McCluskey Jewish News interview

December 21, 2017 at 10:36 am ([anti-semitism](#), [conspiracy theories](#), [israel](#), [labour party](#), [Middle East](#), [palestine](#), [posted by JD](#), [Unite the union](#), [zionism](#))

Len McCluskey was recently interviewed by the *Jewish News*: given Unite the Union's influence within the Labour Party, and McCluskey's [recent comments](#) on the question of anti-Semitism within the Labour movement, we feel it's important that his views, as expressed here, are more widely known. By linking to this interview, *Shiraz* is not necessarily endorsing what McCluskey says, or the commentary of his interviewer:

EXCLUSIVE interview with Len McCluskey: 'Ken's comments were indefensible'

Leader of Unite tells Jewish News he's 'uncomfortable' about part of his union's boycott policy and how Prime Minister Corbyn would have purchase with Hamas

By [Stephen Oryszczuk](#) December 14, 2017

Labour does not have anti-Semitism issue: Len ...

Above: an earlier interview that Len now says could “be taken the wrong way”

Len McCluskey is big in size and influence, but his voice is soft and his messaging simple. The country's top trade union leader, the boss of Unite was 'what won it' for Jeremy Corbyn and the Labour leadership, as the undisputed power broker in left-wing politics, with 1.5 million members. Whatever you think of him, his views count, so it's interesting to talk to him about Jews, Israel, beating up anti-Semites, talking to terrorists, and what Jeremy Corbyn would do as prime minister. I ask how long we have. "As long as it takes," he says. The others can wait.

We start on Trump's Jerusalem embassy announcement – “not in the slightest bit helpful to Israel” – although he understands why Netanyahu would welcome it. His main issue is that “it makes the process of bringing both parties together – of peace – that much further away”. Has the US relinquished its role as peace broker? “I think so. I mean, how can [Trump] offer an olive branch to both Israel and the Palestinians and say ‘come to Camp David’ when he has done this? Even when Russia recognised West Jerusalem, I think the world sees East Jerusalem as a legitimate Palestinian area. I just think this is so sad. It makes peace more difficult.”

The British government criticised it, to no effect, just as it does Israeli settlement building, so what would a Jeremy Corbyn government do differently, if anything? Nobody has a magic wand, he says, adding that the Israeli-Palestinian conflict is perhaps the world's biggest problem today. “It's about trying to create a process, climate and culture where people can sit down and – in a reasonable and realistic fashion – try to see if there's a way forward.” To that end, he says Labour should recognise a State of Palestine, because “we all

agree about a two-state solution,” although he acknowledges growing calls for a one-state solution.

The fact that Unite and other unions are perpetually getting embroiled in Israeli politics speaks volumes and shows their agenda. They are not Israeli friendly and the two State solution is a hoax.

The two-state solution the unions espouse is fraudulent. They want a Jewish state with a huge Arab minority, which also is forced to accept vast numbers of returning descendants of Arab refugees from the 1948 war, a war of extermination launched by the Arabs against the Jews. They also want an Arab state that is free of Jews. and which has expelled all its Jewish residents. They support anti-Jewish apartheid in Judea, Samaria and East Jerusalem, and they give not a whit about Israel's security.

The game is up for the Islamic fascists and their anti Jewish Western supporting fascists. The Israeli Jews know their enemy and those who pretend not to be their enemy.

5,000,000 Dollars in Bitcoins ILLEGALLY confiscated and destroyed by Government Agents. WIKILEAKS/WIKIFREAKS.

Wikileaks and Julian are connected to the "Wiki" syndicate of servers, there are many "Wiki" based sites with different "Wiki" names that are part of a family tree, Assange is himself also more than aware of the Wikifreaks ** Bing and Google ** entry sites.

Today wikifreaks have many undercover members, anyone can write and call them selves a freak of "Wiki" although their are obvious political rules!. Wikifreakz are left and oppose and fight racism, antisemitism and capatilist ideology, although realists that accept money is still needed in modern day life to survive todays "Freaks" are cautious and are found within Arts, writing, music and of course computer publishing (an area the state and far right are affraid of!!).

