# RFK Jr's Heroic Resistance to the CIA's Continuing Covid Coup D'état

## A Meditation

Edward Curtin

With his extraordinary new book, [\*The Real Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health\*](#), RFK Jr. has made it very clear that he will not allow Orwell's 1984 totalitarian boot to stamp on his face.

His is a very rare moral courage, and he is asking us to join him, before it is too late and we enter into a new dark age, in recognizing and resisting the evil forces intent on stamping out democracy around the world.

He is not pulling his punches with language as he accuses the political-intelligence-media-money-medical-corporate-pharmaceutical conspirators of executing "*the controlled demolition of American constitutional democracy.*"

For a brilliant and highly accomplished lawyer and excellent writer and speaker, the choice of those words "controlled demolition" is clearly intentional.

For anyone who doubts that the Covid-19 crisis is an intelligence-run operation controlled by spooks working with medical technocrats like [Anthony Fauci](#), billionaires such as [Bill Gates](#), the military, media, [Big Pharma](#), the [World Economic Forum](#), etc., a close reading of this book – with its 2,194 references – will disabuse one of that illusion.

The CIA has long been deeply involved with vaccines, viruses, drugs, weaponizing cancer, biological weapons, and of course massive mind-control operations – deadly propaganda in plain English – for use in controlling US Americans and foreigners alike.

As Kennedy writes in an ironically understated way, “*The pervasive CIA involvement in the global vaccine putsch should give us pause.*” Yes, a long pause. He continues [my emphasis]:

There is nothing in the CIA’s history, in its charter, in its composition, or in its institutional culture that betrays an interest in promoting either public health or democracy. The CIA’s historical preoccupations have been power and control. The CIA has been involved in at least seventy-two attempted and successful coup d’état between 1947 and 1989, involving about a third of the world’s governments. Many of these were functioning democracies. **The CIA does not do public health. It does not do democracy. The CIA does *coups d’état*.**

Just as it does Kennedy assassinations.

Character assassination of Robert F. Kennedy, Jr. is what the CIA and its media mouthpieces have been doing for years. This has become more and more necessary as they have realized the great growing danger he poses to their agenda.

Calling him an anti-vaxxer, conspiracy theorist, and names far worse, is part of a concerted smear campaign to turn the public away from his message, which is multi-faceted and supported by deep research and impeccable logic.

Like his father and uncle, he has become an irrepressibly eloquent opponent of the demonic forces intent on destroying the democratic dream.

With *The Real Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health*, he has pinned his indictment of those forces to the world's wall for all to read.

Just as this new book will not be reviewed by the corporate mainstream media, not even negatively for fear of promoting it by doing so, so too the last book he wrote, [\*American Values: Lessons I Learned from My Family\*](#), was completely ignored by such media.

As I wrote three years ago in the only [review](#) of that book:

When a book as fascinating, truthful, beautifully written, and politically significant as *American Values: Lessons I Learned from My Family*, written by a very well-known author by the name of Robert F. Kennedy, Jr. and published by a prominent publisher (HarperCollins), is boycotted by mainstream book reviewers, you know it is an important book and has touched a nerve that the corporate mainstream media wish to anesthetize by eschewal.

*American Values* is part memoir, part family history, part astute political analysis, and part-confessional, and is in turns delightful, sad, funny, fierce, and frightening

in its implications.

What implications?

It is the heart of that book that had the obedient reviewers avoiding it like the plague, a plague introduced by a little mockingbird, as in Operation Mockingbird. No member of the Kennedy family since JFK or RFK had dared to say what RFK, Jr. did in that book.

He indicted the CIA in a carefully crafted and fully factual way for a vast array of crimes. He spelled out the long war between the Kennedys and the CIA that resulted in the deaths of his father, Senator Robert F. Kennedy, and his uncle President John Kennedy.

He threw a gauntlet down in the midst of telling an entertaining and touching family saga, which included a critique of his own youthful transgressions.

But the nation's spooks smelled danger in the tale and they are now more acutely aware that they must censor him because his message is finding an expanding audience of people sick of government lies and very hungry for the truth.

More and more people are willing to follow this brave man into the darkness of our history and the ongoing coups d'état underway at home and abroad. They smell a demonic author behind the Covid-19 propaganda.

While Dr Anthony Fauci understandably stands at the center of this new book, and deservedly so for his evil machinations over so many decades, it is important to recognize that he is an obedient, albeit very powerful, underling in a systemic structure of evil, who has greatly materially profited from the sale of his soul.

Yet while this is true, to read Kennedy's chapters on Fauci's commanding role in the HIV/Aids fraud, the AZT shakedown, illegal experiments on children that killed at least 85, etc., is enough to make your blood boil and to realize that such actions must spring from a source far deeper than the thirst for lucre.

Something fiendish and sinister is at work with all this with the suffering and death it has caused, and in the ways it has foreshadowed the COVID-19 propaganda and the complicity of the mass media in fronting for Fauci and his allies, then and now.

Kennedy exhaustively details Fauci's work as a drug dealer for Big Pharma, even while his job at NIAID is to protect and improve the people's health, which has deteriorated dramatically over his tenure. (It is important to mention parenthetically but not at all incidentally that the CIA "manages" the so-called war on drugs in a similar manner.)

Thus we have a war of drugs and a "war on drugs" working in tandem in a perfect scheme to drug as many people as possible. Here are a few details:

- Fauci has an annual \$6 billion budget, most of which goes toward the research and development of new drugs.
- He is the highest paid federal employee, more than the President, with an annual salary of \$417, 608.
- He controls 57 percent of global biomedical medical funding directly and indirectly via the NIH, Bill and Melinda Gates Foundation, and the Wellcome Trust, and therefore controls the scientists looking for research money.
- He has for decades overseen the regulatory capture of government health agencies by Big Pharma.
- The CDC, a paramilitary organization, spends \$4.9 billion of its \$12 billion budget buying and distributing vaccines, the vaccines that Fauci has been pushing. It also owns 57 vaccine patents.
- Fauci and other officials receive yearly emoluments of up to \$150,000 in royalty payments on products that they help to develop and push through the approval process.
- He has for many years promoted false pandemics to promote novel vaccines, drugs, and pharmaceutical company profits.
- Forty-five percent of the FDA's budget comes from the pharmaceutical industry through what are euphemistically called "user fees."
- Fauci has a "strange fascination with," and has invested in "gain of function" experiments to engineer superbugs, which is part of a long CIA history of weaponizing viruses, etc.

