Dr Moayyad Al kamali AKA the “Tripoli Bad Grass” is known
to the Russian federation as a
Government employee (agent) vetted by both the FBI and
CIA (who politically endorse the
torture and killing of Palestinians),before he worked within
US terrortories.Allegations made
against this Doctor include espionage,torture,money
laundry,sexual abuse,false
imprisonment,kidnapping,extortion and connections to drug
cartels.The Government (Bidens
only friends) refused to comment on why one of their agents

was found holding down three jobs
at the same time!! one as the President of St Andrews
College Alumni Association in
Dublin, another as the Dead Doctor in a hospital and finally
found double parked next to Mr
Putins london Embassy, with over 20 Million Gross hidden in
various bank accounts around the
world!! Hotels are somewhat synalominous places and
Emmigrating radio signals are
unfortunately for Doctor Kamali in his absence hour an
excepted form of evidence in court trials.
THE WEDGEWOOD HOTEL IS SITUATED A 3 MINUTE WALK
FROM THE RUSSIAN EMBASSY
IN LONDON. MR MOAYYAD AL KAMALI is a Medical Doctor from
London. This person was born
in April 1967. MR MOAYYAD AL KAMALI is Irish and resident in
Ireland. This company officer is,
or was, associated with at least 2 company Doctors
roles. Companies associated with this officer
had at least £6,888,675 shareholder value and £2,434,017
cash in recent accounts. Wedgewood
Hotel Management has been in this business field for at least
four years. Started under
09092355, this company is classified as a Private Limited
Company. there have been three
directors: Mohammed Al Kamali, Moayyad Al Kamali and
Majid Al Kamali.....Wikiwritz

MI6 sting operation against the Irish Statutory Body GSOC -
The Resignation of Chairman Simon O'Brien a former British
Police Officer.

Here's the site below it's prohibited find out for yourselves by
tapping link below.

<https://issuu.com/kieranconway>.

We've stripped out the contents of the site and pasted it
onto this page it's the pdf file below entitled Andrew
Dedman MI5 just click onto the wording Andrew Dedman
MI5.

ANDREW DEDMAN MI5

Paste Andrew Dedman MI5 at Yahoo or Google search
engines for more info on this fascist creep, according to dark
web sources he basically tampered with British Government
computer systems and then exported the data to Ireland
where far right wing "patsys" made good with the stolen
and "faked" info to pay for their cars and houses.

Reliable net sources explain that Andrew Dedman was a
former British Army officer who was assigned to work in the
police for a time in specialist work but later on in his career
left the police in mysterious circumstances, that till this day
have never been truly explained. We know from wiki-
obtained police data whilst in the British army Dedman
worked in South America, and was allegedly involved in
espionage work involving operations against South American
communists, he was assigned the warrant number 1001
whilst in the police and the last known location for Dedman
as a police officer was in an intelligence gathering unit in
the City of London, International net sources found Dedman
working in Turkey shortly after leaving the police by the
Israel Intelligence service. Turkey as everybody knows is the
gateway for heroin into Britain and Ireland. Below url is an
introduction to Andrew Dedman, remove the wording from
the site as jpgs add to your desktop and use magnifier

application to read properly.

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the “Wiki” syndicate of servers,there are many “Wiki” based sites with different “Wiki” names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of “Wiki” although their are obvious political rules!.Wikifreakz are left and oppose and fight racism,antisemitism and capatilist ideology,although realists that accept money is still needed in modern day life to survive todays “Freaks” are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk” out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only “Wiki” martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over

(130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise. It happened some time ago and the incident is linked to Bill Clintons top man (Dennis O'Brien richest person in Ireland), Clinton of course having connections with the CIA through the Clinton foundation of which O'Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government. The Racist Hypocrisy of the Irish Press and Joe Biden attempt to “cover up” continued ongoing Democratic involvement and misuse of Irish newspapers.

This Irish Independent newspaper is not a friend of left wing politics or free speech in the Republic of Ireland or anywhere else for that matter,(Wikileaks are writing for Dark Politricks right to produce free speech!).The hidden,hideous and hypocritical double standards of this newspaper owned by Dennis O'Brien are found in the book“Clinton Cash” which exposes the Clinton Foundation (another front for the CIA) collecting millions of dollars at dinner parties around the world.Clinton himself made brief speeches costing upwards of over 100,000 dollars.Dennis O'Brien is named in the book Clinton cash presenting the Clinton foundation with countless thousands of “green back” in exchange for guest appearances organized by the OBrien Empire.

Copyrighted material belonging to the Irish Independent newspaper can be found inside of a pdf version of a Racist Neo Fascist book known as Gorings Biography written by a convicted “modern day” fascist who was fined over two million pounds for its production in the British courts.Dennis O'Brien is personally aware of the author and the Irish Independent copyright used in the specific pdf book version,however despite being listed as the richest person in Ireland he has no personal intentions of removing the copyrighted material through the court system.We completely condemn the racist actions of the Irish Independent in allowing their copyright to be produced in the first instance and later used in Gorings Biography and also condemn Joe Biden Government for remaining silent on “Wikileaks - Irelands CIA Operations”.

London CT Publishing :

Luc Montagnier, was one of the co finders of HIV, before Luc statements were issued London CT Publishing placed articles upon Dark Politricks web publishing site explaining that certain proteins found within COVID-19 are remarkably similar to HIV virus. Furthermore based on paralegal work London CT Publishing although not qualified put forward another theory that whenever a virus mutates from species to species basically many Doctors explain that the protein structures of the new mutated virus in this case COVID- 19 will have changed from where ever it came from - thats kinda easy to understand, what happens when a virus mutates is it becomes more friendly towards other virus (we dont mean friendly as in the new virus wants to facilitate in a way to benefit the infected virus we mean it has to

change its structure in order to physically bond to another virus) the problem is as follows there are 2 bat coronavirus that are about 90 percent or above similar to COVID-19 (go to Datk Politricks for more info) HOWEVER there are 100 percent similarities in certain areas between the bat virus proteins and COVID - 19 proteins and to date certain Doctors claim that would be impossible because in order for the the virus to have mutated the proteins discovered that match according to world microbiology studies wouldnt match!! unless COVID -19 was engineered (man made)

Taken from Abu Stabooleeni [Dark Web Productions] from the article -staking alot of crime out.Dr Moayyad Al kamali radio shack.