Its upon the subject of free speech and publishing not to be confused with the Americans tainted expressionism that we focus upon, more to the point how far the far right will go to put ;Wikifolk" out of business as Mr Assange himself will undoubtedly agree with. Julian isnt of course the only "Wiki" martyr and it is here by clearly stated as evidence that an undercover British Governmen agent working with the police used violence and firearms to Confiscate/destroyed over (130 Bitcoins coins) 5 million dollars worth on a hard drive to be precise. It happened some time ago and the incident is linked to Bill Clintons top man (Dennis O Brien richest person in Ireland), Clinton of course having connections with the CIA through the Clinton foundation of which O Brien is a trusted member who has on previous occasions personally paid Clinton many hundreds of thousands of dollars as gifts, and as we know Craig Murray accepted Hilary Clintons emails from a source that stated they had a dislike of the Clinton foundation.

Evidence of the funding of the Bitcoin transaction found here.....and its the real thing be assured!! in family law you dont need to prove anything once you have the bank and police records... and its not going away either until the debt is paid in full by the Americanized/Irish Government. Very interesting articles, Biden regards Julian Assange as a Tek Terrorist, for the record no terrorist has yet had charges removed on medical grounds, without getting 2 deep state here this implies the first magistrate judge "protected" a terrorist which completely makes a sham of the British Government rulings on placing terrorists into British prisons on remand status, there may well be a case for mistreatment, however releasing terrorists on medical grounds has never been done before...this is a really complicated issue!

London UK British Court report

Suffice to say from the offset there is apparently a view that the American economy like a dark star will eventually implode. Hypothesis abound, there is a timescale involving Russian gas, Hypersonic missiles and Chinese workers production that are key factors of decentralization of capital so they claim. The problem with the dollar is that it has become contraband in other words its easier to produce fake money than nuclear space engines at present, and the poorest countries in the world as we know dont care about what vehicles deliver on the moon or anywhere else for that antimatter or why the official fakes go through the Arab banking machines, so what you may ask has this got to do with the GREAT smell of "Vivian massage" one CIA. The CIA arent about right or wrong good or bad or even legal matters they are simply about CONTAINMENT in many ways and if you mess, well, you get vissions of Julian Assange broadcasted on every federal chanell all day long and they want it switched back off pronto!. Whilst our darling J hasnt just dabbled he has set out procedures and become in the process a working example on how to redirect and misuse

CIA property live on TV ,a shrewd guy to say the least and to be honest hes making multi millions in royalties for a 1001 publishers in "Air time" and thats what weighs in real heavy.

2. Nobodys interested these days on exact or official numbers of AK 47s held by "hostile" organizations 15/20 years ago, In reality,one hypersonic warhead today can obliterate a small uprising in nano seconds,simple asJulian Assange case of Brandy Dandy is a mere fleas dropping, an entity hanging around the Americas back door for a few more slurps whilst in the eyes of the CIA the curry and cement stains are visible all over Julians pretty Duffle coat nobody toepokes "Gatman" the Great, former,informer and getz away with "hIT" ***** have you believe the destructions behold of A NEW PRESIDENCY.

3. Being a clever programmer parasitically Julian knew what he was playing about with when he cracked vaults,remember the last American election when we saw thousands of people telling US live ABC,CNN,FOX and the arrest its going to be a Trump victory? ,where are they know voicing about Americas alleged biggest Espionage cases outcome?? complete fatal silence,nothing ,zuilrch. It was Julians chums according to the CIA that officially scuttled their dearest Hillary, no joke! Yet nobody dares to say what will happen over the next coming weeks in court, no inside linessurely not! if your dealing with the CIA from the start yeah you can disappear through a prison toilet J to make it look good,but really folks in this "Hanger" oh no you dont!, risk prison food for your life? pah nay to bother and One two many question marks.

