That Man Is the Worst Menace on the Beach

I ran across an [archive of ads that appeared in comic books](#). You can find famous ads for Sea Monkeys, Charles Atlas and the GI Joe Club.

They have one of my personal favorites, an ad for [Spalding](#) that ran for years in the 1970's called "Street Ball," which "starred" Rick Barry and Dr. J.

The Doctor is correct, those vinyl balls are too slick. It's knowledge like that that earned him that PhD.

They don't seem to have any of the [Hostess](#) ads where a character such as **Spiderman** or **Green Lantern** would battle a some criminal mastermind by throwing him delicious Hostess snacks. The nefarious criminal would get distracted enjoying the cupcakes or whatever and would get captured. I

guess it was easier than, I dunno, actually using those super powers. Makes you wonder why **Dr. Doom** or **Lex Luthor** was ever that much of a problem. I mean, they could have gotten some second rater like **Cannonball** or **Blue Beetle** to just throw the guy some Twinkies, right?

I am the kind of guy who enjoys to seek fresh stuff. Right now I'm constructing my personalized solar panels. I'm making it all by myself without the help of my staff. I am utilizing the net as the only path to achieve that. I ran across a very amazing website that explains how to make photovoltaic panels and so on. The place explains all the steps required to solar panel construction.

I'm not sure about how correct the info given there is. If some experts over here who have experience with these works can have a see and give your feedback in the page it would be grand and I'd extremely value it, cause I extremely take an interest in solar panel construction.

Thanks for reading this. You people are the best.

Good day, sun shines!

There have been times of hardship when I didn't know about opportunities of getting high yields on investments. I was a dump and downright pessimistic person.

I have never thought that there weren't any need in big starting capital.

Now, I feel good, I started take up real money.

It gets down to choose a correct companion who utilizes your funds in a right way - that is incorporate it in real deals, parts and divides the income with me.

You may get interested, if there are such firms? I have to tell the truth, YES, there are. Please be informed of one of them:

Albert Makashov, Communist Deputy in the Duma since 1995, had this to say about the Jews:

Wagner Group: The Kremlin's proxy army:

1.As a private military company, an opaque amalgamation of shadowy firms and contractors, Wagner has no official links to the Kremlin. But its ties to Yevgeniy Prigozhin, a close associate of Vladimir Putin and former restaurateur.

2.Wagner independently concludes contracts for its activities. But before concluding a contract, it coordinates within the structures of the Russian . Government most likely the defence ministry."

Dmitry Utkin is the founder of the infamous Wagner mercenary group, Utkin is the veteran of both Chechen wars and has participated in the Russian operations in Ukraine in 2014. He served in the GRU until 2013, after which he commanded a Spetsnaz unit, earning the rank of a lieutenant colonel. In 2013 he joined the Moran Security Group and in 2014 he established the Wagner Group, named after his nom de guerre his old callsign "Wagner." A photo recently surfaced of Utkin with Nazi tattoos, giving additional proof of his ideological leanings.

Wikileaks and Julian are connected to the “Wiki” syndicate of servers,there are many “Wiki” based sites with different “Wiki” names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk" out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

Solitors notes memoirs taken from "yandex sources" DEDOKTOBER related to previous bellingscat allegations.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in

court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for what ever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

lets start right from the beginning so our readers dont get ED >>> CHARGED, The Clinton Foundation is partially CIA oriented, lots of evidence, now Big Bills bezzy number 1 mate in Ireland is Dennis O'Brien richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper. In the book Clinton cash O'Brien is exposed as giving cash gifts to Clinton. Dennis O'Brien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by O'Brien's

newspaper (yandex hackerz found his not so secret accounts).Smith is a racist that appears in the digital version of Gorings Biography describing the book as a good offering (sick disturbed person) despite this Smith is still a member in the National Union of Journalists.Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which where cheap enough to buy then!!the writer was exposing the irish independent newspaper involvement with GCOC bugging affair with his laptop(his articles can still be found online with there coresponding dated codes and blots) when he was ambushed for no good reason by smith an irish independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversary date of martin luther kings death..say no more PROVEN..

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago, like what the hell is that all about?? Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies. Julian Assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end, if you know your history youll know what was said to Murray like we do by the "Muels" who handed over Clintons documents. The entire story behind it is double dutch "Andy", Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications?? and what were the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who were behind hit and hall. In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order, who themselves as agents are in fact working for Putin, there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched

Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

KIEARAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE PROTECTED WITNESSES There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled". His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irving's digital Book Goering's Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irving's Book Goering's Biography that of the book being "a good offering" he has had his

chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responcible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

NUJ heads will certianly roll over racist cover up involving Fascist David Irving.
This article will lay down the legal litigation compiled in part with Joe Elliots blog, amongst others.