There are no rules in espionage only Dedman,Alexander Fretovalante.

Their Russian Embassy in London doesnt belong to Trump any more,the word is hes going one way or the other in the ded in the fed everyone pays eventually,he was cemented in around the time when 5G was pulled by British Prime minister Boris Johnston, guess the Fedz tell ya nonce and once only.

The story line is riddled,what is clear is that the former head of psychiatry in Dublin was most definitely vetted as CIA files hacked out by wikileaks along with his personal bank accounts proved a hidden amount of money Gross 20 million came from alleged British Inrelligence sources.

Paragraph taken from article.

Explained simply if the CIA and Irish Government security clear a person before allowing them to become the Head of a Department its not likely hes working for the

Russians, right!? So when a group of ham radio dicks discovered military microwaves emitting from the Wedgewood Hotel 4 minutes walkie talk from the Russian Embassy you kinda figure it. The hotel was checked out and don't ask us, it belongs to Dr Moayyad Al Kamali, only it goes a bit further a lot further in truth the Russians themselves never denied the allegations that Kamali was monitoring them. This has been going on for years.

""""WORLD EXCLUSIVE FOR BELLINGCAT""""

Bellingcat arent the only concerned individuals in this

world! London CT Publishing have been working behind the scenes for decades uncovering far right activity! Coronavirus has become a publishers enigma however two recent developments must be provided so that those that claim the virus isnt man made must themselves be DEBUNKED here right now.

5G - COVID19- Microwaves

Robya August 23, 2020 at 6:55 am - Reply

Taken from Abu Stabooleeni [Dark Web Productions] from
the article -staking alot of crime out.Dr Moayyad Al kamali
radio shack.

There are no rules in espionage only Dedman,Alexander
Fretovalante.

Their Russian Embassy in London doesnt belong to Trunp any
more,the word is hes going one way or the other in the ded
in the fed everyone pays eventually,he was cemented in
around the time when 5G was pulled by British Prime
minister Boris Johnston, guess the Fedz tell ya nonce and
once only.

The story line is riddled,what is clear is that the former
head of psychiatry in Dublin was most definitely vetted as
CIA files hacked out by wikileaks along with his personal
bank accounts proved a hidden amount of money Gross 20
million came from alleged British Inrelligence sources.

Paragraph taken from article.

Explained simply if the CIA and Irish Government security
clear a person before allowing them to become the Head of
a Department its not likely hes working for the
Russians,right!?! So when a group of ham radio dicks
discovered military microwaves emitting from the
Wedgewood Hotel 4 minutes walkie talk from the Russian
Embassy you kinda figure it.The hotel was checked out and
dont ask us,it belongs to dr Moayyad Al kamali,only it goes a
bit further alot further in truth the Russians themselves
never denied the allegations that Kamali was monitoring
them.This has been going on for years.

“”””WORLD EXCLUSIVE FOR BELLINGCAT”””””

Bellingcat arent the only concerned individuals in this world! London CT Publishing have been working behind the scenes for decades uncovering far right activity! Coronavirus has become a publishers enigma however two recent developments must be provided so that those that claim the virus isnt man made must themselves be DEBUNKED here right now.

1.Professor Luc Montagnier, 2008 Nobel Prize winner for Medicine, claims that SARS-CoV-2 is a manipulated virus.

2.TIME LINE ON VIDEO 5;52 DO YOU BELIEVE THE VIRUS WAS MAN MADE OR GENETICALLY MODIFIED

MIKE POMPEO REPLIES : THE BEST EXPERTS BELIEVE IT WAS MAN MADE I HAVE NO REASON TO DISBELIEVE THAT AT THIS POINT.

<https://www.msn.com/en-gb/news/coronavirus/pompeo-says-enormous-evidence-virus-came-from-wuhan-lab/ar-BB13xYQ9?OCID=ansmsnnews11>

London CT Publishing :

Luc Montagnier, was one of the co finders of HIV,before Luc statements were issued London CT Publishing placed articles upon Dark Politricks web publishing site explaining that certain proteins found within COVID-19 are remarkably similar to HIV virus.Furthermore based on paralegal work London CT Publishing although not qualified put forward another theory that whenever a virus mutates from species to species basically many Doctors explain that the protein structures of the new mutated virus in this case COVID- 19 will have changed from where ever it came from - thats kinda easy to understand,what happens when a virus mutates is it becomes more friendly towards other virus (we dont mean friendly as in the new virus wants to facilitate in a way to benefit the infected virus we mean it has to

change its structure in order to physically bond to another virus) the problem is as follows there are 2 bat coronavirus that are about 90 percent or above similar to COVID-19 (go to Datk Politricks for more info) HOWEVER there are 100 percent similarities in certain areas between the bat virus proteins and COVID - 19 proteins and to date certain Doctors claim that would be impossible because in order for the the virus to have mutated the proteins discovered that match according to world microbiology studies wouldnt match!! unless COVID -19 was engineered (man made)

The Author IS NOT AN AUTHORITY AND ONLY HAS BASIC PARALEGAL EXPIERENCE to state the above.This is evidence provided not the authors opinions!

Albert Smith didn't care about who he spied upon and the
Gardai themselves were always placing and mistaking
people in different areas. Smith was stationed according to
one internet web site and chosen by MI6 and the British
Military to "plant" stories in the independent news paper he
wrote an article about convicted fascist David Irving, Irving
got 3 years for the books he published that were anti
semitic also Smith appears on Irving's home site promoting
Irving's banned books incidentally no normal journalist would

have consented to promote a fascist like Irwing and as Kieran Conways book names fascists it has to be published here that Conways past comments on fascists have been published :

<https://www.goodreads.com/book/show/24305635-southside-provisional>

Kieran Conway went up against Garda Patton and sergeant Heraughty of Enniskerry Garda station when he represented the socialist in Bray court. Another Garda involved in these areas was Garda Cullen formerly Stepside now Dundrum Garda Station, he should have blown the whistle on Heraughty and Patton a pair of right wing state protected spies that work for the American and British Intelligence service. The Garda station at Enniskerry has American police force uniform patches in the window the entire Enniskerry village is a MI6/CIA state protected right wing fascist safe haven, you cant publish sites on an Enniskerry Google entry, the powers that be remove any site placed on Google that lands on Enniskerry, try it for yourselves, and yes they follow your signalex back to where you live so do it somewhere else! If you type Enniskerry Nazi at Google prompt you find a worrying amount of right wing neo fascist sites all connected to this tiny little village in the countryside of Ireland.