Julian did rather well financial from Wikileaks and thats his shortfall and the stumbling block perhaps of the previous Judges in this case, the private sale of diaries etc etc,making money from espionage,not to sure. when your in the dock for this believe unless you got the right kinda license smoking dollars out of CIA copyright that not even the Jeff Bozodoodar bandwagon would try ,its a one way ticket, and lets face it J boys paperwork has either been destroyed,blocked and/or expired....thats why certain organizations behind closed doors are predicting a confident 5- 10 minimum year stretch which is what an average UK Burglar gets for "drumming" far right illuminated crumpets on mass and so Julian....remember the likes of US "sneaking" around python codeing for the rest of your dream....one line can change a destiny especially if its filled with rat poison and thats a fact!!!! next time you could

Solitors notes memoirs taken from “yandex sources” DEDOKTOBER related to previous bellingcat allegations.

Albert Smith Irish independent Journalist and alleged owner of parpoint publishing admitted in a court case under duress that he assaulted a person over an alleged “litter” incident in which a laptop hard drive was destroyed. A neighbour was filmed and taped on camera admitting that he heard Smith screaming at a person during the assault. The reason we believe Smith admitted in court an incident occurred was because The police themselves had access to the film along with a statement and he also knew his neighbor had turned states on him.

That said and done a number of issues remain to this day that are points of evidence the first and most important are the failings in court by the Judge and police to administrate legal proceedings against Smith for assault and destruction of a hard drive. In law should a person admit to an offense in court it does not make them immune to prosecution, Sergeant John Heraughty who was present at the hearing questioned Smith prior to the hearing who initially denied an assault ever took place and the Judge had the affidavit and film evidence to hand at the hearing. Sergeant John Heraughty within law should have stood up in court and stated clearly to the Judge at the point when Smith admitted the incident occurred that Smith had lied to him prior to the hearing in stating to him personally there was no incident, however for whatever reason Sergeant Heraughty remained silent in court about his own personal questioning of the matter and subsequently purposely did not provide prosecutable evidence against Smith in court which can be classified as a federal offense in the US. As for the Judge we question as to why he did not immediately detain and hold Smith for admitting to committing a criminal offense during court proceedings that of the criminal offense of lying to a police officer.

Biden is still “Wako Jako” about the Irish Press.

The Clintons (Clinton foundation) apparently set up some kinda Uranium purchase deal with the Russians years ago, like what the hell is that all about?? Lets explain it a different way if the Clintons had achieved their goals all the American people would have been left with is double headed snake in command of the entire US.....no way and certain elements of the CIA and the Global Espionage village saw to that along with Trump and his allies. Julian Assange and Wikileaks used Craig Murray to obtain Hilary Clintons emails that finally brought the Clintons empire to an end, if you know your history youll know what was said to Murray like we do by the “Muels” who handed over Clintons documents. The entire story behind it is double dutch “Andy”, Murray was banned from entering the USA for life for amongst other writing the book and then again why would the CIA allow Clinton to use none encrypted communications?? and what where the fedz doing on the day it all happened looking out for suspicious Aircraft?!?

Thats why at a glance presumably the CIA claimed it was the Russians who where behind hit and hall. In wikifreaks articles in the past Craig Murray was named between the lines as a person working for MI6 agents who got him into America despite his banning order, who themselves as agents are in fact working for Putin, there are plenty of double and triple agents in the UK and Ireland to prove this theory and we are completely sure that not only did the New York press get the emails but Starebear the Kraut himself personally read through them before the NYC went to press.

Nobody in their right minds would have touched Clintons emails, unless they had insurance and diplomatic protection, not after the wacko murders..like nobody.

The book Clinton cash names the richest man in Ireland Dennis O'Brien as a clandestine member, it stands to reason that the foreign contracts he obtained chanel Intel back to the CIA and that the newspaper outlet he owns in Ireland (The Irish Independent) employs and still pays NUJ Diplomatically protected Government agents that have worked for the Police carry and use firearms, as well as lie in courts and have immunity from prosecution. Dennis O'Brien is a CIA handler/Operative thats explained

beyond any questionable doubt and employs a large intelligence gathering organization based in both Ireland and abroad that continues to use "Wagner" style security operatives that nobody as yet in the world media has bothered to disclaimed before now.