Les freaks de wiki,Anarco/socialite par se isnt

running to Owens blog with this or even running for the next election.

News bloggers privately believe that the "reported failed Operation" to plant fibre Optic cables under the Ocean into a Cuban port complicitly implies that Irish Billionaire Dennis O Brien the owner of The Irish Independent Newspaper must be regarded by the Cuban Government as working for the CIA, because rumour has it his Cable media company was barred for amongst other for having close connections with the Clinton Foundation. Other Governments and countries in comparison already dealing in similar services to Cuba arent in any way at all prohibited or dealt with as security risks.

Dennis O Brien most certianly is part of an NUJ cover up involving Fascist author David Irving and the evidence contained here is conclusive. O Brien lives in Malta he has to apparently under a special Government protection order...you cant Spray on a wall there without somebody Knowing whos done it, its claimed by bloggers the protection supplied to O Brien is by private trained army based security.

When the Bellingcat racist allegations surrounding The Irish Independent Newspaper where first published a name of a National Union of Journalists sub editor that still receives personal weekly payments from this Alleged CIA Operative was named for the publics interest and safety. Far Right wing Fascist David Irving was fined over 2 million Dollars for being the Author of a book known as Gorings Biography in the British Courts where the paperback book itself was used as evidence to gain conviction. There are countless web sites about this court hearing where the judge sentencing branded Irving a racist antisemitic holocaust denier for writing this fascistic publication.

However despite this court hearing Dennis O Briens former personal NUJ Sub editor is found today providing antisemitic political statements that are printed under copyright law inside of the revised new digital edition of Gorings Biography, in full knowledge of the courts verdicts, which is both criminally and politically concerning to us at Freaks,an NUJ Sub editor that provides antisemitic material to a digital version of the book that he knows branded David Irving a nazi sympathizer and cost over 2 million in court fines for the production of and here is NUJ member Albert Smiths own words printed in the "added introduction "of the exact same book Gorings Biography describing it as a "Good Offering",The SUB editor Albert Smith named within the Bellingcat allegations also owns a company known as Parpoint publishers which we believe itself is of prosecutable interest as a specifically named piece of far right political evidence based on the following,

According to unofficial Russian sources,wait for this ,Parpoint publishing was derived from the blood and honour of two other separate publishing companys connected to the publishing of Gorings Biography (i) that of Irvings Parforce (ii) Focal point

This is an NUJ Life member where talking about here and we want to know why the NUJ havent removed him from their organization for his completely unacceptable representation and deceitful conduct,and antisemitic presentations.

PARPOINT publishing is found on LinkedIn and is a (net based) organization managed by an alleged British member of the National Union of Journalists that had allegations made against it of being antisemitic removed by Joe Elliot from a Bellingcat post on the grounds that the information source came from anonymous Russian "Yandex" based hackers.

Despite this setback further investigations and continued ongoing server monitoring of certain known extreme right wing Internet sites that promote fascism finally provided the hackers using Russian servers with the breakthrough

required to gain evidence and names that identify and proved beyond any scientific doubt whatsoever that this named "Google" listed enterprise is being used by convicted neo fascists to help raise finance and promote far right wing propaganda.

Parpoint can be clearly seen and witnessed on far right wing internet sites allowing other discredited racist publishing outlets the continued misuse of their own privately created copyrighted material.

Today with apparent approval, personalized work produced by Irish Independent Newspaper formed PARPOINT appears discriminatively printed inside of the introductory chapter of the Internationally condemned and digitally (revised) production of this neo fascist publication Gorings Biography, which was published later on after a high profile court case surrounding the paper edition.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will

perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present in its failure in substantiating and identifying for itself the criminality set out before it within this document

posted by  Anonimowy : sobota, kwietnia 02, 2022 6:11:00 PM

The NUJ may also wish to consider very carefully any further consequences that could arise from allowing a further Irish/American Government cover up of a holocaust denial digital publication that contains Irish Independent newspaper endorsement and copyright.

Many Individuals,organizations,writers and even Political parties across International borders can now perceive this highly organized form of (de criminalized?) antisemitism and racism as more than just a mere internal NUJ affair and without doubt perceive this privately maintained ongoing enigma as not just an attack on human rights issues but a complete hindrance to their own political and ideological writing beliefs and freedoms.

In demonstrating an irresponsible able attitude in helping to create fear and uncertainty within the general public and risking the safety of persons

that are personally persecuted and suffer from these types of orchestrated and antisemitic publishing crimes Parforce still relies upon the activity of "consent" from Parpoint that helped produced the overall copyright of Gorings Biography digital version under the barbaric form of "sacred trust" .