Albert Smith MI6 May 24, 2020 At 7:42 pm

Former Irish Independent Sub-editor Albert smith exposed himself earlier this year as a British bought journalist working (undercover) in Ireland, his own publishing company got hacked into through Yandex servers based in Russia. A group of unknown anonymous researchers claimed on various American publishing sites some time ago that Smith admitted to taking bribes from the Irish Police that's what TOR news stated - exactly that - bribes in the form of regular bank payments had been discovered being paid into bank accounts allegedly tracked and belonging to Smith, for legal reasons the bank details weren't disclosed however Smith's own admittance to the affair has been documented in writing and published publicly on various Russian sites for safe keeping.

Smith's own admission of accepting money from the police is a complicated political issue. In a country with a history of political violence that goes back decades this form of self-confessed espionage intel isn't simply going to go away, especially as Smith is a British citizen, furthermore working for the police isn't something that is mentioned in passing and then forgotten about, later on conveniently being brushed aside under some kind of magic carpet so to speak. It is an extremely serious political matter. Now that information of this calibre is finally in the Russian public domain Smith's ill-gotten gains become a statement of eventualities and more to the point inevitabilities.

The allegations derived from smiths statement go far deeper than just accepting money from the police,in so much that the next question asked is how many other journalists in the Irish Independent newspaper have also been working for the Irish police? ,There doesnt seem to be much readily available evidence in Irish political history of journalists that have ever admitted to or proven to have worked for the Gardai before and so this recent Russian Yandex Hack seems to be another break through.

Dr Moayyad Al kamali AKA the "Tripoli Bad Grass" is known to the Russian federation as a Government employee (agent) vetted by both the FBI and CIA (who politically endorse the torture and killing of Palestinians),before he worked within US terrortories.Allegations made against this Doctor include espionage,torture,money laundry,sexual abuse,false imprisonment,kidnapping,extortion and connections to drug cartels.The Government (Bidens only friends) refused to comment on why one of their agents was found holding down three jobs at the same time!! one as the President of St Andrews College Alumni Association in Dublin,another as the Dead Doctor in a hospital and finally found double parked next to Mr Putins london Embassy,with over 20 Million Gross hidden in various bank accounts around the world!! Hotels are somewhat synalominous places and Emmigrating radio signals are unfortunately for Doctor Kamali in his absence hour an excepted form of evidence in court trials.
THE WEDGEWOOD HOTEL IS SITUATED A 3 MINUTE WALK FROM THE RUSSIAN EMBASSY
IN LONDON.MR MOAYYAD AL KAMALI is a Medical Doctor from London. This person was born in April 1967. MR MOAYYAD AL KAMALI is Irish and resident in Ireland. This company officer is, or was, associated with at least 2 company Doctors roles.Companies associated with this officer

had at least £6,888,675 shareholder value and £2,434,017 cash in recent accounts. Wedgewood Hotel Management has been in this business field for at least four years. Started under 09092355, this company is classified as a Private Limited Company. there have been three directors: Mohammed Al Kamali, Moayyad Al Kamali and Majid Al Kamali.....Wikiwritz

FAT FREDDY SITE HERE!!
<https://fatfreddiesite.wordpress.com/>

Albert Smith was assigned to search the wooded area of one of his many safe houses (knocknashee cottage) Shop River,Enniskerry Wicklow. Where Fat Freddie gang allegedly hid heroin in the wooded areas there. Garda John Heraughty and Garda Patton had the area “staked” out for hidden drugs brought at night time from Glencullen VIA Dublin.The knackers at pairc na sillogue jumped into the woods late at night and distributed the drugs in Bray town.Web sites about Albert smith can be found at Yahoo search and Google...
Albert Smith M16... Picture above Fat “FreDDie” Thompson.

Philip O Toole was dealt with a wound from a shotgun in 2011 in the car park of pairc na sillogue,he was later found a Dedman in Wicklow woods in 2013,nobody has ever been charged with his murder.O Tooles death was attributed to large amounts of Heroin allegedly buried in the woods behind Albert Smiths cottage.Albert Smith was involved in anti terrorist operations involving alleged IRA members who used “old Bayford style caravns” parked in local lanes in the area owned by the family of the Careys.Internet sites claim that a local IRA member “Thacker” was involved in controlling the wooded area, a feud between the British agent Smith and Thacker was evident though not violent, but there was a deep dislike of Smith as a known British agent born in England.The IRA units from Bray and other areas where given orders not to harm Albert Smith,for whatever reasons, which isn’t unusual as Ireland itself has a protected tout on every corner.Smith according to internet sources worked for British intelligence placing stories into the Irish independent newspaper,he was exposed as a spy that regulary gave evidence to the Gardaí (God bless ya yer little bollox) and worked as a sub editor for the newspaper.The claims are that the British Intelligence service were involved in importing Heroin from U.K and then used the “little” fellas to store it and distribute the powder.This rings true as Kieran Boylan was involved in bringing in heroin from wales -nothing gets over Holyhead without the secret service involved!!!

Andrew Dedman left The British Army and joined the British Police,it is believed he was transferred because mathematically the badge number he was allocated to use as a police officer,(every police officer has there own badge or identitiy number on the “force”) was 1001 ! the emphasis here is the actuall mathematical chances of owning this badge number in the British Police are practically ZERO its a computation that runs into many hundreds of thousands,as there are many hundreds of thousands of police officers so we believe it was a badge number on “Stand by”. As we all know 1001 is a British expression or para phrase only in this particular persons instance its a thousand and one misuses as opposed to uses.Andrew Dedman by name and nature was not a regular police officer.The name itself is an anagram of ...and your a deadman...A typically sinister calling card left on police files,court paperwork etc researches who quite

often browse through British Intelligence files and Police Intelligence files would "lock" onto the "codeing" of coming across a name of DEATH 1001. Because of his initial location a town known as Hertford, Hertfordshire where he worked as a mere detective constable it is thought that he was part of a undercover military unit within the police or even a secret police officer, that is a police officer who has different roles, his expertise and British Army knowledge would have made him prime time for the job, still being able to work with the British Army itself.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers, there are many "Wiki" based sites with different "Wiki" names that are part of a family tree, Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!. Wikifreakz are left and

oppose and fight racism,antisemitism and capatilist ideology,although realists that accept money is still needed in modern day life to survive todays “Freaks” are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk” out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only “Wiki” martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government.