Dennis O briens empire is worth Billions of dollars not thousands of Euros and many hundreds if not thousands of his foreign operatives and operations are American state protected. Russian spy boats are commonly found these days allegedly planting data detection devices in the West of Ireland along Ocean cable networks whilst O brien himself has been exposed by Western media as having invested Billions in security based contracts and under water cabling systems linked to CIA gathering outlets one project is named as being Cuban based.

There is somewhat a political question mark hanging above Irish Solicitor Kieran Conway and like a hangmans noose is just waiting to be 'pulled". His own indecisive actions towards named antisemitic Albert Smith Irish Independent in not reporting this person as being diplomatically protected from prosecution to organizations such as Sinn Fein after Smith admitted in court to committing offences in front of a judge without being charged with his own barrister freeman as witness and also the ability to not readily act upon internet evidence which is plain to see that the NUJ is protecting and refusing to remove Smith from the NUJ for appearing in fascist David Irvings digital Book Gorings Biography describing in it the book as being

quote a "Good Offering" when he himself has in the past accused others of being quote" fascists" in his own writings is to put it bluntly beyond indefensible and more than a mere inference could be drawn.

KIEARAN CONWAY SOLICITORS IRELAND NUJ COVER UP

In short Albert Smith Irish Independent Newspaper has never publically apologized for his printed quotes found in the digital version of fascist David Irvings Book Gorings Biography that of the book being "a good offering" hes had his chance,he is a Diplomatically protected firearms user that the NUJ itself is aware of and he is at the least Antisemitic.Smiths publishing company is easily found on US "BING" search engine and is known as Parpoint whilst Irvings publishing venture is known as Parforce?? No question about it.

As for Solicitor Kieran Conway Ireland hes never given evidence against Smith or about the Irish Police or the Judge he could have notified the press and TV channells.Ireland itself will be held responceible as the entire Irish Government is aware of Albert Smith yet nobody dares to mention this episode in Irish History in any media outlet of a Journalist smashing up a writers laptop and not being charged for the offence.

NUJ heads will certianly roll over racist cover up involving Fascist David Irving.

This article will lay down the legal litigation compiled in part with Joe

Elliot's blog, amongst others.

Les freaks de wiki, Anarco/socialite par se isn't running to Owens' blog with this or even running for the next election.

News bloggers privately believe that the "reported failed Operation" to plant fibre optic cables under the Ocean into a Cuban port complicitly implies that Irish Billionaire Dennis O'Brien the owner of The Irish Independent Newspaper must be regarded by the Cuban Government as working for the CIA, because rumour has it his Cable media company was barred for amongst other for having close connections with the Clinton Foundation. Other Governments and countries in comparison already dealing in similar services to Cuba aren't in any way at all prohibited or dealt with as security risks.

Dennis O'Brien most certainly is part of an NUJ cover up involving Fascist author David Irving and the evidence contained here is conclusive. O'Brien lives in Malta he has to apparently under a special Government protection order...you can't spray on a wall there without somebody knowing who's done it, it's claimed by bloggers the protection supplied to O'Brien is by private trained army based security.

When the Bellingcat racist allegations surrounding The Irish Independent Newspaper were first published a name of a National Union of Journalists sub editor that still receives personal weekly payments from this alleged CIA operative was named for the public's interest and safety.

Far Right wing Fascist David Irving was fined over 2 million Dollars for being the author of a book known as Goering's Biography in the British Courts where the paperback book itself was used as evidence to gain conviction. There are countless web sites about this court hearing where the judge sentencing branded Irving a racist antisemitic Holocaust denier for writing this fascist publication.