Yandex based Investigative journalism has already publically provided through "blog sites" more than enough insight to show that Parforce publishing represents the financial and political interests

of the holocaust denier author that was fined more than 2 million dollars for writing Gorings Biography in the first instance and in the process successfully identified the author as the main culprit and key member behind the discovery of a highly organized ongoing operation that has yet to be stopped in its tracks – that purposely incorporates the act of supplying modified criminality

It is no longer Parpoint claiming this sick neo fascist book is quote "a good offering" however it is seen that Parforce is proclaiming justification by association.

Parpoint media services produced material is unquestionably being misused by parforce and is undermining the very ethics of accepted journalism, and whilst left legally un challenged is a historical reference itself.

For the record It was derived that journalist Albert Smith formely of the Irish Independent newspaper who now advertises himself as a Government contracted agent ,during the investigative production of the Bellingcat allegations made against him was infact proven to have worked for both the police in the role of a

member of the NUJ and a copyright provider for a convicted racist criminal at the same time.

Many other disgraceful allegations are found scattered upon the Internet exposing this former Sub Editor as being amongst other a British person involved in intelligence gathering work, Notably though he is a person whom despite newspaper and media connections has never anywhere online to date publically denied involvement with the production of todays digital version of Gorings Biography or since the court hearings surrounding the books production personally in any way at all condemned its publication or the author or reissue of the digital publication with his own enclosed copyright material contained within it. Until publically stated otherwise by a legal authority this form of writ shall here be provided as pending evidence. It is perceived that naming the Author of Gorings Biography in this article would only serve to promote ideological far right beliefs the writer is a disgrace to the human race.. Both Parpoint and Parforce are condemned here in within this document as publishing companies.

In the application of "mens rea" any claim that the name of Parpoint has not been derived from the Blood and Hon of the two publishing companies printed and published in Gorings Biography known as Parforce and Focal Point is a question that now seemingly must have to be answered within International law itself.

Hilary Clinton and the Queens gambit

The I Cringley blog 911 to the man with a
hammer exclusively outlines Mark Stephens
concerns at
being used as a pawn by the IRA and reflects the
personal devastating traumatic effects that Al
Qaedaand Bin Laden left upon the citizens and
Government of America on that unexplained
day.Years later Both the IRA and Bin Laden alike
are proven to have worked in CIA operations after
leake documents exposed through the Freedom of
Information act where published in the interest of
the
public to outline these facts as admissible
evidence.

The Book Terror Inc tracing the Dollars behind
Terrorism contains a chapter on 911 itself which
explains how Bill Clinton was personally informed
of a pending incident years before the September
attacks on the world trade center building using
aircraft,this information at the time was treated
with skepticism ,the publication also outlines Bin
ladens connections with the CIA and how the IRA
collected finance in the US amongst other.

Dublin Solicitor Kieran Conway,the former head of
the IRA owns a business which is listed as having
earned him more than 1 million dollars net.In his
own autobiography he explains in detail events
that happened during the Clinton years which

Mark Stephens himself is personally aware of through his own investigative Irish Journalism. Conway refers to the wording of Fascists in the book, yet when he was involved in a court case in Ireland with The Irish Independent Newspaper/Parpoint media services he made the fatal mistake of purposely not informing Sinn Fein and their press outlet during the hearings or later on about the Independents dealings with convicted fascist members of the organization known as Parforce.

Parforce are alleged to have connections with Global Paramilitary terrorists that are known to the CIA itself and as publishers are responsible for the production of fascistic publications for individuals and Political Party. CNN ABC and countless thousands of newspapers, radio stations and media outlets ran coverage on Parforce members being fined in court more than 2 million dollars for far right activity and later convicted to 3 years Jail Sentence for Holocaust denial speeches.

Clinton cash is a book solely about the alleged money laundering activity of the Clinton Foundation.

Dennis O'Brien owner of the former Irish Independent owner known to Mark Stephens through his work appears in the book paying Clinton in cash backhanders, O'Brien allowed his own company's copyright to be hijacked by Neo Fascist racists and at the same time paid weekly undisclosed sums to antisemitic Parpoint to appear inside of fascistic publications issuing political statements that are used by far right extremists groups as propaganda and help generate revenue through sales of other publications sold by Parforce.

It is important for I Cringley bloggers to comprehend the connections outlined above. Certain members of The CIA have for many decades controlled the far right in both America, Ireland and UK and Arabs in the middle East playing both sides off with each other, it is a common pastime of divide and rule. The book Terror inc explains in full CIA involvement with Terrorists. There has been more American Government money Laundry and Terrorist related activity connected to the Democrat years than under the Republicans. In 2021 British Police Officers were convicted and sentenced for belonging to far right wing Neo Nazi terrorist cells that support Parforce. This article is written by leftist contributors who are politically opposed to fascist and racist ideology and any attempt by publishers to offer unusual "blends" of twisted fascistic holocaust revisionism to the general public.