Andrew Dedman left The British Army and joined the British Police,it is believed he was transferred because mathematically the badge number he was allocated to use as a police officer,(every police officer has there own badge or identitiy number on the “force”) was 1001 ! the emphasis here is the actuall mathematical chances of owning this badge number in the British Police are practically ZERO its a computation that runs into many hundreds of thousands,as there are many hundreds of thousands of police officers so we believe it was a badge number on “Stand by”. As we all

know 1001 is a British expression or para phrase only in this particular persons instance its a thousand and one misuses as opposed to uses. Andrew Dedman by name and nature was not a regular police officer. The name itself is an anagram of ...and your a deadman...A typically sinister calling card left on police files, court paperwork etc researches who quite often browse through British Intelligence files and Police Intelligence files would "lock" onto the "codeing" of coming across a name of DEATH 1001. Because of his initial location a town known as Hertford, Hertfordshire where he worked as a mere detective constable it is thought that he was part of a undercover military unit within the police or even a secret police officer, that is a police officer who has different roles, his expertise and British Army knowledge would have made him prime time for the job, still being able to work with the British Army itself.

This is because 20-30 years ago Hertford was the quintessential MI5 village situated far enough outside of London's capital served with two railway stations (not many towns in UK have two railway stations!) the British railway station from Hertford actually takes trains right inside of the tube station underground!!! Moorgate station to be precise so this made security arrangements for MI5 workers less hassle to get around. Hertford itself is a rabbit warren a complete Maze, it had one of only three types of emergency nuclear underground base stations this can be found on google by typing <http://www.urbexdevil.co.uk/srhq-4-2-regional-government-bunker/> the Town has hundreds of interconnected footpaths, there everywhere, canals, rivers, viaducts, lakes, wooded areas nearby now abandoned air strip... the list goes on and on just look at google maps and everything within 5 miles radius of Hertford itself on the map and twenty years ago the place was a lot more quiet and the police were right good chaps. Andrew Dedman for his sins was a nasty right winger who tampered and experimented with systems and law probably the type that was very much aware of people like Oswald Mosley in fact Dedman looks remarkably similar to this man. He was a brutally cold police officer across between a ferret and British Army stiff upper lip type although the kind of skinny/medium type build chap that you would find camping somewhere in the middle of the Brecon Beacons eating worms and rumours surfacing on the net indicate he left the police and was found by Mossad agents living in Turkey they apparently got real personal by naming him a man with American armed force tattoos on his left arm on an alleged IDF site in Israel. Dedman probably is part of a sinister network of espionage/crime/drugs as

Turkey is not the sort of place a person would willingly live in being British Born no offence to the Turkish people here but it isn't many folks ideal port of call,hes either hiding there or working or both and probably for both sides at the same time if you know what I mean....Dedman tampered with the British Police force PNC computer system leaving a trail of disinformation behind him the extent of which will probably remain another mi5 well kept secret,these types of police officers have been involved in creating DATA BANKS which are not only used by police but Diplomats and British Intelligence which is part of creating the capitalist infrastructure of Britain itself all information is a tradeable commodity and at some point ends up in the Kremlin or Washington.Some folk say that the only thing that's secret about mi5 is where they live and how much money they earn each year everything else goes through the back door in one form or another...sorry chaps but that's the word... Dedman was involved in programming prisoners and the British mafia and Dedman itself is more a ring of pirates or network of people including criminals that help maintain protection within Britain.

PC Darren Brockwell pictured above was located some time ago at Snow Hill Police station,he was selected to become a "Special" police officer at Snow Hill,although the term "Special" is very much open to interpretation an inference can be drawn from this terminology,there are classified MI5 files held upon him that have been "Leaked" and for this reason the publishers of this article disclaim that they are not involved in obtaining MI5 information,It is rumoured that the Russian Government used agents to collect or trade information,information gathered or produced upon this page is part of "The Dedman Files".These files where obtained as a result of Mossad obtaining information on far right wing police officers in Britain one of whom was forced to leave the City of London Police Force for reasons that have yet to be classified or declassified or released.Darren is not an ordinary police officer, regular Police officers that work at Snow Hill are kept on Secondary MI5 Data Bases that require less security clearance to open up however they are

still classified as MI5 Stock. The area in which Darren operates includes the Barbican Centre where Knighted persons work and attend the Barbican Complex. Security in the City of London where Darren worked is very high level and all Police and Military radio communications are constantly monitored by MI5 Departments for Security Reasons. Darren came from the Banking Industry and was involved in Security work within the Banks. The above picture of Darren Brockwell is freely available on google images and has been confirmed as the same police officer that Mossad has upon its own data bases. Andrew Dedman (MI5) data bases and files included a link up/extension into Darren Brockwell as they both served in the same force City of London Police. Dedman was transferred at around 2003 to an intelligence gathering unit based somewhere in the Wood Street area and was known to Inspector Burgeois through different forms of protocol Darren Brockwell was also linked to Inspector Burgeois site indexes and other MI5 data based material. Darren apparently according to MI5 files received a medal from the Queens of England and was placed on MI5 files with this information. It also states that he was approached by MI5 to start a Gay rights group up in the City of London Police code named CHORUS. If Dedman hadn't of been "clipped" by Mossad then Darrens indexes wouldn't have turned up on Israel Intelligence files. Information upon left wingers obtained by Daren Brockwell was transferred to other European countries perhaps illegally however was then held by European forces despite the persons concerned not having criminal records in Europe where they where based, the information was then leaked and the information then became a risk to the persons life, in other words the persons life was put at risk because of leaking of information obtained by Dedman and his internal indexes - hence The Dedman Files. The information in Europe that was left by the City of London Police ended up in both Russia and Europe giving people passports back into British Intelligence itself... I don't want to have to say this but that's why bent cops have a thousand and one misuses....