However despite this court hearing Dennis O'Brien's former personal NUJ sub editor is found today providing antisemitic political statements that are printed under copyright law inside of the revised new digital edition of Goering's Biography, in full knowledge of the court's verdicts, which is both criminally and politically concerning to us at Freaks, an NUJ sub editor that provides antisemitic material to a digital version of the book that he knows branded David Irving a Nazi sympathizer and cost over 2 million in court fines for the production of and here is NUJ member

Albert Smith's own words printed in the "added introduction" of the exact same book Goering's Biography describing it as a "Good Offering", The sub editor Albert Smith named within the Bellingcat allegations also owns a company known as Parpoint publishers which we believe itself is of prosecutable interest as a specifically named piece of far right political evidence based on the following,

According to unofficial Russian sources, wait for this, Parpoint publishing was derived from the blood and honour of two other separate publishing

companys connected to the publishing of Gorings Biography (i) that of Irvings Parforce (ii) Focal point

This is an NUJ Life member where talking about here and we want to know why the NUJ havent removed him from their organization for his completely unacceptable representation and deceitful conduct, and antisemitic presentations.

KIEV CT PUBLISHING

PARPOINT publishing is found on linkenden and is a (net based) organization managed by an alleged British member of the National Union

of Journalists that had allegations made against it of being antisemitic removed by Joe Elliot from a Bellingcat post on the grounds that the information source came from anonymous Russian "Yandex" based hackers.

Despite this set back further investigations and continued ongoing server monitoring of certain known extreme right wing Internet sites that promote fascism finally provided the hackers using Russian servers with the break through required to gain evidence and names that identify and proved beyond any scientific doubt whatsoever that this named "Google" listed enterprise is being used by convicted neo fascists to help raise finance and promote far right wing propaganda.

Parpoint can be clearly seen and witnessed on far right wing internet sites allowing other discredited racist publishing outlets the continued misuse of their own privately created copyrighted material.

Today with apparent approval, personalized work produced by Irish Independent Newspaper formed PARPOINT appears discriminatively printed inside of the introductory chapter of the Internationally condemned and digitally (revised) production of this neo fascist publication Gorings Biography, which was published later on after a high profile court case surrounding the paper edition.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press

opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present

in its failure in substantiating and identifying for itself the criminality set out before it within this document

The NUJ may also wish to consider very carefully any further consequences that could arise from allowing a further Irish/American Government cover up of a holocaust denial digital publication that contains Irish Independent newspaper endorsement and copyright.

Many Individuals, organizations, writers and even Political parties across International borders can now perceive this highly organized form of (de criminalized?) antisemitism and racism as more than just a mere internal NUJ affair and without doubt perceive this privately maintained ongoing enigma as not just an attack on human rights issues but a complete hindrance to their own political and ideological writing beliefs and freedoms.

In demonstrating an irresponsible attitude in helping to create fear and uncertainty within the general public and risking the safety of persons that are personally persecuted and suffer from these types of orchestrated and antisemitic publishing crimes Parforce still relies upon the activity of "consent" from Parpoint that helped produced the overall copyright of Gorings Biography digital version under the barbaric form of "sacred trust" .

Yandex based Investigative journalism has already publically provided through "blog sites" more than enough insight to show that Parforce publishing represents the financial and political interests of the holocaust denier author that was fined more than 2 million dollars for writing Gorings Biography in the first instance and in the process successfully identified the author as the main culprit and key member behind the discovery of a highly organized ongoing operation that has yet to be stopped in its tracks - that purposely incorporates the act of supplying modified criminality

It is no longer Parpoint claiming this sick neo fascist book is quote "a good offering" however it is seen that Parforce is proclaiming justification by association.

Parpoint media services produced material is unquestionably being misused by parforce and is

undermining the very ethics of accepted journalism, and whilst left legally unchallenged is a historical reference itself.

For the record It was derived that journalist Albert Smith formerly of the Irish Independent newspaper who now advertises himself as a Government contracted agent, during the investigative production of the Bellingcat allegations made against him was in fact proven to have worked for both the police in the role of a member of the NUJ and a copyright provider for a convicted racist criminal at the same time.