RFK Jr's detailed exposure of Fauci's role reminds me of reading *Moby Dick* and meditating on Melville's description of Ahab – one has to enter a different mental space to begin to comprehend such evil, and even then one is struck dumb by its extent and the media's complicity in covering it up for so long.

When I use the word evil, I am not using that word loosely, but very precisely, for the actions of Fauci and his ilk are evil, although the human being Anthony Fauci is still capable of contrition and redemption. Anything is possible if not probable,

but I am not holding my breath.

Just as the actual people who shot JFK, RFK, MLK Jr, et al. were obedient servants of the system that produced them – listen to Bob Dylan's [Only A Pawn in Their Game](#) – Fauci is a product of a structural system of evil.

This is not to excuse him but to place his actions in an historical and structural context.

Obviously, he is not a poor southern unschooled white man used by the KKK as in Dylan's song, but a sophisticated and Jesuit-educated New Yorker brought to political consciousness within a system that amply rewards obedience to the authorities. He is a graduate of the same Jesuit high school I attended, the elite Regis High School in NYC (and then the Jesuit College of the Holy Cross), and is considered by many of my classmates to be a national hero bordering on a saint.

Such schooling made me well aware of how the system gobbles up its youth with promises of wealth and prestige if they yoke their intellectual acumen to allegiance to the rules of the game and become what Hannah Arendt termed "*schreibtischtäter*" – desk killers, or what the great American poet Kenneth Rexroth called hyenas with polished faces in the offices of billion dollar corporations devoted to "service."

That such socialization is presented as being "a man for others" within the Jesuit tradition of mind-control, doubles its effectiveness as a confidence game. That is why so many decent young people succumb to this siren call. It then, however, demands the quelling of an uneasy conscience.

Jean Paul Sartre called this bad faith (*mauvaise foi*), a form of mental trickery in which one tries to "lie" to oneself – an impossibility since the liar and the one lied to are the same person – which means the deceiver must really know the truth that he is trying to conceal from the deceived.

This form of split consciousness allows those who serve a rapacious system to attempt to deceive themselves and others that they are serving a just cause. Such attempts demand an actor's skill and the quelling of one's inner voice.

But there are very many actors among us, as Nietzsche said, not genuine ones, but bad actors. Fauci, Gates, et al. are bad actors in a propaganda film, at least for those who know how propaganda is produced and bad acting exposed. Robert

Kennedy is such an astute critic.

My purpose here is not to go into detail about Fauci and Gates's connections to the U.S. intelligence and defense industries, for this is a meditation, not a review. But those connections are massive. Read the concluding chapter 12 in *The Real Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health*.

Check his sources, [298 for this chapter alone](#). This is not speculation or theory, but fact. Do your homework. Study. Kennedy says:

After twenty years [since the insider anthrax attacks following September 11, 2001: see Graeme MacQueen's, [The 2001 Anthrax Deception \(isbn.nu\)](#)] of modeling exercises, the CIA – working with medical technologists like Anthony Fauci and billionaire internet tycoons – had pulled off the ultimate coup d'état: some 250 years after America's historic revolt against entrenched oligarchy and authoritarians rule, the American experiment with self-government was over. The oligarchy was restored, and these gentlemen and their spymasters had equipped the rising technocracy with new tools of control unimaginable to King George or any other tyrant.

Yet the fight is far from over, and those with the tools and the mechanistic, material mindsets must contend with a rising tide of opposition to their plans for a [“Great Reset”](#) and a [transhuman world](#).

We may be in the final battle of this war, but the human spirit is stronger than those who wish to stamp out human freedom. Robert Kennedy, Jr. is leading the fight for the soul of the world, and it is both a political and spiritual one.

It does not take great intelligence to realize that when countries throughout the world act in a synchronized way in locking down their populations and repeat the same message on cue that such events are centrally coordinated.

The entire COVID-19 propaganda campaign, culminating with its push to enforce multiple vaccines that are not vaccines and are based on [fraudulent PCR tests](#), has been long in preparation and the intelligence agencies' fingerprints are all over its planning.

War game scenarios, weaponized vaccines, the CIA, the NIH, Gates, Fauci, the NIAID, DARPA, *Wired* magazine, the financial elites and their power centers such as the World Economic Forum, etc. – they are all involved in a conspiracy to impose a rigid global tyranny over regular people [for the benefit of the world's super-rich](#).

Since Fauci's coordinated lockdowns early in 2020, there has been a 3.8 trillion dollar shift in wealth upwards to the super-rich, [creating 500 new billionaires](#), while pulverizing the middle class, destroying small businesses, enriching Fauci and his Pharmaceutical and robber baron corporate partners, and causing vast suffering and death all around the world.

None of this is accidental. Kennedy documents it all. He writes:

Dark Winter, Atlantic Storm, and Global Mercury were only three of over a dozen Germ Games staged by military, medical, and intelligence planners leading up to COVID-19. Each of these Kafkaesque exercises became uncanny predictors of a dystopian age that pandemic planners dubbed the “New Normal.”

The consistent feature is an affinity among their simulator designers for militarizing medicine and introducing centralized autocratic governance.

Each rehearsal ends with the same grim punchline: the global pandemic is an excuse to justify the imposition of tyranny and coerced vaccination.

The repetition of these exercises suggests that they serve as a kind of rehearsal or training drill for an underlying agenda to coordinate the global dismantlement of democratic governance...