Bobs and Bills

Over the years 911 has become a cunning stunt a theatrical affair certainly written that way,or so some would have you believe, but back in their day so to speak there was no mass android devices to watch 911 on...or when it was first “etched”.911 marks a turnaround a burst of energy a release to be precise a Destructive Distraction.

We have to come to terms about who really created the man himself,a clever jew!!WE know this much that certain Arabs at that time where part of the Grand mec part of the fighting wing of the CIA whom themselves have no interest in right or wrong just containment and that is exactly what your cheap Android Gizmo is hall aboat it contains with its circuits as powerful as those found within former Apollo Rockets.Its the people around the time of the “Big Bang”

theory that where waiting and watching for the “mass android” that used the cannon foDDer as their eyes and ears that where behind hit all.

Redistribution of Oil,drugs and Government money thats where its at....read the book Terror Inc VERY CAREFULLY (or die imperviously!!) and you will find the FOUNDATION stones and real culprits behind 911 and of course the blueprint left behind,Often in history they use violence and courts and police activity to prevent the unfolding of forbidden knowledge and should you wish to remain blind to such activity and others like JFK,Iraq war then perhaps you might consider adding the 5 million dollars worth of bitcoins to the “Bill” that where destroyed in Ffireland by British Government agents working for CIA coordinator Dennis Obrien which eventually brought down the entire Enda Kenny regime to the list of Failed CIA Operations.May Allah save your soul should the Russians net 1 you first Mr wHEELybinmAN you 2bad Kamal U, with hugs,slugz and luv from the window cleanerz at the embassy or youra fedman.Wikisheeta2??.

“Freaking out” on Julian Assange a GREAT sport and formeire world visionary.
5.11.2021
London UK British Court report
Suffice to say from the offset there is apparently a view that the American economy like a dark star will eventually implode.Hypothesis abound,there is a timescale involving Russian gas, Hypersonic missiles and Chinese workers production that are key factors of decentralization of capital so they claim.The problem with the dollar is that it has become contraband in other words its easier to produce fake money than nuclear space engines at present, and the

poorest countries in the world as we know dont care about what vehicles deliver on the moon or anywhere else for that antimatter or why the official fakes go through the Arab banking machines, so what you may ask has this got to do with the GREAT smell of “Vivian massage” one CIA. The CIA arent about right or wrong good or bad or even legal matters they are simply about CONTAINMENT in many ways and if you mess,well,you get vissions of Julian Assange broadcasted on every federal chanell all day long and they want it switched back off pronto!. Whilst our darling J hasnt just dabbled he has set out procedures and become in the process a working example on how to redirect and misuse CIA property live on TV ,a shrewd guy to say the least and to be honest hes making multi millions in royalties for a 1001 publishers in “Air time” and thats what weighs in real heavy.

2. Nobodys interested these days on exact or official numbers of AK 47s held by “hostile” organizations 15/20 years ago, In reality,one hypersonic warhead today can obliterate a small uprising in nano seconds,simple asJulian Assange case of Brandy Dandy is a mere fleas dropping, an entity hanging around the Americas back door for a few more slurps whilst in the eyes of the CIA the curry and cement stains are visible all over Julians pretty Duffle coat nobody toepokes “Gatman” the Great, former,informer and getz away with “hIT” ***** have you believe the destructions behold of A NEW PRESIDENCY.

3. Being a clever programmer parasitically Julian knew what he was playing about with when he cracked vaults,remember the last American election when we saw thousands of people telling US live ABC,CNN,FOX and the arrest its going to be a Trump victory? ,where are they know voicing about Americas alleged biggest Espionage cases outcome?? complete fatal silence,nothing ,zuilrch. It was Julians chums according to the CIA that officially scuttled their dearest Hillary, no joke! Yet nobody dares to say what will happen over the next coming weeks in court, no inside linessurely not! if your dealing with the CIA from the start yeah you can disappear through a prison toilet J to make it look good,but really folks in this “Hanger” oh no you dont!, risk prison food for your life? pah nay to bother and One two many question marks.

Julian did rather well financial from Wikileaks and thats his shortfall and the stumbling block perhaps of the previous

Judges in this case, the private sale of diaries etc etc, making money from espionage, not to sure. when your in the dock for this believe unless you got the right kinda license smoking dollars out of CIA copyright that not even the Jeff Bozodoodar bandwagon would try ,its a one way ticket, and lets face it J boys paperwork has either been destroyed, blocked and/or expired....thats why certain organizations behind closed doors are predicting a confident 5- 10 minimum year stretch which is what an average UK Burglar gets for “drumming” far right illuminated crumpets on mass and so Julian....remember the likes of US “sneaking” around python codeing for the rest of your dream....one line can change a destiny especially if its filled with rat poison and thats a fact!!!! next time you could

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged “litter” incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in

court it does not make them imune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affadavit and film evidence to hand at the hearing.Sergeant john heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occured that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for what ever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US.As for the Judge we question as to why he did not immedietly detain and hold smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of liening to a police officer.

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago,like what the hell is that all about??Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies.Julian assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end ,if you know your history youll know what was said to Murray like we do by the "Muels"who handed over Clintons documents.The entire story behind it is double dutch "Andy",Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications??and what where the fedz doing on the day

it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall.In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order,who themselves as agents are in fact working for Putin,there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails,unless they had insurance and diplomatic protection,not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis Obrien as a clandestine member,it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution.Dennis Obrien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected.Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media has having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

Editorial: Glencree Right of Way case is lost

This issue has an informative article on the Glencree case written by Albert Smith, (see lead article) who has long been at the frontline . We hardly need say that we commiserate with him and all the members of Enniskerry Walking Association who have worked so hard for so long on

this case only to see it lost.

If nothing else, the Glencree case is instructive in one important respect. The Minister in charge of tackling the question of access, Mr O'Cuiv, is on record as saying that there are lots of rights of way over private land in Ireland, though they do not need to be marked on the maps, signposted or even recorded by the local authority concerned. Now even he, and more importantly the many walkers who thought that these nebulous 'rights of way' actually exist, can see plainly for themselves what this means.