The answer is quite simple to understand, in math there is countless thousands and ONE adjectives and words and then if you should combine words together you would have combinations running into millions so I Cringley becomes I Cringley trahstalk show inc or I Cringley software inc, or I cringley teror Inc... .

Albert Smith former editor of the Irish Independent is found on Linkden or what ever its called advertising his company known as Parpoint go "Google" it for your selves, or just type Albert Smith Irish Independent Newspaper on UK Google. Where he states hes worked as a

Government agent and the POLICE.

In murder and drug cases litigation is derived from amongst other intention and to be completely honest it wouldNT be difficult to find an FBI agent or Judge (who arent criminals and think about that for a minute),we are trained and qualified so we can state this!! that would ignore the "laws of evidence" in this case...par se...as in FEDERAL law if you see a law that a Judge can apply to eveidence you act accordingly.

The math probability of Parpoint not being derived as a company name from Parforce and Focal Point when Albert Smith appears in the same book Gorings Biography printed by parfoce and Focal point are so far reached against Smith that in Federal lawsir..in reply to your statement to the man with the Hammer...hes put on NOTICE here by under INTERNATIONAL law in context to "mens rea".PERIOD.

Russian ,Chinese ,European Solicitors will without doubt find The Clinton Foundation and its associates guilty as hell,are you arguing about Trump winning the election again next time R round?? ...Na ta bother..Albert Smith is a medically desturbed racist that appears to be diplomatically protected and is payed by CIA overlord Dennis O Brien ,a personal friend of Bill Clinton a weekly income,O Brien launders Clinton Foundation money period which is why the 'Big Gang" ousted his precious pet Hilarly and we wouldnt argue with Mr Farty mararti and Gatman about dis....they have more Russian gas and Rusky solicitors than you have cops.....BuDDy can you spare me a crime...and dont call me again unless you got the warrant..our fees are outlined and are none negotiable.As they say in Oldham ..."Go to sleep and forget about the Russian mafia"..We will bury you(in litigation).

W I K I F R E A K S W.W.V 16458825 Why is the NUJ not being investigated over racist allegations?

There are now two "camps" to choose from if thats the right word to use on whether or not to believe Wikifreakz recently claimed "blogged out " quote that London Town UK has finally become a despotic separatist state" is a reasonable assumption.The reasoning being is that there are so many obvious dividing issues . Prince Andrew finally bringing the credibility of Monarchy to an end and Police Commissioner Dick resignation cementing far right extremism within law and order are both examples of why you should flee from London, which itself has become a completely lawless and extremely dangerous area to operate in.

It seems without doubt the only road left for ordinary "sane" citizens is to contemplate the formation of a Republic.Last year saw Metropolitan Police Officers convicted of being terrorists with murder and rape convictions of Police officers becoming a regular common occurence.This is for many of us the last straw of brainwashing and brain damage that broke the Kamalis bank.

As leftist Socialist bloggers, who are always getting followed and our doors for ever getting "kicked in" by the far right wing door smashers for no reasoning at all we really arent taking any more chances not being a great fan of political violence or believing in the use of any political violence its time to disappear like woooshhh

....and unlike certain conservative writers and neo journalists who live in the land of the Care free and Fairies we have a moral duty to report racism and far right extremism firstly without being murdered for it, and secondly without being called delusionary ?? think about that whilst its still a human right to so but dont tell anyone just in case!...

Politicians and alleged antifascist organizations have remained mysteriously quite about the Bellingcat allegations concerning the National Union of Journalist members and so It is with great sadness that some of us state here that weve decided very recently never to enter into the London Metropolitan area of Fireland as they call it ever again or until it turns into a real Republic basically because its not worth risking our lives .Until their UK/Britain ever becomes a Republic where people are no longer treated as potential "Stateless" entities well be staying well clear of.

The recent written synopsis filled against the NUJ found on the net finalized our beliefs that the main press tabloids in this country and Europe are NOT to be totally believed or accepted anymore in their present format.

The National Union of Journalists should be held legally accountable for allowing Parpoint media services to remain as life members. An article released in America by Freakz this week on a site that got 1.7 k views in a day says a lot for the organization lecheile and was apparently released as a backlash to recent London Political events and the belief that it is ethically immoral to allow the NUJ to continue to have members that have been proven through Bellingcat allegations to be

associated with and openly work with members of Neo Fascist organizations.

So in a sentence this article is now directed against the NUJ for supporting racists. (arguing indirectly or directly ,making no difference)

In mens rea the legal question being did a person(s) have intention,and we will attempt to simplify this as follows:

Irish Independent newspaper evolved Parpoint politically joined Parforce all be it in a publishing arrangement at the very least .