...Virtually all of the scenario planning for pandemics employ technical assumptions and strategies familiar to anyone who has read the CIA's notorious psychological warfare manuals for shattering indigenous societies, obliterating traditional economics and social bonds, for using imposed isolation and the demolition of traditional economies to crush resistance, to foster chaos, demoralization, dependence and fear, and for imposing centralized and autocratic

governance.

US and foreign intelligence agencies have dominated the COVID-19 military project from the start. The CIA and Fauci are central to the official “conspiracy theory” – accurately called fact – including “[Operation Warp Speed](#)” under Trump.

Trump simply carried on the work of his predecessors, including Obama, but acted as if he was opposed to it. It has always been a bi-partisan program because the CIA runs both parties.

When he was in prison in Germany after returning in 1939 from Union Theological Seminary in NYC to oppose Hitler, the German theologian Dietrich Bonhoeffer wrote the following from his prison cell before he was executed:

Against stupidity we have no defense. Neither protests nor force can touch it. Reasoning is of no use. Facts that contradict personal prejudices can simply be disbelieved – indeed, the fool can counter by criticizing them, and if they are undeniable, they can just be pushed aside as trivial exceptions. So the fool, as distinct from the scoundrel, is completely self-satisfied. In fact, they can easily become dangerous, as it does not take much to make them aggressive. For that reason, greater caution is called for than with a malicious one. Never again will we try to persuade the stupid person with reasons, for it is senseless and dangerous.

By stupid he did not mean that such people lacked intellectual ability, for they were often very smart, but that they had fallen under the spell of public power and lost all independence of mind.

Thus he adds, *“He is under a spell, blinded, misused, and abused in his very being. Having thus become a mindless tool, the stupid person will also be capable*

*of any evil and at the same time incapable of seeing that it is evil.”*

Robert Francis Kennedy, Jr. is still trying to reach these people. His is an heroic task. No wonder Kennedy is named for St. Francis to whom he is devoted; St. Francis taught him and us that courage and sacrifice are what God asks of us all.

One of his father's favorite quotes defines the son as well; it is from Edith Hamilton, the author of *The Greek Way*, who wrote:

Men are not made for safe havens. The fullness of life is in the hazards of life...To the heroic, desperate odds fling a challenge.

Robert Francis Kennedy, Jr. has stepped up to the challenge. He is brave and brilliant. We are blessed to have his witness.

I didn't approve of everything Trump did but I do not believe he was in on any plot to control the world. This ust doesn't make sense. They would have crucified him even more if he hadn't taken some steps to control the virus and he knew it. And I think he believed the vaccines could work (I am sure they will bite him in the ass eventually). He was for freedom and America First. He's not a globalist. Much of this makes sense, but some of it does not. I do, however, agree RFK Jr. is an American hero. I bought his book and will read it.

KIEARAN CONWAY SOLICITORS IRELAND \*JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be ‘pulled” .His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being dipolmatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences infornt of a judge without being charged with his own barristar freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings Biography describing in it the book as being quote a “Good Offering” when he himself has in the past accused others of being quote” fascists” in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being “a good offering” hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US “BING” search

engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responceible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

NUJ heads will certainly roll over racist cover up involving Fascist David Irving. This article will lay down the legal litigation compiled in part with Joe Elliots blog, amongst others.

Les freaks de wiki,Anarco/socialite par se isnt running to Owens blog with this or even running for the next election.

News bloggers privately believe that the “reported failed Operation” to plant fibre Optic cables under the Ocean into a Cuban port complicitly implies that Irish Billionaire Dennis O Brien the owner of The Irish Independent Newspaper must be regarded by the Cuban Government as working for the CIA, because rumour has it his Cable media company was barred for amongst other for having close connections with the Clinton Foundation.Other Governments and countries in comparison already dealing in similar services to Cuba arent in any way at all prohibited or dealt with as security risks.

Dennis O Brien most certainly is part of an NUI cover up involving Fascist author David Irving and the evidence contained here is conclusive.O Brien lives in Malta he has to apparently under a special Government protection order...you cant Spray on a wall there without somebody Knowing whos done it, its claimed by bloggers the protection supplied to O Brien is by private trained army based security.

When the Bellingcat racist allegations surrounding The Irish Independent Newspaper where first published a name of a National Union of Journalists sub editor that still receives personal weekly payments from this Alleged CIA Operative was named for the publics interest and safety.

Far Right wing Fascist David Irving was fined over 2 million Dollars for being the Author of a book known as Gorings Biography in the British Courts where the paperback book itself was used as evidence to gain conviction. There are countless web sites about this court hearing where the judge sentencing branded Irving a racist antisemitic holocaust denier for writing this fascistic publication.

However despite this court hearing Dennis O Briens former personal NUJ Sub editor is found today providing antisemitic political statements that are printed under copyright law inside of the revised new digital edition of Gorings Biography, in full knowledge of the courts verdicts, which is both criminally and politically concerning to us at Freaks, an NUJ Sub editor that provides antisemitic material to a digital version of the book that he knows branded David Irving a nazi sympathizer and cost over 2 million in court fines for the production of and here is NUJ member

Albert Smiths own words printed in the "added introduction" of the exact same book Gorings Biography describing it as a "Good Offering", The SUB editor Albert Smith named within the Bellingcat allegations also owns a company known as Parpoint publishers which we believe itself is of prosecutable interest as a specifically named piece of far right political evidence based on the following,

According to unofficial Russian sources, wait for this, Parpoint publishing was derived from the blood and honour of two other separate publishing companys connected to the publishing of Gorings Biography (i) that of Irvings Parforce (ii) Focal point

This is an NUJ Life member where talking about here and we want to know why the NUJ havent removed him from their organization for his completely unacceptable representation and deceitful conduct, and antisemitic presentations.