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the “Wiki” syndicate of servers,there are many “Wiki” based sites with different “Wiki” names that are part of a family tree ,Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of “Wiki” although their are obvious political rules!.Wikifreakz are left and oppose and fight racism,antisemitism and capatilist ideology,although realists that accept money is still needed in modern day life to survive todays “Freaks” are cautious and are found within Arts,writing,music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon,more to the point how far the far right will go to put ;Wikifolk” out of business as Mr Assange himself will undoubtedly agree with.Julian isnt of course the only “Wiki” martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise.It happened some time ago and the incident is linked to Bill Clintons top man(Dennis O Brien richest person in Ireland),Clinton of course having connections with the CIA

through the Clinton foundation of which O'Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clinton's emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and it's the real thing be assured!! in family law you don't need to prove anything once you have the bank and police records... and it's not going away either until the debt is paid in full by the Americanized/Irish Government. Solitors notes memoirs taken from "yandex sources"
DEDOKTOBER related to previous bellinccat allegations.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged "litter" incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Haraughty who was present at the hearing questioned

Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Houghty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Houghty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

Let's start right from the beginning so our readers don't get ED
>>> CHARGED, The Clinton Foundation is partially CIA oriented, lots of evidence, now Big Bills Bezzy number 1 mate in Ireland is Dennis O'Brien, richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper. In the book Clinton Cash, O'Brien is exposed as giving cash gifts to Clinton. Dennis O'Brien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by O'Brien's newspaper (Yandex Hackerz found his not so secret accounts). Smith is a racist that appears in the digital version of Goring's Biography describing the book as a good offering (sick disturbed person) despite this Smith is still a member in the National Union of Journalists. Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which were cheap enough to buy then!! the writer was exposing the Irish Independent newspaper

involvement with GCOC bugging affair with his laptop(his articles can still be found online with there coresponding dated codes and blots) when he was ambushed for no good reason by smith an irish independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversay date of martin luther kings death..say no more PROVEN..

Hammer and stone used during Enniskerry fight

January 26 2006 12:11 AM

1 DE ENERO DE 2022, 3:27

Anónimo dijo...

AN Enniskerry man who assaulted his sister's neighbour has been fined ?450 and bound to the peace for two years, following his appearance at Bray District Court.

32-year-old unemployed single man, Paul Quinn, of Naomh Ciaran, Enniskerry, was convicted of assault, criminal damage and public order offences arising out of an incident at the Monastery Grove estate, last summer.

The defendant had pleaded guilty to breaching the peace and being drunk in public at 22 Monastery Grove, Enniskerry, on July 17 last.

But he had denied breaking Patrick Jackson's window or assaulting him.

The court heard that Patrick Jackson was a neighbour and friend of the defendant's sister Adele Quinn, but Paul Quinn wanted to prevent the two from socialising together as

Adele has a drink problem.

Jackson said he had called to Adele's house that morning, where the defendant, who was drunk at the time, had shouted abuse at him and followed him out of the house, but had fallen.

Jackson returned to his own home, but was followed by Quinn and a second man.

Both pushed their way into Mr Jackson's hallway, where they started fighting with Jackson and his son.

After being ejected from the house, the pair returned again. Quinn's accomplice had a hammer with him which he used to break glass panels in the door.

Quinn was 'strutting around like a bantam cock' and threw a stone at the window, cracking it, added Mr Jackson.

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn admitted that he was very drunk at the time and said he only 'vaguely' remembered the events.

Denying the charge of assault, he said he was 'too drunk to fight, let alone stand.' He admitted giving Jackson 'a lot of abuse' but didn't remember threatening him.

'The fact of the matter is, Mr Quinn advanced on Mr Jackson's house with someone with a hammer who then tried to batter down the front door of the house,' said Judge Connellan, convicting Quinn of assault in spite of solicitor Joe Maguire's request for a direction in light of the fact that Jackson had given no evidence that he was physically assaulted by Quinn.

Quinn was fined ?250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of ?200 for breaching the peace and being drunk in

public.

COURT RECORDS BOB >>>>> ONE!

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn’s house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn was fined 250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of 200 for breaching the peace and being drunk in public.

-

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged “litter” incident in which a laptop hard drive was destroyed.A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault.The reason we belive Smith admitted in court an incident occured was because The police themselves had access to the film along

with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

if you want your hammer back you would need about 5 million, hey you know we all got bills to pay and there's ONE on every flight.

Journalism and Politics share an essential common thread, once something is publically stated there is no turning back. David Irvings book Gorings Biography was subject to a court case in which this book itself was used as evidence, in summary Judge Gray renounced Irving as an antisemitic, racist holocaust denier for production, others including British politicians have gone further correctly naming Irving as a fascist. Albert Smith Irish Independent sub editor appears today inside the Digital Version of Gorings Biography describing this book in his own words as quote "a good offering" and a book that is "unlikely to raise hackles". Internet allegations include Smith as having a form of diplomatic immunity that protects him from being prosected in courts and removal from the National Union of Journalists, apparently he can be found as a named antisemitic journalist inside of Owen Jones "Wikiwand" site.

The Clinton Foundation needed false passports,they used Dennis OBrien richest man in Ireland to get them,It was John Heraughty who signed false passport forms knowingly,he worked closely with other Wicklow Government agents one of them was Dr MOAYYAD AL KAMALI who as a doctor in the UK allegedly signed countless of

muslim double agents up.They became a gang in Ireland...
just check the records DR MOAYYAD AL KAMALI had three

Biden is still "Wako Jako" about the Irish Press.

The Clintons (Clinton foundation) apparently set up some
kinda Uranium purchase deal with the Russians years
ago,like what the hell is that all about??Lets explain it a
different way if the Clintons had achieved their goals all the
American people would have been left with is double
headed snake in command of the entire US.....no way and
certain elements of the CIA and the Global Espionage village
saw to that along with Trump and his allies.Julian assange
and Wikileaks used Craig Murray to obtain Hilary Clintons
emails that finally brought the Clintons empire to an end ,if
you know your history youll know what was said to Murray
like we do by the "Muels"who handed over Clintons
documents.The entire story behind it is double dutch
"Andy",Murray was banned from entering the USA for life for
amongst other writing the book and then again why would
the CIA allow Clinton to use none encrypted
communications??and what where the fedz doing on the day
it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was
the Russians who where behind hit and hall.In wikifreaks
articles in the past Craig Murray was named between the
lines as a person working for MI6 agents who got him into
America despite his banning order,who themselves as agents
are in fact working for Putin,there are plenty of double and
triple agents in the UK and Ireland to prove this theory and
we are completely sure that not only did the New York press
get the emails but Starebear the Kraut himself personally

read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails, unless they had insurance and diplomatic protection, not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis O'Brien as a clandestine member, it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution. Dennis O'Brien is a CIA handler/Operative that's explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaim before now.