Many other disgraceful allegations are found scattered upon the Internet exposing this former Sub Editor as being amongst other a British person involved in intelligence gathering work, Notably though he is a person whom despite newspaper and media connections has never anywhere online to date publically denied involvement with the production of today's digital version of Gorings Biography or since the court hearings surrounding the books production personally in any way at all condemned its publication or the author or reissue of the digital publication with his own enclosed copyright material contained within it. Until publically stated otherwise by a legal authority this form of writ shall here be provided as pending evidence. It is perceived that naming the Author of Gorings Biography in this article would only serve to promote ideological far right beliefs the writer is a disgrace to the human race. Both Parpoint and Parforce are condemned here in within this document as publishing companies.

In the application of "mens rea" any claim that the name of Parpoint has not been derived from the Blood and Honour of the two publishing companies printed and published in Gorings Biography known as Parforce and Focal Point is a question that now seemingly must have to be answered within International law itself.

PARPOINT publishing is found on linkenden and is a (net based) organization managed by an alleged British member of the National Union of Journalists that had allegations made against it of being antisemitic removed by Joe Elliot from a Bellingcat post on the grounds that the information source came from anonymous Russian "Yandex" based hackers.

Despite this set back further investigations and continued ongoing server monitoring of certain known extreme right wing Internet sites that promote fascism finally provided the hackers using Russian servers with the break through required to gain evidence and names that identify and proved beyond any scientific doubt whatsoever that this named "Google" listed enterprise is being used by convicted neo fascists to help raise finance and promote far right wing propaganda.

Parpoint can be clearly seen and witnessed on far right wing internet sites allowing other discredited racist publishing outlets the continued misuse of their own privately created copyrighted material.

Today with apparent approval, personalized work produced by Irish Independent Newspaper formed PARPOINT appears discriminatively printed inside of the introductory chapter of the Internationally condemned and digitally (revised) production of this neo fascist publication Gorings Biography, which was published later on after a high profile court case surrounding the paper edition.

Written by an immensely disliked and condemned convicted nazi sympathizer of the Criminal organization Parforce that served three years in prison for far right wing activity, Gorings Biography cost the authors more than 2 million in court fines for its production,the Judge branding Parforce members as being racist,antisemitic,holocaust denying nazi sympathizers for writing,printing and placing into public domain the sale of this said item.

At present without the possibility of any future ,forseeable legal intervention against parpoint there exists a growing concern that as an overseeing body the National Union of Journalist in allowing Parpoint writers to remain as life members within the NUJ itself , in these circumstances constitutes a substantially political risk that consequently has not only been identified however unless immediately resolved will perceivably place this organization within other countries legal parameters.

Further political concerns of the NUJ endorsing the continued misuse of attributed NUJ members copyrighted material to convicted racists for promotion and financial purposes bears even more serious legal issues The warning here being that the NUJ could well fall as an organization , not only to press opinion, but also to International Courts if it fails to act quickly in not overcoming the obvious difficulties it is seemingly experiencing at present in its failure in substantiating and identifying for itself the criminality set out before it within this document

The NUJ may also wish to consider very carefully any further consequences that could arise from allowing a further Irish/American Government cover up of a holocaust denial digital publication that contains Irish Independent newspaper endorsement and copyright.

Many Individuals,organizations,writers and even Political parties across International borders can now perceive this highly organized form of (de criminalized?) antisemitism and racism as more than just a mere internal NUJ affair and without doubt perceive this privately maintained ongoing enigma as not just an attack on human rights issues but a complete hindrance to their own political and ideological writing beliefs and freedoms.

The Ukraine Government is to blame for the countless deaths that have occurred NOT RUSSIA. Before the tanks rolled over the UN recognized Boundary lines Russia itself outlined very clearly their intentions and requested that the Ukraine Government surrender first so that no bloodshed would pursue.

Lets explain things another way before 911 the pilots knew they wernt going to be stopped, JFK was a "Sinch" as some stated at the time.

The Russians know through espionage and members of the Ukraine Government and Ukraine Military exactly where the president of Ukraine is AT ALL TIMES.

It would only take 25 SU 57 Bombers and say the same amount of regular fighters to remove the Ukraine President within 2 to 3 hours, they may get say ten planes out of 40 - 50 strike aircraft if they are lucky but to be honest it would end the war completely within a day ONE.