Biden is still “Wako Jako” about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago, like what the hell is that all about?? Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies. Julian Assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end, if you know your history youll know what was said to Murray like we do by the “Muels” who handed over Clintons documents. The entire story behind it is double dutch “Andy”, Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications?? and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall. In wikileaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order, who themselves as agents are in fact working for Putin, there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails, unless they had insurance and diplomatic protection, not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis O'Brien as a clandestine member, it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution. Dennis O'Brien is a CIA handler/Operative thats explained beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use “Wagner” style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O'Brien's empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American

state protected. Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O'Brien himself has been exposed by Western media as having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

lets start right from the begining so our readers dont get ED >>> CHARGED, The Clinton Foundation is partially CIA oriented, lots of evidence, now Big Bills bezzie number 1 mate in Ireland is Dennis O'Brien richest dude of all and he owns a pro CIA outlet known as the Irish Independent Newspaper. In the book Clinton cash O'Brien is exposed as giving cash gifts to Clinton. Dennis O'Brien is therefore known to the CIA as a clandestine member of the foundation, go check out his rewarded telephone contracts with far away countries and how he obtains them and where all the data and recorded calls go to!!/Albert Smith is still paid weekly by O'Brien's newspaper (Yandex hackerz found his not so secret accounts). Smith is a racist that appears in the digital version of Goring's Biography describing the book as a good offering (sick disturbed person) despite this Smith is still a member in the National Union of Journalists. Smith carries and uses weapons and jumped a writer destroying in the process his laptop hard drive which at the time had 130 or so bitcoins in it which were cheap enough to buy then!! the writer was exposing the Irish Independent newspaper involvement with GCOC bugging affair with his laptop (his articles can still be found online with their corresponding dated codes and blots) when he was ambushed for no good reason by Smith an Irish Independent sub editor who in a fit of rage grabbed and smashed his equipment on the anniversary date of Martin Luther King's death.. say no more PROVEN..

Solitors notes memoirs taken from “yandex sources” DEDOKTOBER related to previous bellingcat allegations.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged “litter” incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to

administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers, there are many "Wiki" based sites with different "Wiki" names that are part of a family tree, Assange is himself also more than aware of the Wikifreaks \*\* Bing and Google \*\* entry sites.

Today wikifreaks have many undercover members, anyone can write and call themselves a freak of "Wiki" although their are obvious political rules! Wikifreakz are left and oppose and fight racism, antisemitism and capitalist ideology, although realists that accept money is still needed in modern day life to survive today's "Freaks" are cautious and are found within Arts, writing, music and of course computer publishing (an area the state and far right are afraid of!!).

It's upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon, more to the point how far the far right will go to put "Wikifolk" out of business as Mr Assange himself will

undoubtedly agree with Julian isn't of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Government agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise. It happened some time ago and the incident is linked to Bill Clinton's top man (Dennis O'Brien, richest person in Ireland), Clinton of course having connections with the CIA through the Clinton foundation of which O'Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clinton's emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and it's the real thing be assured!! in family law you don't need to prove anything once you have the bank and police records... and it's not going away either until the debt is paid in full by the Americanized/Irish Government.

SERGEANT JOHN HERAUGHTY ENNISKERRY AND BRAY DISTRICT POLICE OFFICER  
The Clinton Foundation needed false passports, they used Dennis O'Brien, the richest man in Ireland, to get them. It was John Heraughty who signed false passport forms knowingly, he worked closely with other Wicklow Government agents, one of them was Dr MOAYYAD AL KAMALI who as a doctor in the UK allegedly signed countless of Muslim double agents up. They became a gang in Ireland... just check the records. Dr MOAYYAD AL KAMALI had three jobs at the same time as well as being a doctor right next to the Russian Embassy in London... too much of a coincidence mathematically and within probability, he owns the WEDGEWOOD HOTEL and is listed by the Russian Federation as a BRITISH INTELLIGENCE VETTED person. Trump was right, the Clinton

Foundation supplied 1000s of false IDS to terrorists and other muslims that hid them...

When Enniskerry Garda Sergeant John Heraughty arrived at the scene, he called to Adele Quinn's house at 62 Monastery Grove.

When he knocked on the door Adele let him in. Paul Quinn ran across the garden in a drunken state, screaming abuse and telling the Guard to keep out of it.

Quinn was fined 250 for criminal damage, bound to the peace for two years for the assault on Mr Jackson and fined a total of 200 for breaching the peace and being drunk in public.

### KIEARAN CONWAY SOLICITORS IRELAND \*JOE Bidens folly ON STATE PROTECTED WITNESSES

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled'. His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings Biography describing in it the book as being quote a "Good Offering" when he himself has in the past accused others of being quote "fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being “a good offering” hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US “BING” search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held respncible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

Journalism and Politics share an essential common thread, once something is publically stated there is no turning back. David Irvings book Gorings Biography was subject to a court case in which this book itself was used as evidence, in summary Judge Gray renounced Irving as an antisemitic, racist holocaust denier for production, others including British politicians have gone further correctly naming Irving as a fascist. Albert Smith Irish Independent sub editor appears today inside the Digital Version of Gorings Biography describing this book in his own words as quote "a good offering" and a book that is "unlikely to raise hackles". Internet allegations include Smith as having a form of diplomatic immunity that protects him from being prosecuted in courts and removal from the National Union of Journalists, apparently he can be found as a named antisemitic journalist inside of Owen Jones "Wikiwand" site.

BBC News | UK | Judge: Why Irving had to lose

[Search domain news.bbc.co.uk] news.bbc.co.uk uk\_news

It took Judge Charles Gray 300 strongly-worded pages to set out why he had found David Irving to be a Holocaust denier, an anti-Semite and a racist.

“Anonymous” Commenters on Computers Registered to the Louisiana Baptist Convention and Kelly Boggs

In the below post, so far, there are three comments. The first two comments came from a computer registered to the Louisiana Baptist Convention. This is confirmed by StatCounter.

