance at Bray District Court.

32-year-old unemployed single man, Paul Quinn, of Naomh Ciaran, Enniskerry, was convicted of assault, criminal damage and public order offences arising out of an incident at the Monastery Grove estate, last summer.

The defendant had pleaded guilty to breaching the peace and being drunk in public at 22 Monastery Grove, Enniskerry, on July 17 last.

But he had denied breaking Patrick Jackson's window or assaulting him.

The court heard that Patrick Jackson was a neighbour and friend of the defendant's sister Adele Quinn, but Paul Quinn wanted to prevent the two from socialising together as Adele has a drink problem.

Jackson said he had called to Adele's house that morning, where the defendant, who was drunk at the time, had shouted abuse at him and followed him out of the house, but had fallen.

Jackson returned to his own home, but was followed by Quinn and a second man.

Both pushed their way into Mr Jackson's hallway, where they started fighting with Jackson and his son.

After being ejected from the house, the pair returned again. Quinn's accomplice had a hammer with him which he used to break glass panels in the door.

Quinn was 'strutting around like a bantam cock' and threw a stone at the window, cracking it, added Mr Jackson.

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn admitted that he was very drunk at the time and said he only 'vaguely' remembered the events.

Denying the charge of assault, he said he was 'too drunk to fight, let alone stand.' He admitted giving Jackson 'a lot of abuse' but didn't remember threatening him.

'The fact of the matter is, Mr Quinn advanced on Mr Jackson's house with someone with a hammer who then tried to batter down the front door of

the house,' said Judge Connellan, convicting Quinn of assault in spite of solicitor Joe Maguire's request for a direction in light of the fact that Jackson had given no evidence that he was physically assaulted by Quinn.

Quinn was fined ?250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of ?200 for breaching the peace and being drunk in public.

The unnamed socialist always maintained he was never involved in any weapons incident or that he was even present in the area when such an alleged incident occurred. Apparently in other articles found online the socialist claimed he swore in affidavits in court stating he was not present at the alleged incident. It is therefore logical to presume that circumstantially from an espionage angle there is enough online evidence and information to explain an invented incident/counter espionage tactic was used to illegally convict and punish the socialist writer for producing evidence that exposed amongst other Simon O'Brien chairman of GSOC as a potential MI6 operative and a former British police officer in the left wing press, this apparent inventory of Albert Smith should by now be setting off political firealarms amongst the International left wing.

The publications of the socialist are still found on the internet and these articles indicate very clearly that even before Smith's allegations were

mad through complaint process an article written by the Socialist exposed Simon OBrien the chairman of GSOC in the British left wing press as a former British police officer, whilst on the other hand Smiths newspaper at the same time the socialist articles were published on Simon OBrien being a former police officer, ran a cover up and didn't publish or indicate Simon O Brien was a former British police officer .

The Irish Independent news paper that Albert Smith worked for didnt print this evidence until much later on after Simon O Brien resigned from his job after different allegations were put to SimonO Brien,

So ask your selves as the readers of this article do you really believe that this socialist writer who exposed a cover up in Smiths own newspaper the Irish Independent just happens all of a sudden to appear before Smith on top of a mountain after exposing his paper running cover ups and then for no apparent reason threatens Smith with a weapon,when the socialist doesn't even know this chap? it sounds oh so bizare and mathematically inconceivable.The court affadavits even state the socialist wasn't even in the area when the incident took place and he doesn't know Smith as a person or even has held a conversation with the man in his entire life.

<http://www.irishtimes.com/news/crime-and-law/simon-o-brien-to-quit-as-chair-of-gsoc-to-take-up-role-in-uk-1.2057839>

Simon OBrien later left his job as chairman of GSOC after internal allegations that he was an MI6 operative used to export GSOC files back to MI5 on mass after espionage activity was suspected at GSOC headquarters.It was the socialists published articles that exposed MI5 knowledge of the IPCC and Simon Obrien obtaining a military based security contract for verimus security to work in screening Irish Government buildings, in a left wing political party news column that really set the rat amongst the greys.