Convicted Nazi sympathizers members of Parforce themselves recieved a 3 years convictions and fines in excess of 2 million Dollars for far right wing activity including the production of the neo nazi publication Gorings Biography that NUJ members of Parpoint today appear inside of issuing their own concerning political statements claiming the publication as a "good offering" ..Gorings Biography paperback edition incidently was used as evidence in UK courts to sentence Parforce members.

The courts certainly were not of the belief that the book was a good offering and it raised the judges hackles enough to fine the authors Parforce over 2 million dollars for its publication and in the process sentenced the publisher/writer as a Racist,antisemitic,holocaust denial nazi sympathizer .

The book was most certianly not a well balanced book far from it,the courts and press opinion is

that this fascistic publication is deeply offending and a form of political concern.

It is hereby suggested that the NUJ should now be investigated by Parliament and that these findings considered as reliable public evidence. The name Parpoint according to Russian Yandex blogs was evolved from the two publishing companies named in Gorings Biography digital version that of Parforce and Focal Point which in law makes Albert Smith Irish Independent newspaper found on BING UK GUILTY of contributing to a neo fascist organization known as Parforce and working at the same time as an NUJ member for the Gardai .

The Gardai of course shouldnt employ antisemitic or racist persons in law itself and should in theory investigate Smith for not informing them of his political association whilst remaining a member of the NUJ at the same time working for them, saying all this Dennis O'Brien former Irish Independent Newspaper owner was investigated by the CAB and we find it more than a coincidence that he was never questioned about Irish Independent newspaper copyright mis use, more interesting is the fact that after Smith filed other false statements to the Gardai O'Brien who is a Billionaire sold his paper for peanuts now that could perhaps just be Paranoia , then again guilty by association in America carries heavy weight and the Cubans refused O'Brien an under water communication cable contract apparently because of his connections with Clinton, and you know the score street year after year since the GSOC bugging affair Russian espionage vessels appear regularly on the west coast of Ireland to spy upon the underwater ocean cables running from America to Ireland...which apparently.....

The recent resignation of Police Commissioner Dick and the intervention of the Lord Mayor of London undoubtedly landmarks London Town, the Capital of the UK, as a despotic break away separatist state that has decided to sever itself from ordinary citizens.

Not regarding ourselves as being British and advocating an end to Monarchy and the beginning of a Republic here upon this island it is stated clearly as writers and publishers we are never returning to London until the country is proclaimed a Republic.

It is not our intentions to ever set foot within the boundry lines of the Metropolitan areas until this is achieved.Last year 2021 we witnessed police officers being convicted of being murderers,rapists and terrorists.

To the millions that freely choose to live the rest of their lives in London who are normal and left wing we wish you every kindness not supporting political violence we do not wish ourselves to suffer any longer the far right inside of the Metropolitan area.London is now under command and control of other Governments agents and Global finance.The Police and criminals and espionage agents,drug cartels and organized crime gangs work together collectively with the "New Order" we want no part of this separatist states inflicted violence and corrupt courts and mafia controlled health systems.

This is written as a 40km Russian Army convoy heads towards Kievvvvvvv.

Hilary Clinton and the Queens gambit

The I Cringley blog 911 to the man with a hammer exclusively outlines Mark Stephens concerns at being used as a pawn by the IRA and reflects the personal devastating traumatic effects that Al Qaedaand Bin Laden left upon the citizens and Government of America on that unexplained day.Years later Both the IRA and Bin Laden alike

are proven to have worked in CIA operations after leaked documents exposed through the Freedom of Information act where published in the interest of the public to outline these facts as admissible evidence.

The Book Terror Inc tracing the Dollars behind Terrorism contains a chapter on 911 itself which explains how Bill Clinton was personally informed of a pending incident years before the September attacks on the world trade center building using aircraft, this information at the time was treated with skepticism, the publication also outlines Bin ladens connections with the CIA and how the IRA collected finance in the US amongst other.

Dublin Solicitor Kieran Conway, the former head of the IRA owns a business which is listed as having earned him more than 1 million dollars net. In his own autobiography he explains in detail events that happened during the Clinton years which Mark Stephens himself is personally aware of through his own investigative Irish Journalism. Conway refers to the wording of Fascists in the book, yet when he was involved in a court case in Ireland with The Irish Independent Newspaper/Parpoint media services he made the fatal mistake of purposely not informing Sinn Fein and their press outlet during the hearings or later on about the Independents dealings with convicted fascist members of the organization known as Parforce.

Parforce are alleged to have connections with Global Paramilitary terrorists that are known to the CIA itself and as publishers are responsible for the production of fascistic publications for individuals and Political Party. CNN ABC and countless thousands of newspapers, radio stations

and media outlets ran coverage on Parforce members being fined in court more than 2 million dollars for far right activity and later convicted to 3 years Jail Sentence for Holocaust denial speeches.