Figure 1 below shows that the computer registered to the Louisiana Baptist Convention the time of visit as well as the out click on the comments link match to the comments time stamp.

Figure 2 below is from the StatCounter log and is of the computer that Baptist Message Editor, Kelly Boggs uses. The time and comments out click correspond to the third comments time stamp.

Additionally, according to StatCounter, there were no other visitors to or on this blog within the time(s) these comments were posted.

This little exercise should serve to show people how these modern “Baptists” operate.

The Louisiana Baptist Convention, The Louisiana Baptist Message and its Editor, Kelly Boggs as well as the Law Office of Gregory S. I attempted to post this well over a week ago, but it never posted. So, here it is again:

The short quips were anything but malicious or hateful. They were in fact very childish. Compounding them was the fact that I attempted to make them anonymously.

So, for what it is worth, I am posting what I sent to the owner of this blog, not in an effort to grandstand, but to take responsibility for unprofessional and foolish actions. The following was e-mailed on April 14:

I read your comment from last night. And yes, I remember well the short editorial concerning how we will be remembered. In fact, the sentiment expressed in that piece is something I think about often.

The Bible teaches that the measure of an individual is expressed not only in the positive he or she does, but also in how a person responds to mistakes, failures and errors in judgment – in short, sin.

God referred to David as a man after His own heart, even though David had committed adultery and conspired to have a man murdered. Why did God give such a commendation to a man who committed such serious sin? It was because David was good when it came to repentance. David never sought to shift blame for his negative actions; he took responsibility for his behavior, confessed his sin and sought forgiveness.

With the aforementioned stated, I want to say that I am sorry that I allowed my emotions to get the best of me which resulted three anonymous posts on your blog. Posting the anonymous quips was wholly unprofessional and immature. The content was petty and inane. Had one of my staff acted in similar fashion, I would have reprimanded them. So, I am reprimanding myself.

Again, the action of posting anonymous, sophomoric quips on your blog was wrong. I indulge your forgiveness.

Sincerely,

Kelly Boggs

Hilary Clinton and the Queens gambit

The I Cringley blog 911 to the man with a hammer exclusively outlines Mark  
Stephens concerns at

being used as a pawn by the IRA and reflects the personal devastating traumatic effects that Al Qaeda and Bin Laden left upon the citizens and Government of America on that unexplained day. Years later Both the IRA and Bin Laden alike are proven to have worked in CIA operations after leaked documents exposed through the Freedom of Information act were published in the interest of the public to outline these facts as admissible evidence.

The Book *Terror Inc* tracing the Dollars behind Terrorism contains a chapter on 911 itself which explains how Bill Clinton was personally informed of a pending incident years before the September attacks on the world trade center building using aircraft, this information at the time was treated with skepticism, the publication also outlines Bin Laden's connections with the CIA and how the IRA collected finance in the US amongst other.

Dublin Solicitor Kieran Conway, the former head of the IRA owns a business which is listed as having earned him more than 1 million dollars net. In his own autobiography he explains in detail events that happened during the Clinton years which Mark Stephens himself is personally aware of through his own investigative Irish Journalism. Conway refers to the wording of Fascists in the book, yet when he was involved in a court case in Ireland with The Irish Independent Newspaper/Parpoint media services he made the fatal mistake of purposely not informing Sinn Féin and their press outlet during the hearings or later on about the Independents dealings with convicted fascist members of the organization known as Parforce.

Parforce are alleged to have connections with Global Paramilitary terrorists that are known to the CIA itself and as publishers are responsible for the production of fascistic publications for individuals and Political Party. CNN ABC and countless thousands of newspapers, radio stations and media outlets ran coverage on Parforce members being fined in court more than 2 million dollars for far right activity and later convicted to 3 years Jail Sentence for Holocaust denial speeches. *Clinton cash* is a book solely about the alleged money laundering activity of the Clinton Foundation.

Dennis O'Brien owner of the Irish Independent known to Mark Stephens through his work appears in the book paying Clinton in cash backhanders, O'Brien today allows his own company's copyright to be hijacked by Neo Fascist racists and at the same time pays weekly undisclosed sums

to antisemitic

Parpoint to appear inside of fascistic publications issuing political statements that are used by far right extremists groups as propaganda and help generate revenue through sales of other publications sold by Parforce.

It is important for I Cringley bloggers to comprehend the connections outlined above. Certain members of The CIA have for many decades controlled the far right in both America, Ireland and UK and Arabs in the middle East playing both sides off with each other, it is a common pastime of divide and rule. The book Terror inc explains in full CIA involvement with Terrorists. There has been more American Government money Laundry and Terrorist related activity connected to the Democrat years than under the Republicans. In 2021 British Police Officers were convicted and sentenced for belonging to far right wing Neo Nazi terrorist cells that support Parforce. This article is written by leftist contributors who are politically opposed to fascist and racist ideology and any attempt by publishers to offer unusual "blends" of twisted fascistic holocaust revisionism to the general public.

## KIEV CT PUBLISHING

February 26, 2022 at 7:10 pm

PARPOINT publishing is found on linkenden and is a (net based) organization managed by an alleged British member of the National Union of Journalists that had allegations made against it of being antisemitic removed by Joe Elliot from a Bellingcat post on the grounds that the information source came from anonymous Russian "Yandex" based hackers.

Despite this set back further investigations and continued ongoing server monitoring of certain known extreme right wing Internet sites that promote fascism finally provided the hackers using Russian servers with the break through required to gain evidence and names that identify and proved beyond any scientific doubt whatsoever that this named "Google" listed enterprise is being used by convicted neo fascists to help raise finance and promote far right wing propaganda.

Parpoint can be clearly seen and witnessed on far right wing internet sites allowing other discredited racist publishing outlets the continued misuse of their own privately created copyrighted material.