Dennis O'Brien's empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected. Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O'Brien himself has been exposed by Western media as having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

KIEARAN CONWAY SOLICITORS IRELAND *JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled'. His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after

Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irving's digital Book of Gore Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irving's Book of Gore Biography that of the book being "a good offering" he's had his chance, he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic. Smith's publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irving's publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland he's never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channels. Ireland itself will be held responsible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writer's laptop and not being charged for the offence.

Hilary Clinton and the Queens gambit

The I Cringley blog 911 to the man with a hammer exclusively outlines Mark Stephens concerns at

being used as a pawn by the IRA and reflects the personal devastating traumatic effects that Al Qaeda and Bin Laden left upon the citizens and Government of America on that unexplained day. Years later Both the IRA and Bin Laden alike are proven to have worked in CIA operations after leaked documents exposed through the Freedom of Information act where published in the interest of the public to outline these facts as admissible evidence.

The Book Terror Inc tracing the Dollars behind Terrorism contains a chapter on 911 itself which explains how Bill Clinton was personally informed of a pending incident years before the September attacks on the world trade center building using aircraft, this information at the time was treated with skepticism, the publication also outlines Bin Laden's connections with the CIA and how the IRA collected finance in the US amongst other.

Dublin Solicitor Kieran Conway, the former head of the IRA owns a business which is listed as having earned him more than 1 million dollars net. In his own autobiography he explains in detail events that happened during the Clinton years which Mark Stephens himself is personally aware of through his own investigative Irish Journalism. Conway refers to the wording of Fascists in the book, yet when he was involved in a court case in Ireland with The Irish Independent Newspaper/Parpoint media services he made the fatal mistake of purposely not informing Sinn Fein and their press outlet during the hearings or later on about the Independents dealings with convicted fascist members of the organization known as Parforce.

Parforce are alleged to have connections with Global Paramilitary terrorists that are known to the CIA itself and as publishers are responsible for the production of fascist publications for individuals and Political Party. CNN ABC and countless thousands of newspapers, radio stations and media outlets ran coverage on Parforce members being fined in court more than 2 million dollars for far right activity and later convicted to 3 years Jail Sentence for Holocaust denial speeches.

Clinton cash is a book solely about the alleged money laundering activity of the Clinton Foundation. Dennis O'Brien owner of the Irish Independent known to Mark

Stephens through his work appears in the book paying Clinton in cash backhanders, O'Brien today allows his own company's copyright to be hijacked by Neo Fascist racists and at the same time pays weekly undisclosed sums to antisemitic Parpoint to appear inside of fascistic publications issuing political statements that are used by far right extremists groups as propaganda and help generate revenue through sales of other publications sold by Parforce.

It is important for Cringley bloggers to comprehend the connections outlined above. Certain members of The CIA have for many decades controlled the far right in both America, Ireland and UK and Arabs in the middle East playing both sides off with each other, it is a common pastime of divide and rule. The book *Terror Inc* explains in full CIA involvement with Terrorists. There has been more American Government money Laundry and Terrorist related activity connected to the Democrat years than under the Republicans. In 2021 British Police Officers were convicted and sentenced for belonging to far right wing Neo Nazi terrorist cells that support Parforce. This article is written by leftist contributors who are politically opposed to fascist and racist ideology and any attempt by publishers to offer unusual "blends" of twisted fascistic holocaust revisionism to the general public.

WIKIFREAKS | THE DUBLIN MOUNDHILL

A BRITISH NUJ JOURNALIST HAS NAMED HIS OWN COMPANY
AFTER THE RACIST ORGANIZATION PARFORCE.

The Dublin Moundhill is no longer an active online blog it
appeared
like many others then finally disappeared leaving behind
traints ,however certain folk kept copies of the bloggers
comments that appeared over time as evidence and so there
remains today historical notification,however saying all this
the political object of this article is solely to preserve
prosecutable litigation only.

British subject Albert Smith a former sub editor of the Irish
Independent Newspaper
can be found upon various internet search engines,The
Dublin Moundhill directly
accused Smith publically of knowingly working alongside and
hiding behind convicted racists whilst being a National Union
of Journalist member (an extremely serious accusation),and
asthey say to the 'man with the hammer" its 911, ONE thing
or another you either believe the accusation or you dont
theres no GREY areas here.

We ask readers to carefully considered then that the UK NUJ
are regarded as a centralized body to all other branches of
the NUJ itself and must now be treated with similar concern
for knowingly allowing smith to associate itself with
PARFORCE.The issue here has now become double
jeopardyits about British instruments in this instance the
(NUJ) that protect the guilty and if youve got a
problem with this accusation you go and get a warrant
pronto.

It is alleged that Whilst on a regular walking trip Smith
admitted to other hikers
his publishing company was named after the racist
organization PARFORCE.When questioned further about this
he replied that he had been chosen to appear in the
introduction of the digital version of Gorings Biography
produced by parforce and distributed through Focalpoint
{DERIVED PARPOINT}.

For many readers not aware Gorings Biography was part of a

very famous court case, the book was used as evidence that helped convict racist PARFORCE members resulting in court fines of many millions of dollars and finding the author of Gorings biography guilty of being an antisemitic holocaust denier.

SO WHAT GIVES WITH THE NUJ??

Nobody at present seems to know officially what's going down with the NUJ or even if the British section of the NUJ are concerned with the implications, web research clearly shows that Albert Smith is still at present advertising himself on the net and has done for some time as an NUJ member that has worked for both Government agencies and the Police and so we find it somewhat difficult to understand legally why his company is still allowed to trade whilst claiming ongoing NUJ connections and contributing to racist books.

We can only ask the NUJ to consider removing his membership within the NUJ under these circumstances within law itself very quickly or deal with the backlash.