One of the many articles produced by the socialist explained that the security company sent to Ireland by the IPCC (Verimus) was an MI5 connected company who uses staff from the same British Army regiment that killed Jean De-Menezes, whos death irionically was investigated by the IPCC themselves.The IPCC,MI5 and Simon Obrien collectively obtained the military contract together that got Verimus the work to look for bugs in Simon O Briens Irish offices where he was chairmen of GSOC all a bit to cosey?

Andrew Dedman left The British Army and joined the British Police,it is believed he was transferred because mathematically the badge number he was allocated to use as a police officer,(every police officer has there own badge or identitiy number on the "force") was 1001 ! the emphasis here is the actuall mathematical chances of owning this badge number in the British Police are practically ZERO its a computation that runs into many hundreds of thousands,as there are many hundreds of thousands of police officers so we believe it was a badge number on "Stand by". As we all know 1001 is a British expression or para phrase only in this particular persons instance its a thousand and one misuses as opposed

to uses. Andrew Dedman by name and nature was not a regular police officer. The name itself is an anagram of ...and your a deadman...A typically sinister calling card left on police files, court paperwork etc researches who quite often browse through British Intelligence files and Police Intelligence files would "lock" onto the "codeing" of coming across a name of DEATH 1001. Because of his initial location a town known as Hertford, Hertfordshire where he worked as a mere detective constable it is thought that he was part of a undercover military unit within the police or even a secret police officer, that is a police officer who has different roles, his expertise and British Army knowledge would have made him prime time for the job, still being able to work with the British Army itself.

This is because 20-30 years ago Hertford was the quintessential MI5 village situated far enough outside of Londons capital served with two railway stations (not many towns in UK have two railway stations!) the British railway station from Hertford actually takes trains right inside of the tube station underground!!! Moorgate station to be precise so this made security arrangements for MI5 workers less hassle to get around. Hertford itself is a rabbit warren a complete Maze, it had one of only three types of emergency nuclear underground base stations this can be found on google by typing <http://www.urbexdevil.co.uk/srhq-4-2-regional-government-bunker/> the Town has hundreds of inter connected footpaths, there everywhere, canals, rivers, viaducts, lakes, wooded areas nearby now abandoned air strip...the list goes on and on just look at google maps and everything within 5 miles radius of Hertford itself on the map and twenty years ago the place was a lot more quiet and the police were right good chaps. Andrew Dedman for his sins was a nasty right winger who tampered and experimented with systems and law probably the type that was very much aware of people like Oswald Moseley in fact Dedman looks remarkably similar to this man. He was a brutally cold police officer across between a ferret and British Army stiff upper lip type although the kind of skinny/medium type build chap that you would find camping somewhere in the middle of the Brecon Beacons eating worms and rumours surfacing on the net indicate he left the police and was found by Mossad agents living in Turkey they apparently got real personal by naming him a man with American armed force tattoos on his left arm on an alleged IDF site in Israel. Dedman probably is part of a sinister network of espionage/crime/drugs as Turkey is not the sort of

place a person would willingly live in being British Born no offence to the Turkish people here but it isn't many folks ideal port of call,hes either hiding there or working or both and probably for both sides at the same time if you know what I mean....Dedman tampered with the British Police force PNC computer system leaving a trail of disinformation behind him the extent of which will probably remain another mi5 well kept secret,these types of police officers have been involved in creating DATA BANKS which are not only used by police but Diplomats and British Intelligence which is part of creating the capitalist infrastructure of Britain itself all information is a tradeable commodity and at some point ends up in the Kremlin or Washington.Some folk say that the only thing that's secret about mi5 is where they live and how much money they earn each year everything else goes through the back door in one form or another...sorry chaps but that's the word...Dedman was involved in programming prisoners and the British mafia and Dedman itself is more a ring of pirates or network of people including criminals that help maintain protection within Britain.