Today with apparent approval, personalized work produced by Irish Independent Newspaper formed PARPOINT appears discriminatively printed inside of the introductory chapter of the Internationally condemned and digitally (revised ) production of this neo fascist publication Gorings Biography, which was published later on after a high profile court case surrounding the paper edition.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present in its failure in substantiating and identifying for itself the criminality set out before it within this document

The NUJ may also wish to consider very carefully any further consequences that could arise from allowing a further Irish/American Government cover up of a holocaust denial digital publication that contains Irish Independent newspaper endorsement and copyright.

Many Individuals,organizations,writers and even Political parties across International borders can now perceive this highly organized form of (de criminalized?) antisemitism

and racism as more than just a mere internal NUJ affair and without doubt perceive this privately maintained ongoing enigma as not just an attack on human rights issues but a complete hindrance to their own political and ideological writing beliefs and freedoms.

In demonstrating an irresponsible able attitude in helping to create fear and uncertainty within the general public and risking the safety of persons that are personally persecuted and suffer from these types of orchestrated and antisemitic publishing crimes Parforce still relies upon the activity of "consent" from Parpoint that helped produced the overall copyright of Gorings Biography digital version under the barbaric form of "sacred trust" .

Yandex based Investigative journalism has already publically provided through "blog sites" more than enough insight to show that Parforce publishing represents the financial and political interests of the holocaust denier author that was fined more than 2 million dollars for writing Gorings Biography in the first instance and in the process successfully identified the author as the main culprit and key member behind the discovery of a highly organized ongoing operation that has yet to be stopped in its tracks – that purposely incorporates the act of supplying modified criminality

It is no longer Parpoint claiming this sick neo fascist book is quote "a good offering" however it is seen that Parforce is proclaiming justification by association.

Parpoint media services produced material is unquestionably being misused by parforce and is undermining the very ethics of accepted journalism, and whilst left legally unchallenged is a historical reference itself.

For the record It was derived that journalist Albert Smith formely of the Irish Independent newspaper who now advertises himself as a Government contracted agent ,during the investigative production of the Bellingcat allegations made against him was infact

proven to  
have worked for both the police in the role of a member of the NUJ and a copyright  
provider for a convicted racist criminal at the same time.

Many other disgraceful allegations are found scattered upon the Internet exposing  
this  
former Sub Editor as being amongst other a British person involved in intelligence  
gathering  
work, Notably though he is a person whom despite newspaper and media  
connections has never  
anywhere online to date publically denied involvement with the production of todays  
digital version of Gorings Biography or since the court hearings surrounding the  
books  
production personally in any way at all condemned its publication or the author or  
reissue of the digital publication with his own enclosed copyright material contained  
within it. Until publically stated otherwise by a legal authority this form of writ shall  
here be  
provided as pending evidence. It is perceived that naming the Author of Gorings  
Biography in this article would only serve to promote ideological far right beliefs the  
writer is a disgrace to the human race. Both Parpoint and Parforce are condemned  
here in within this document as publishing companies.

In the application of "mens rea" any claim that the name of Parpoint has not been  
derived from the  
Blood and Hon of the two publishing companies printed and published in Gorings  
Biography  
known as Parforce and Focal Point is a question that now seemingly must have to be  
answered within International law itself.

The recent resignation of Police Commissioner Dick and the intervention of the Lord Mayor of London undoubtedly landmarks London Town, the Capital of the UK, as a despotic break away separatist state that has decided to sever itself from ordinary citizens.

Not regarding ourselves as being British and advocating an end to Monarchy and the beginning of a Republic here upon this island it is stated clearly as writers and publishers we are never returning to London until the country is proclaimed a Republic.

It is not our intentions to ever set foot within the boundry lines of the Metropolitan areas until this is achieved. Last year 2021 we witnessed police officers being convicted of being murderers, rapists and terrorists.

To the millions that freely choose to live the rest of their lives in London who are normal and left wing we wish you every kindness not supporting political violence we do not wish ourselves to suffer any longer the far right inside of the Metropolitan area. London is now under command and control of other Governments agents and Global finance. The Police and criminals and espionage agents, drug cartels and organized crime gangs work together collectively with the "New Order" we want no part of this separatist states inflicted violence and corrupt courts and mafia controlled health systems.

This is written as a 40km Russian Army convoy heads towards Kievvvvvvv.

W I K I F R E A K S W.W.V 16458825 Why is the NUJ not being investigated over racist allegations?

There are now two “camps” to choose from if thats the right word to use on whether or not to believe Wikifreakz recently claimed “blogged out ” quote that London Town UK has finally become a despotic separatist state” is a reasonable assumption.The reasoning being is that there are so many obvious dividing issues . Prince Andrew finally bringing the credibility of Monarchy to an end and Police Commissioner Dick resignation cementing far right extremism within law and order are both examples of why you should flee from London, which itself has become a completely lawless and extremely dangerous area to operate in.

It seems without doubt the only road left for ordinary “sane” citizens is to contemplate the formation of a Republic.Last year saw Metropolitan Police Officers convicted of being terrorists with murder and rape convictions of Police officers becoming a regular common occurence.This is for many of us the last straw of brainwashing and brain damage that broke the Kamalis bank.

As leftist Socialist bloggers, who are always getting followed and our doors for ever getting “kicked in” by the far right wing door smashers for no reasoning at all we really arent taking any more chances not being a great fan of political violence or believing in the use of any political violence its time to disappear like wooshhh ....and unlike certain conservative writers and neo journalists who live in the land of

the Care free and Fairies we have a moral duty to report racism and far right extremism firstly without being murdered for it, and secondly without being called delusionary ?? think about that whilst its still a human right to so but dont tell anyone just in case!...

Politicians and alleged antifascist organizations have remained mysteriously quite about the Bellingcat allegations concerning the National Union of Journalist members and so It is with great sadness that some of us state here that weve decided very recently never to enter into the London Metropolitan area of Fireland as they call it ever again or until it turns into a real Republic basically because its not worth risking our lives .Until their UK/Britain ever becomes a Republic where people are no longer treated as potential “Stateless” entities well be staying well clear of.