Thermo Bombs are NOT stoppable, The President of Ukraine should surrender within the next 24 hours PERIOD, he and his Government are guilty of the deaths within the Ukraine NOT Russia or Putin .Russia would

have only have fired back at the small minority who would have resisted against Ukraine Government orders.

Putin has been called a Kraut and a person who has lost his mind, whilst Wagner Security are fascists and Putin eats off their plate the President of Ukraine and the Ukraine Government are held responsible for Ukraine and Russian deaths PERIOD NOBODY ELSE. It is expected that their are persons that will call for the Ukraine President to be executed or Placed into prison for the entirety of his natural life if captured for his alleged war crimes against the Ukraine and Russian people. If the Ukraine president has any decency left he will surrender and dissolve the Ukraine Government within the next 24 hours, he is undoubtedly at present suffering from some form of Delusional Disorder.

The Irish Political party Sinn Fein are splattered across the world wide web as advocating Democratic Socialism, sooner or later somebody is going to ask the burning question.

For too long Sinn Fein have remained silent about the legal system in Ireland not requiring evidence in courts, the prison service falsely holding prisoners, using Doctors for political reasons.

Remaining silent is a form of guilt.

Last year allegations appeared upon the Bellingcat blog for a short while. The allegations outlined that Dennis OBriens Billionaire businessman was aware that his newspaper copyright was and still is being used by Convicted neo Fascist members of Parforce.

Both The Russian Embassy and Sinn fein politicians have been given evidence and Russian servers don't make mistakes as they produce and gain evidence.

The base line is that Sinn Fein wont be allowed to be falsely listed as a party with Socialist intent anymore.

Wikifreaks World Vision writer Joe Edwards contributed this week in the “comments” column to the credited article written about wikileaks member Julian Assange. Blog extracts from various sites appear as evidence to enforce the Bellingcat Racist allegations made last year that directly involved Irish Independent Newspaper Journalists and multi Billionaire and Clinton Foundation associate Dennis O Brien.

Seemingly from an International perspective the implications arising from the legal, Religious and Political narrative content published by thenews-chronicle.com in the format of a recent document sent to Linkedin brings the National Union of Journalists sharply into focus. The NUJ themselves despite having a moral and legal duty within written legislated policy and procedure to investigate and prevent racist issues involving their members arent at present providing any answers and they persist in remaining silent upon the subject of why the convicted racist author David Irving is still being allowed to continually use Irish Independent Newspaper copyright material produced by Parpoint (Irish Independent Newspaper NUJ journalists) within Parforce publications.

As of yet there is no apology or explanation printed anywhere to date by the NUJ upon the relationship between Parforce/Focal Point and derived Parpoint or why former Irish Independent newspaper Sub editor Albert Smith is still found on internet sites similar to Linkedin claiming to be a Life member of the NUJ that works as a Government contrated agent and an Irish Police employee.

Conspiracy or reality ??

The following evidence below is conclusive beyond any doubt whatsoever Smith is found in the digital version of Gorings Biography inside of the Introduction.If for a second we ask ourselves how many words there are in existence then its impossible for Smith not to have named his company Parpoint after both parforce and Focal Point why then is this journalist/publisher still a member of the NUJ,they are aware that he has worked with convicted publisher David Irving. thats the real conspiracy theory right there

ALBERT SMITH IRISH INDEPENDENT NEWSPAPER

British NUJ member Albert Smith advertiss himself upon LinkedIn as Parpoint, he is also found upon the internet providing his own personal introduction to the antisemitic,racist digital production of Gorings Biography (written by the feared convicted neo nazi sympathizer David Irving.)

Recent "net" allegations surrounding this book claim that Smith a former editor of the Irish Independent newspaper named his publishing company after the copyright and publishing agents found within the publication named as Parforce and Focal Point. The obvious question we now ask ourselves is should the National Union of Journalists be held legally accountable for Parpoints past activities when today racist criminals use their members provided copyright??