Clinton cash is a book solely about the alleged money laundering activity of the Clinton Foundation.

Dennis O'Brien owner of the Irish Independent known to Mark Stephens through his work appears in the book paying Clinton in cash backhanders, O'Brien today allows his own company's copyright to be hijacked by Neo Fascist racists and at the same time pays weekly undisclosed sums to antisemitic Parpoint to appear inside of fascistic publications issuing political statements that are used by far right extremists groups as propaganda and help generate revenue through sales of other publications sold by Parforce.

It is important for I Cringley bloggers to comprehend the connections outlined above. Certain members of The CIA have for many decades controlled the far right in both America, Ireland and UK and Arabs in the middle East playing both sides off with each other, it is a common pastime of divide and rule. The book Terror inc explains in full CIA involvement with Terrorists. There has been more American Government money Laundry and Terrorist related activity connected to the Democrat years than under the Republicans. In 2021 British Police Officers were convicted and sentenced for belonging to far right wing Neo Nazi terrorist cells that support Parforce. This article is written by leftist contributors who are politically opposed to fascist and racist ideology and any attempt by publishers to offer unusual "blends" of twisted

fascistic holocaust revisionism to the general public.

Dr Moayyad Al kamali AKA the "Tripoli Bad Grass"

is known to the Russian federation as a Government employee (agent) vetted by both the FBI and CIA (who politically endorse the torture and killing of Palestinians), before he worked within US territories. Allegations made against this Doctor include espionage, torture, money laundry, sexual abuse, false imprisonment, kidnapping, extortion and connections to drug cartels. The Government (Biden's only friends) refused to comment on why one of their agents was found holding down three jobs at the same time!! one as the President of St Andrews College Alumni Association in Dublin, another as the Dead Doctor in a hospital and finally found double parked next to Mr Putin's London Embassy, with over 20 Million Gross hidden in various bank accounts around the world!! Hotels are somewhat synalominous places and Emmigrating radio signals are unfortunately for Doctor Kamali in his absence hour an excepted form of evidence in court trials. THE WEDGEWOOD HOTEL IS SITUATED A 3 MINUTE WALK FROM THE RUSSIAN EMBASSY IN LONDON. MR MOAYYAD AL KAMALI is a Medical Doctor from London. This person was born in April 1967. MR MOAYYAD AL KAMALI is Irish and resident in Ireland. This company officer is, or was, associated with at least 2 company Doctors roles. Companies associated with this officer had at least £6,888,675 shareholder value and £2,434,017 cash in recent accounts. Wedgewood Hotel Management has been in this business field for at least four years. Started under 09092355, this company is classified as a Private Limited Company. there have been three directors: Mohammed Al Kamali, Moayyad Al Kamali and Majid Al Kamali.....Wikiwritz

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently

purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

Taken from TOR and found in Russia fedz files...don't believe?? just ask the The Russian Embassy about the Wedgewood hotel next to their embassy in London or Paul Wheelan about police swaps...

Sergeant John Heraghty is now known through this site and is verifiable through data/evidence provided as the court records on Quinn came from newspapers, he is also star witness to Albert Smith Irish Independent newspaper having immunity

from prosecution just, ask Kiearan Conway Solicitors his barristar Freeman was present in court and witnessed Smith admitting to smashing up a laptop (that contained 130 bitcoins). Secondly Smith is found in the digital edition of Gorings Biography found upon fascist David Irvings own personall web site describing the book as a good offering and a book that he states isnt likely to raise any hackles, well you know the book Gorings Biography went on to get David Irving convicted and fined wait for this 2.5 million dollars for its paper back edition in court and as for Smith a self confessed racist the national Union of Journalists wont remove him, even though antisemitism and racism are 4 Biden because he has diplomatic immunity... heres his site bragging that hes British government agent, that has worked for the police which is exactly what others said at the time of the hearing he wasnt.

and heres the final piece of evidence from yandex (russian servers) paul...

cant say im not cooperating withe the fez!!!! apparently their is some kinda person looking for Kiearan about CIA protection he sided with Smith apparently but i dont know its just another tiny little piece of python code... you know and its has qanyone seen that web site with Michael frances... a dedman walking at all?? anyone for a pork pie and a pint??

Journalism and Politics share an essential common thread, once something is publically stated there is no turning back. David Irving's book *Goebbels: A Biography* was subject to a court case in which this book itself was used as evidence, in summary Judge Gray renounced Irving as an antisemitic, racist Holocaust denier for production, others including British politicians have gone further correctly naming Irving as a fascist. Albert Smith Irish Independent sub editor appears today inside the Digital Version of *Goebbels: A Biography* describing this book in his own words as quote "a good offering" and a book that is "unlikely to raise hackles". Internet allegations include Smith as having a form of diplomatic immunity that protects him from being prosecuted in courts and removal from the National Union of Journalists, apparently he can be found as a named antisemitic journalist inside of Owen Jones "Wikiwand" site.