The recent written synopsis filled against the NUJ found on the net finalized our beliefs that the main press tabloids in this country and Europe are NOT to be totally believed or accepted anymore in their present format.

The National Union of Journalists should be held legally accountable for allowing Parpoint media services to remain as life members. An article released in America by Freakz this week on a site that got 1.7 k views in a day says a lot for the organization lecheile and was apparently released as a backlash to recent London Political events and the belief that it is ethically immoral to allow the NUJ to continue to have members that have been proven through Bellingcat allegations to be associated with and openly work with members of Neo Fascist organizations.

So in a sentence this article is now directed against the NUJ for supporting racists. (arguing indirectly or directly ,making no difference)

In mens rea the legal question being did a person(s) have intention, and we will attempt to simplify this as follows:

Irish Independent newspaper evolved Parpoint politically joined Parforce all be it in a publishing arrangement at the very least .

Convicted Nazi sympathizers members of Parforce themselves recieved a 3 years convictions and fines in excess of 2 million Dollars for far right wing activity including the production of the neo nazi publication Gorings Biography that NUJ members of Parpoint today appear inside of issuing their own concerning political statements claiming the publication as a “good offering” ..Gorings Biography paperback edition incidently was used as evidence in UK courts to sentence Parforce members.

The courts certainly were not of the belief that the book was a good offering and it raised the judges hackles enough to fine the authors Parforce over 2 million dollars for its publication and in the process sentenced the publisher/writer as a Racist,antisemitic,holocaust denial nazi sympathizer .

The book was most certianly not a well balanced book far from it,the courts and press opinion is that this fascistic publication is deeply offending and a form of political concern.

It is hereby suggested that the NUJ should now be investigated by Parliament and that these findings considered as reliable public evidence.The name Parpoint according to Russian Yandex blogs was evolved from the two publishing companies named in Gorings Biography digital version that of Parforce and Focal Point which in law makes Albert Smith Irish Independent newspaper found on BING UK GUILTY of contributing to a neo fascist organization known as Parforce and working at the same time as an NUJ member for the Gardai .

The Gardai of course shouldnt employ antisemitic or racist persons in law itself and should in theory investigate Smith for not informing them of his political association whilst remaining a member of the NUJ at the same time working for them,saying all this Dennis Obrien former Irish Independent Newspaper owner was investigated by the CAB and we find it more than a coincidence that he was never questioned about Irish Independent newspaper copyright mis use,more interesting is the fact that after Smith filed other false statements to the Gardai O Brien who is a Billionaire sold his a paper for peanuts now that could perhaps just be Paranoia ,then again guilty by association in America carries heavy weight and the Cubans refused O brien an under water communication cable contract apparently because of his connections with Clinton,and you know the score street year after year since the GSOC bugging affair Russian espionage vessels appear regularly on the west coast of Ireland to spy upon the underwater ocean cables running from America to Fireland...which apparently.....

The Irish Political party Sinn Fein are splattered across the world wide web as advocating Democratic Socialism, sooner or later somebody is going to ask the burning question.

For too long Sinn Fein have remained silent about the legal system in Ireland not requiring evidence in courts, the prison service falsely holding prisoners, using Doctors for political reasons.

Remaining silent is a form of guilt.

Last year allegations appeared upon the Bellingcat blog for a short while. The allegations outlined that Dennis O'Brien's Billionaire businessman was aware that his newspaper copyright was and still is being used by Convicted neo Fascist members of Parforce.

Both The Russian Embassy and Sinn Fein politicians have been given evidence and Russian servers don't make mistakes as they produce and gain evidence.

The base line is that Sinn Fein won't be allowed to be falsely listed as a party with Socialist intent anymore.

WIKIFREAKS | THE DUBLIN MOUNDHILL

A BRITISH NUJ JOURNALIST HAS NAMED HIS OWN COMPANY AFTER THE RACIST ORGANIZATION PARFORCE.

The Dublin Moundhill is no longer an active online blog it appeared like many others then finally disappeared leaving behind traints ,however certain folk kept copies of the bloggers comments that appeared over time as evidence and so there remains today historical notification,however saying all this the political object of this article is solely to preserve prosecutable litigation only.

British subject Albert Smith a former sub editor of the Irish Independent Newspaper can be found upon various internet search engines,The Dublin Moundhill directly accused Smith publically of knowingly working alongside and hiding behind convicted racists whilst being a National Union of Journalist member (an extremely serious accusation),and as they say to the 'man with the hammer" its 911, ONE thing or another you either believe the accusation or you dont theres no GREY areas here.

We ask readers to carefully considered then that the UK NUJ are regarded as a centralized body to all other branches of the NUJ itself and must now be treated with similar concern for knowingly allowing smith to associate itself with PARFORCE.The issue here has now become

double jeopardy

its about British instruments in this instance the (NUJ) that protect the guilty and if youve got a problem with this accusation you go and get a warrant pronto.

It is alleged that Whilst on a regular walking trip Smith admitted to other hikers his publishing company was named after the racist organization PARFORCE. When questioned further about this he replied that he had been chosen to appear in the introduction of the digital version of Gorings Biography produced by parforce and distributed through Focalpoint {DERIVED PARPOINT}.

For many readers not aware Gorings Biography was part of a very famous court case, the book was used as evidence that helped convict racist PARFORCE members resulting in court fines of many millions of dollars and finding the author of Gorings biography guilty of being an antisemitic holocaust denier.

SO WHAT GIVES WITH THE NUJ??

Nobody at present seems to know officially whats going down with the NUJ or even if the British section of the NUJ are concerned with the implications, web research clearly shows that Albert Smith is still at present advertising himself on the net and has done for some time as an NUJ member that has worked for both Government agencies and the Police and so we find it somewhat difficult to understand legally why his company is still allowed to trade whilst claiming ongoing NUJ connections and contributing to racist books.

