WHAT YOU SHOULD KNOW ABOUT YOUR STATEMENT

The information set out below is a summary of key card features and is not intended to replace any Terms and Conditions. Please examine this statement immediately and inform us of any discrepancy within 30 days of its issue date. Otherwise, it will be considered as correct.

FINANCE CHARGES/INTEREST CALCULATION

Interest free period: If you pay your outstanding balance shown on statement generation date in full by the Payment Due Date, the maximum interest free period for you is 52 days (for purchases made on the first day of a statement cycle) and the minimum period is 21 days (for purchases made on the last day of a statement cycle). There is no interest free period for Cash Advances, Loan on Card (LOC) or Easy Instalment Plan, as interest will be charged from the date of such transactions until they are paid in full.

Finance charges: If you do not pay your total outstanding balance shown on statement generation date in full on or before the Payment Due Date, interest will be charged at the applicable rate and will be shown in your next statement calculated on a daily basis, individually on each transaction from the transaction date to the next statement date, until the amount is paid in full, and shall not be pro-rated. In such instances, it would be in your interest to make payment in full as early as possible to take benefit of reduced interest charge.

Unless otherwise specified, interest applicable by way of Finance Charges is calculated on basis of 365 days year (366 days for leap year). Interest applicable to instalments booked prior to 24 May 2022 is calculated on the basis of 360 days year for the term of booked loan