It took Judge Charles Gray 300 strongly-worded pages to set out why he had found David Irving to be a Holocaust denier, an anti-Semite and a racist.

Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled'. His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irving's digital Book Goering's Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irving's Book Goering's Biography that of the book being "a good offering" he has had his chance, he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic. Smith's publishing company is easily found on US "BING" search engine and is

known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland has never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channels. Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

SERGEANT JOHN HERAUGHTY ENNISKERRY AND BRAY DISTRICT POLICE OFFICER

The Clinton Foundation needed false passports, they used Dennis O'Brien richest man in Ireland to get them, It was John Heraughty who signed false passport forms knowingly, he worked closely with other Wicklow Government agents one of them was Dr MOAYYAD AL KAMALI who as a doctor in the UK allegedly signed countless of muslim double agents up. They became a gang in Ireland... just check the records DR MOAYYAD AL KAMALI had three jobs at the same time as well as being a doctor right next to the Russian Embassy in London... too much of a coincidence mathematically and within probability, he owns the WEDGEWOOD HOTEL and is listed by the Russian Federation as a BRITISH INTELLIGENCE VETTED person. Trump was right the Clinton Foundation supplied 1000s of false IDs to terrorists and other muslims that hid them...

He served in the GRU until 2013, after which he commanded a Spetsnaz unit, earning the rank of a lieutenant colonel. In 2013 he joined the Moran Security Group and in 2014 he established the Wagner Group, named after his nom de guerre his old callsign "Wagner." 5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers, there are many "Wiki" based sites with different "Wiki" names that are part of a family tree, Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!. Wikifreakz are left and oppose and fight racism, antisemitism and capatilist ideology, although realists that accept money is still needed in modern day life to survive todays "Freaks" are cautious and are found within Arts, writing, music and of course computer publishing (an area the state and far right are

affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon, more to the point how far the far right will go to put "Wikifolk" out of business as Mr Assange himself will undoubtedly agree with. Julian is not of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Government agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise. It happened some time ago and the incident is linked to Bill Clintons top man (Dennis O'Brien richest person in Ireland), Clinton of course having connections with the CIA through the Clinton foundation of which O'Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

lets start right from the begining so our readers dont get ED >>> CHARGED,The clinton Foundation is partially CIA oriented, lots of evidence,now Big Bills bezzy number 1 mate in ireland is Dennis O Brien richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper.In the book Clinton cash Obrien is exposed as giving cash gifts to Clinton.Dennis Obrien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by Obriens newspaper (yandex hackerz found his not so secret accounts).Smith is a racist that appears in the digital version of Gorings Biography descibing the book as a good offering (sick desturbed person) despite this Smith is still a member in the National Union of Journalists.Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which where cheap enough to buy then!!the writer was exposing the irish independent newspaper involvement with GCOC bugging affair with his laptop(his articles can still be found online with there coresponding dated codes and blots) when he was ambushed for no good reason by smith an irish independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversay date of martin luther kings death..say no more PROVEN..

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago, like what the hell is that all about?? Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies. Julian Assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end, if you know your history you'll know what was said to Murray like we do by the "Muels" who handed over Clintons documents. The entire story behind it is double dutch "Andy", Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow

Clinton to use none encrypted communications??and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected. Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

NUJ heads will certianly roll over racist cover up involving Fascist David Irving.
This article will lay down the legal litigation compiled in part with Joe Elliots blog, amongst others.

Les freaks de wiki, Anarco/socialite par se isnt running to Owens blog with this or even running for the next election.

News bloggers privately believe that the "reported failed Operation" to plant fibre Optic cables under the Ocean into a Cuban port complicitly implies that Irish Billionaire Dennis O Brien the owner of The Irish Independent Newspaper must be regarded by the Cuban Government as working for the CIA, because rumour has it his Cable media company was barred for amongst other for having close connections with the Clinton Foundation. Other Governments

and countries in comparison already dealing in similar services to Cuba are in any way at all prohibited or dealt with as security risks.

Dennis O'Brien most certainly is part of an NUJ cover up involving Fascist author David Irving and the evidence contained here is conclusive. O'Brien lives in Malta; he has to apparently be under a special Government protection order...you can't spray on a wall there without somebody knowing who's done it, it's claimed by bloggers the protection supplied to O'Brien is by private trained army based security.