We can only ask the NUJ to consider removing his membership within the NUJ under these circumstances within law itself very quickly or deal with the backlash.

Considering the legal aspects and UK law and you begin to understand why we believe the NUJ should no longer be allowed to remain silent upon this subject and should at

some moment  
be requested to give evidence themselves.

It would be interesting to see what would happen if someone like MP Gove  
presumably a former  
NUJ member was to be questioned about the legal aspects of this case as a  
Conservative politician  
who has in the past been caught "red" handed owning Titles published by parforce.

Police Officer Andrew Dedman visited different forces whilst he was a working mi5 agent. One of his traints was removing "alleged" stolen goods and money etc etc, he had a special badge which allowd him to carry out these types of operations.

Its an area sanctioned by MI5 as they oversee the legal illegals so to speak...

Dedman came a cropper and fell into a sting operation however got out by whatever means it exposed him as a protected police officer sanctioned to carry out certain duties. The sting was when he was rumbled not charging persons for being in the possession of stolen goods and that is what gets them hall in the end.

Dedmans last call of duty within the police was the economic crime unit which is part of MI5 that prosecute persons in Northern Ireland that is the likes of Kieran Conway (IRA).

Dedman did alot of swap shop business and worked with the British and American Krank handles in ireland (Albert Smith Irish Independent).

This form of clandestine work is carried out all of the world by the CIA and the Clinton Foundation are real kinky at it, they tried to get an optic fibre ocean cable

system set up in Cuba using Billionaire Dennis O Brien,however the Cubans kinaa rumbled that one two.

In the UK Mi5 and the police steal from criminals and basically confiscate "booty" without charging Dedman being a former British Army operative was prime time,he is a fascist though that purposely experimented on criminals and causing torture and breaking human rights laws.He also carried out police swaps,sending files to mafia cops in other countries including Dublin!!!!

He specialized in programming prisoners and working with drug cartels its acceptable in the UK in highly organized crime to have the police rob you of your winnings without being charged infact Mi5 and the crown are probably the biggest munch bunch of criminals ever in British history.

Dedman removed antique silverware from another force he couldnt have done that surely?? without knowing where they came from !! in the first place ,which proves because there where no arrests that he was a debt collector and a bent cop working for MI5,this is just the tip of the iceberg its like we rob you or your A Dedman.

Billions every year are confiscated by the queens of england andy her firm....

It would be interesting to note if the National Union of Journalists will be considering taking a form of action against members of Parpoint who at present still advertise themselves on the internet as NUJ Members??

<https://www.thenews-chronicle.com/new-brooms-old-stories-the-australian-labor-party-and-julian-assange/>

Wikifreaks World Vision writer Joe Edwards contributed this week in the “comments” column to the credited article written about wikileaks member Julian Assange. Blog extracts from other blogs appear as evidence to enforce the Bellingscat Racist allegations made last year that directly involved Irish Independent Newspaper Journalists and multi Billionaire and Clinton Foundation associate Dennis O Brien.

Seemingly from an International perspective the implications arising from the legal, Religious and Political narrative content published by thenews-chronicle.com in the format of a recent document sent to LinkedIn brings the National Union of Journalists sharply into focus. The NUJ themselves despite having a moral and legal duty within written legislated policy and procedure to investigate and prevent racist issues involving their members are at present providing any answers and they persist in remaining silent upon the subject of why the convicted racist author David Irving is still being allowed to continually use Irish Independent Newspaper copyright material produced by Parpoint (Irish Independent Newspaper NUJ journalists) within Parforce publications.

As of yet there is no apology or explanation printed anywhere to date by the NUJ upon the relationship between Parforce/Focal Point and derived Parpoint or why former Irish Independent newspaper Sub editor Albert Smith is still found on internet sites similar to LinkedIn claiming to be a Life member of the NUJ that works as a Government contracted agent and an Irish Police employee.

Conspiracy or reality ??

The following evidence below is conclusive beyond any doubt whatsoever  
Smith is found in the digital version of Gorings Biography inside  
of the Introduction.If for a second we ask ourselves how many words  
there are in existence then its impossible for Smith not to have  
named his company Parpoint after both parforce and Focal Point why then is this  
journalist/publisher still a member of the NUJ,they are aware  
that he has worked with convicted publisher David Irving.  
thats the real conspiracy theory right there

-----  
ALBERT SMITH IRISH INDEPENDENT NEWSPAPER

Reddit/r/u\_wikifreaks888 , 2022-08-01,

British NUJ member Albert Smith advertiss himself upon Linkedin as Parpoint,he is  
also found upon the internet providing his own personal introduction to the  
antisemitic,racist digital production of Gorings Biography (written by the feared  
convicted neo nazi sympathizer David Irving.)

Recent "net" allegations surrounding this book claim that Smith a former editor of  
the Irish Independent newspaper named his publishing company after the copyright  
and publishing agents found within the publication named as Parforce and Focal  
Point.The obvious question we now ask ourselves is should the National Union of

Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??

Dr Moayyad Al Kamali – allegations of spying in the UK and Ireland.

Albert Smith Irish Independent Newspaper Journalist and alleged owner of Parpoint publishing admitted in a court case under duress that he assaulted a person in an incident (whilst carrying a hand gun) in which a laptop hard drive was destroyed. A neighbour was filmed on a mobile phone admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because the Irish police themselves had access to the film along with a statement and they also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge, Kieran Conway Solicitors and the police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune from prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the court proceedings, Smith denying at that time that any form of assault ever happened. The Judge in court had an affidavit and film evidence to hand at the hearing proving there was an assault but refused to act upon evidence provided.

Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted a criminal incident of physical assault occurred that he was told whilst questioning Smith about an assault that Smith denied all knowledge of any incident... however he didn't do so ... this would have made any further evidence provided by Smith inadmissible. For whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court.