PC Darren Brockwell pictured above was located some time ago at Snow Hill Police station,he was selected to become a "Special" police officer at Snow Hill,although the term "Special" is very much open to interpretation an inference can be drawn from this terminology,there are classified MI5 files held upon him that have been "Leaked" and for this reason the publishers of this article disclaim that they are not involved in obtaining MI5 information,It is rumoured that the Russian Government used agents to collect or trade information,information gathered or produced upon this page is part of "The Dedman Files".These files where obtained as a result of Mossad obtaining information on far right wing police officers in Britain one of whom was forced to leave the City of London Police Force for reasons that have yet to be classified or declassified or released.Darren is not an ordinary police officer, regular Police officers that work at Snow Hill are kept on Secondary MI5 Data Bases that require less security clearance to open up however they are still classified as MI5 Stock.The area in which Darren operates includes the Barbican Centre where Knighted persons work and attend the Barbican Complex.Security in the City of London where Darren worked is very high level and all Police and Military radio communications are constantly monitored by MI5 Departments for Security Reasons.Darren came from the Banking Industry and was involved in Security work within the Banks.The above picture of Darren Brockwell is freely available on google images and has been confirmed as the same police officer that Mossad has upon its own data bases.Andrew Dedman (MI5) data bases and files included a link up/extension into Darren Brockwell as they both served in the same force City of London Police.Dedman was transferred at around 2003 to an intelligence gathering unit based somewhere in the Wood Street area and was known to Inspector Burgeois through different forms of protocol Darren Brockwell was also linked to Inspector Burgeois site indexes and other MI5 data based material.Darren apparently according to MI5 files received a medal from the Queens of England and was placed on MI5 files with this information.It also states that he was approached by MI5 to start a Gay

rights group up in the City of London Police code named CHORUS.If Dedman hadn't of been "clipped" by Mossad then Darrens indexes wouldn't have turned up on Israel Intelligence files.Information upon left wingers obtained by Daren Brockwell was transferred to other European countries perhaps illegally however was then held by European forces despite the persons concerned not having criminal records in Europe where they where based, the information was then leaked and the information then became a risk to the persons life,in other words the persons life was put at risk because of leaking of information obtained by Dedman and his internal indexes – hence The Dedman Files.The information in Europe that was left by the City of London Police ended up in both Russia and Europe giving people passports back into British Intelligence itself...I don't want to have to say this but that's why bent cops have a thousand and one misuses.....

Dr Moayyad Al kamali AKA the "Tripoli Bad Grass" is known to the Russian federation as a Government employee (agent) vetted by both the FBI and CIA (who politically endorse the torture and killing of Palestinians),before he worked within US terrortories.Allegations made against this Doctor include espionage,torture,money laundry,sexual abuse,false imprisonment,kidnapping,extortion and connections to drug cartels.The Government (Bidens only friends) refused to comment on why one of their agents was found holding down three jobs at the same time!! one as the President of St Andrews College Alumni Association in Dublin,another as the Dead Doctor in a hospital and finally found double parked next to Mr Putins london Embassy,with over 20 Million Gross hidden in various bank accounts around the world!! Hotels are somewhat synalominous places and Emmigrating radio signals are unfortunately for Doctor Kamali in his absence hour an excepted form of evidence in court trials.

Former Irish Independent Sub-editor Albert smith exposed himself earlier this year as a British bought journalist working (undercover) in Ireland,his own publishing company got hacked into through Yandex servers based in Russia.A group of unknown anonymous researchers claimed on various American publishing sites some time ago that Smith

admitted to taking bribes from the Irish Police that's what TOR news stated – exactly that – bribes in the form of regular bank payments had been discovered being paid into bank accounts allegedly tracked and belonging to Smith, for legal reasons the bank details weren't disclosed however Smith's own admittance to the affair has been documented in writing and published publicly on various Russian sites for safe keeping.

Smith's own admission of accepting money from the police is a complicated political issue. In a country with a history of political violence that goes back decades this form of self-confessed espionage intel isn't simply going to go away, especially as Smith is a British citizen, furthermore working for the police isn't something that is mentioned in passing and then forgotten about, later on conveniently being brushed aside under some kind of magic carpet so to speak. It is an extremely serious political matter. Now that information of this calibre is finally in the Russian public domain Smith's ill-gotten gains become a statement of eventualities and more to the point inevitabilities.