When the Bellingcat racist allegations surrounding The Irish Independent Newspaper were first published, a name of a National Union of Journalists sub-editor that still receives personal weekly payments from this alleged CIA operative was named for the public's interest and safety. Far right wing Fascist David Irving was fined over 2 million dollars for being the author of a book known as Goebbels' Biography in the British Courts where the paperback book itself was used as evidence to gain conviction. There are countless web sites about this court hearing where the judge sentencing branded Irving a racist antisemitic Holocaust denier for writing this fascist publication.

However, despite this court hearing, Dennis O'Brien's former personal NUJ sub-editor is found today providing antisemitic political statements that are printed under copyright law inside of the revised new digital edition of Goebbels' Biography, in full knowledge of the court's verdicts, which is both criminally and politically concerning to us at FREAKS, an NUJ sub-editor that provides antisemitic material to a digital version of the book that he knows branded David Irving a Nazi sympathizer.

and cost over 2 million in court fines for the production of and here is NUJ member Albert Smiths own words printed in the "added introduction "of the exact same book Gorings Biography describing it as a "Good Offering",The SUB editor Albert Smith named within the Bellingcat allegations also owns a company known as Parpoint publishers which we believe itself is of prosecutable interest as a specifically named piece of far right political evidence based on the following,

According to unofficial Russian sources,wait for this ,Parpoint publishing was derived from the blood and honour of two other separate publishing companys connected to the publishing of Gorings Biography (i) that of Irvings Parforce (ii) Focal point

This is an NUJ Life member where talking about here and we want to know why the NUJ havent removed him from their organization for his completely unacceptable representation and deceitful conduct,and antisemitic presentations.

KIERAN CONWAY SOLICITORS January 2, 2022 at 6:12 pm – Reply

KIEARAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE PROTECTED WITNESSES There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled" .His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being dipolmatically protected from prosecution to organizations such as Sinn Fein after Smith

admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irving's digital Book Goering's Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ
COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irving's Book Goering's Biography that of the book being "a good offering" he has had his chance, he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic. Smith's publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irving's publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland has never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channels. Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media

outlet of a Journalist smashing up a writers laptop
and not being charged for the offence.

PRO BONO

The Conspiracy Law, Guilty by Association

Dennis O Brien the registered owner of the Irish Independent Newspaper is named as an associate of William Clinton in the book Clinton Cash. Former Sub Editor Albert Smith receives a weekly income from Dennis O Brien business activities.

The company Parpoint (allegedly owned by Albert Smith) is forensically associated with Both Parforce and Focal Point ,the publishers of the Digital Book known as Gorings Biography.

ALBERT SMITH A FORMER SUB EDITOR OF THE IRISH INDEPENDENT NEWSPAPER IS EXPOSED AS A RACISTS SYMPATHIZER.

British NUJ member Albert Smith advertises himself upon Linkedin as Parpoint,

he is found inside the Holocaust denial digital production of Goring Biography.

This publication was written by a feared convicted Fascist and founder of the far right neo nazi organization known as Parforce. For those perhaps not familiar or indeed aware of this organization readers may remember when UK MP Michael Gove was exposed by Guardian newspaper journalists as owning Parforce material.

Goring Biography itself was used in a well documented court case as evidence to convict Parforce members of being racist, antisemitic neo nazi sympathizers, and here is Smith years later found inside of the reproduced digital publication describing it in his own sick disturbed wording as a "good offering", Smith also went on to state that the book wasn't likely to raise any hackles...the judge after reading the evidence of a Cambridge Professors report compiled about this publication ordered Parforce to be fined over 2.5 million dollars. The same Parforce members that published Goring Biography also received a three year sentence for other Holocaust denial activity.

Albert Smith's Goring Biography copyright at the time belonged to Billionaire businessman Dennis O'Brien's newspaper the Irish Independent. we claim that the NUJ should be forced to sever from Parpoint publishing as it is obvious that Parforce are using the NUJ members produced copyright to profit at the NUJ's expense and to take this further there are the legal implications of Smith's company being named after the two

publishing companies Parforce/Focal
Point hence Parpoint. The Library of Congress
Cataloging-in-Publication Data
found below is used to support this contention.

The Cuban Government turned down Dennis
Obriens underwater cable communications
contract, we claim because of his connections with
the Clinton Foundation who basically
operate on behalf of the CIA, during contact with
Bellingcat a number of years ago through
Elliot Higgins blog site, research showed that
Smith trained in the United States and
today receives a weekly payment from one of the
many accounts set up by O'Brien.

Both the public and NUJ journalists should be
protected from the far right that
are at present manipulating and using NUJ
members material within their publications
upon legal grounds as the money received from
Parforce publications is used amongst
other to pay for the 2.5 million dollar court
fine. The NUJ ought to be investigated.
Irish politicians remain silent upon this subject as
and so does right wing Dublin
solicitor Kieran Conway who is aware from his own
court cases having dealt with Smith
that he is a proven liar with immunity from
prosecution.