Considering the legal aspects and UK law and you begin to understand why we believe the NUJ should no longer be allowed to remain silent upon this subject and should at some moment be requested to give evidence themselves.

It would be interesting to see what would happen if someone like MP Gove presumably a former NUJ member was to be questioned about the legal aspects of this case as a Conservative politician who has in the past been caught "red" handed owning Titles published by Parforce.

Police Officer Andrew Dedman visited different forces whilst he was a working mi5 agent. One of his traints was removing “alleged” stolen goods and money etc etc, he had a special badge which allowd him to carry out these types of operations.

Its an area sanctioned by MI5 as they oversee the legal illegals so to speak...

Dedman came a cropper and fell into a sting operation however got out by whatever means it exposed him as a protected police officer sanctioned to carry out certain duties. The sting was when he was rumbled not charging persons for being in the possesion of stolen goods and that is what gets them hall in the end.

Dedmans last call of duty within the police was the economic crime unit which is part of MI5 that prosecute persons in Northern Ireland that is the likes of Kieran Conway (IRA).

Dedman did alot of swap shop business and worked with the British and American Krank handles in ireland (Albert Smith Irish Independent).

This form of clandestine work is carried out all of the world by the CIA and the Clinton Foundation are real kinky at it, they tried to get an optic fibre ocean cable system set up in Cuba using Billionaire Dennis O Brien, however the Cubans kinaa rumbled that one two.

In the UK Mi5 and the police steal from criminals and basically confiscate “booty” without charging Dedman being

a former British Army operative was prime time,he is a fascist though that purposely experimented on criminals and causing torture and breaking human rights laws.He also carried out police swaps,sending files to mafia cops in other countries including Dublin!!!!

He specialized in programming prisoners and working with drug cartels its acceptable in the UK in highly organized crime to have the police rob you of your winnings without being charged infact Mi5 and the crown are probably the biggest munch bunch of criminals ever in British history.

Dedman removed antique silverware from another force he couldnt have done that surely?? without knowing where they came from !! in the first place ,which proves because there where no arrests that he was a debt collector and a bent cop working for MI5,this is just the tip of the iceberg its like we rob you or your A Dedman.

Billions every year are confiscated by the queens of england andy her firm....

Conspiracy or reality ??

The following evidence below is conclusive beyond any doubt whatsoever

Smith is found in the digital version of Gorings Biography inside

of the Introduction.If for a second we ask ourselves how many words

there are in existence then its impossible for Smith not to have

named his company Parpoint after both parforce and Focal Point why then is this journalist/publisher still a member of the NUJ,they are aware

that he has worked with convicted publisher David Irving.

thats the real conspiracy theory right there

ALBERT SMITH IRISH INDEPENDENT NEWSPAPER

Reddit/r/u_wikifreaks888 , 2022-08-01,

British NUJ member Albert Smith advertiss himself upon Linkedin as Parpoint,he is also found upon the internet providing his own personal introduction to the antisemitic,racist digital production of Gorings Biography (written by the feared convicted neo nazi sympathizer David Irving.)

Recent “net” allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point.The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??

Micheal Martins resignation and a thousand and one dirty
fixeires.

Gerry Adams political career didnt kinda of end or fizzled
out it just simply helter Skeltered,
day by day it went from one calamity to another enough
said here.Over the years he gathered
an en·tou·rage of hate mailers and discredited an anti fan
club so to speak.Gardagate was part
of Gerrys big slide.

This article is produced by realists that politely explain that
the republic of Ireland and more
to the point many people who live here have great difficulty
understanding their concept of
Internationalism and further more just to add more fuel to
theire fireland what some regard
as socialism is far from reality..many political web sites for
example describing Sinn fein
today as a democratic socialist party ..dont bother.

In a democratic country law courts require evidence
PERIOD,this article starts with a
named British MI6 officer Simon O Brien former head of
GSOC (the irish police complaints
people) you got a problem with the cops you go to GSOC and
make a complaint, the
IPCC being its sister organization within the UK boundaries.

Gerry Adams was involved in Gardagate (Go Google hit for
yourselves !) .Enter a writer
writing about this historical episode who was viscously
attacked by an Irish Independent
Newspaper editor using a firearm,a laptop was damaged in
the attack however the writer
didnt report himself to the police.This incident is
documented on many blogs and sites.
The newspaper editor months later invented a story line
whereby he claimed to the
police a man had threatened him with a weapon.A court
case was setup.Basically there

was no evidence to substantiate the editors claims he was threatened with a weapon or the incident ever occurred, no witness on camera nothing at all.

The judge had no evidence only a newspaper editor in court making false claims. The writer certainly didn't threaten anybody and denied threatening or meeting the same man who had attacked him at a later date after his laptop had been smashed up.

In court it was proven that the Newspaper editor lied to the Irish police. In instances where a person giving evidence is a proven liar then a solicitors company should apply the procedure of requesting the judge to discontinue, Kieran Conway Solicitors failed to present litigation and provide process to stop a court hearing, this is why of late Kieran Conway has been described online conservatively as a right wing solicitor. Par se... when a person gives false evidence in court by word of mouth if they are proven in court to have lied to the police before the court hearing then they can no longer be allowed in law itself to continue to give evidence if it alters the case, also a request is made to ask the judge to provide the physical/scientific evidence to continue with to make a judgment other than the word of a liar, you politely explain externally the judge would be in contempt of court procedure for not having evidence and accepting the word of a false witness thus a request to discontinue the case is placed physically upon the court record. Kieran Conway Solicitors company (Conway-former IRA Intelligence Officer) made a fatal political error in not applying on record to strike out the court case on the basis it was a false interment order.

Micheal Martin is very much aware of The Irish Independent Newspaper involvement in Espionage and Sinn Fein being an American backed spoof

ball sorting office type
organization.

The produces of this article do not support political violence
or dope for hope schemes.

Comments on: New NSA Documents on Offensive ...

https://www.schneier.com/blog/archives/2015/01/new_nsa_documen.html/feed

Webrecent “net” allegations surrounding this book claim
that smith a former editor of the irish independent
newspaper named his publishing company after the
copyright and publishing agents found within the publication
named as parforce and focal point.the obvious question we
now ask ourselves is should the national union of journalists
be held ...