The allegations derived from Smith's statement go far deeper than just accepting money from the police, in so much that the next question asked is how many other journalists in the Irish Independent newspaper have also been working for the Irish police? There doesn't seem to be much readily available evidence in Irish political history of journalists that have ever admitted to or proven to have worked for the Gardai before and so this recent Russian Yandex Hack seems to be another break through.

Albert Smith didn't care about who he spied upon and the Gardai themselves were always placing and mistaking people in different areas. Smith was stationed according to one internet web site and chosen by MI6 and the British Military to "plant" stories in the independent news paper he wrote an article about convicted fascist David Irving, Irving got 3 years for the books he published that were anti-semitic also Smith appear on Irving's home site promoting Irving's banned books incidently no normal journalist would have consented to promote a fascist like Irving and as Kieran Conway's book names fascists it has to be published here that Conway's past comments on fascists have been published :

<https://www.goodreads.com/book/show/24305635-southside-provisional>

Kieran Conway went up against Garda Patton and sergeant Heraughty of Enniskerry Garda station when he represented the socialist in Bray court. Another Garda involved in these areas was Garda Cullen formerly Stepside now Dundrum Garda Station, he should have blown the whistle on Heraughty and Patton a pair of right wing state protected spies that work for the American and British Intelligence service. The Garda station at Enniskerry has American police force uniform patches in the window the entire Enniskerry village is a MI6/CIA state protected right wing fascist safe haven, you can't publish sites on an Enniskerry Google entry, the powers that be remove any site placed on Google that lands on Enniskerry, try it for yourselves, and yes they follow your signal back to

where you live so do it somewhere else! If you type Enniskerry Nazi at Google prompt you find a worrying amount of right wing neo fascist sites all connected to this tiny little village in the countryside of Ireland.

lets start right from the begining so our readers dont get ED >>>
CHARGED,The clinton Foundation is partially CIA oriented, lots of evidence,now Big Bills bezzy number 1 mate in ireland is Dennis O Brien richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper.In the book Clinton cash Obrien is exposed as giving cash gifts to Clinton.Dennis Obrien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by Obriens newspaper (yandex hackerz found his not so secret accounts).Smith is a racist that appears in the digital version of Gorings Biography describing the book as a good offering (sick desturbed person) despite this Smith is still a member in the National Union of Journalists.Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which where cheap enough to buy then!!the writer was exposing the irish independent newspaper involvement with GCOC bugging affair with his laptop(his articles can still be found online with there coresponding dated codes and blots) when he was ambushed for no good reason by smith an irish independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversay date of martin luther kings death..say no more PROVEN..

Taken from TOR and found in Russia fedz files...dont believe??just ask the The Russian Embassy about the Wedgewood hotel next to their embassy in London or Paul Wheelan about police swaps...

Sergeant John heraghty is now known through this site and is verifiable through data/evidence provided as the court records on quin came from newspapers,he is also star witness to Albert Smith irish Independent newspaper having immunity from prosecution just, ask Kieran Conway Solicitors his barristar Freeman was present in court and witnessed Smith admitting to smashing up a laptop (that contained 130 bitcoins).Secondly Smith is found in the digital edition of Gorings Biography found upon fascist David Irvings own personall web site describing the book as a good offering and a book that he states isnt likely to raise any hackles,well you know the book Gorings Biography went on to get David Irving convicted and fined wait for this 2.5 million dollars for its paper back edition in court and as for Smith a self confessed racist the national Union of Journalists wont remove him,even though antisemitism and racism are 4 Biden because he has diplomatic immunity...heres his site bragging that hes British government agent,that

has worked for the police which is exactly what others said at the time of the hearing he wasn't.

and here's the final piece of evidence from yandex (russian servers)
paul...

can't say I'm not cooperating with the feds!!!! Apparently there is some kinda person looking for Kieran about CIA protection he sided with Smith apparently but I don't know it's just another tiny little piece of python code... you know and it's has anyone seen that web site with Michael Franks... a dead man walking at all?? anyone for a pork pie and a pint??

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers,there are many "Wiki" based sites with different "Wiki" names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!.Wikifreakz are left and oppose and fight racism,antisemitism and capatilist ideology,although realists that accept money is still needed in modern day life to survive todays "Freaks" are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk" out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.
